Submission for OMB Review; Comment Request

The Department of Commerce will submit to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

Title: Southeast Region Logbook Family of Forms.
OMB Control Number: 0648–0016.
Form Number(s): NA.
Type of Request: Regular submission (revision and extension of a current information collection).
Number of Respondents: 4,161.
Average Hours per Response: Logbook reports, 10 minutes, except for live rock, 15 minutes and Colombian waters, 18 minutes; no-fishing responses, 2 minutes; discard reports, 15 minutes; annual fixed cost survey, 30 minutes.
Burden Hours: 15,946.
Needs and Uses: This request is for revision and extension of a current information collection.

Participants in most Federally-managed fisheries in the Southeast Region are currently required to keep and submit catch and effort logbooks from their fishing trips. A subset of these vessels also provide information on the species and quantities of fish, shellfish, marine turtles, and marine mammals that are caught and discarded or have interacted with the vessel’s fishing gear. A subset of these vessels also provide information about dockside prices, trip operating costs, and annual fixed costs. The data are used for scientific analyses that support critical conservation and management decisions made by national and international fishery management organizations. Interaction reports are needed for fishery management planning and to help protect endangered species and marine mammals. Price and cost data will be used in analyses of the economic effects of proposed regulations.

Revision: Logbooks for charter vessels, a new requirement in 2010, were never implemented.

Affected Public: Business or other for-profit organizations.
Frequency: Annually and per vessel trip.
Respondent’s Obligation: Mandatory.
OMB Desk Officer: OIRA Submission@omb.eop.gov.

Copies of the above information collection proposal can be obtained by calling or writing Jennifer Jessup, Departmental Paperwork Clearance Officer, (202) 482–0336, Department of Commerce, Room 6616, 14th and Constitution Avenue NW., Washington, DC 20230 (or via the Internet at jJessup@doc.gov).

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to OIRA Submission@omb.eop.gov.

Uncovered Innerspring Units From the People’s Republic of China: Affirmative Preliminary Determination of Circumvention of the Antidumping Duty Order

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

Preliminary Determination

The Department has preliminarily determined that uncovered innerspring units (“innersprings units”) completed and assembled in Malaysia by Reztec Industries Sdn Bhd (“Reztec”) using components from the People’s Republic of China (“PRC”), and exported to the United States, are circumventing the antidumping duty order on innersprings from the PRC, as provided in section 781(b) of the Tariff Act of 1930, as amended (“the Act”).

DATES: Effective Date: July 11, 2013.
FOR FURTHER INFORMATION CONTACT: Susan Pulonbarit or Steven Hampton, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482–0336.

Preliminary Findings

As detailed in the Preliminary Decision Memorandum, the Department has preliminarily determined, using partial adverse facts available, that innerspring units completed and assembled in Malaysia by Reztec using components from the PRC and exported from Malaysia to the United States are circumventing the Order. Moreover, because Reztec cannot distinguish between those innerspring units it is exporting to the United States which contain PRC-origin components and those that do not, the Department has preliminarily determined that it is appropriate to instruct U.S. Customs and Border Protection (“CBP”) to suspend liquidation of all entries of innerspring units from Malaysia produced by Reztec as subject to the Order.

Suspension of Liquidation

In accordance with 19 CFR 351.225(i)(2), the Department will direct CBP to suspend liquidation and to require a cash deposit of estimated duties at the rate applicable to the exporter, on all unliquidated entries of innerspring units produced by Reztec that were entered, or withdrawn from warehouse, for consumption on or after May 23, 2012, the date of initiation of the anticircumvention inquiry.

Should the Department conduct an administrative review in the future, and determine in the context of that review that Reztec did not produce for export innerspring units using PRC-origin innerspring components, the Department will consider initiating a changed circumstances review pursuant to section 751(b) of the Act to determine if the continued suspension of all innerspring units produced by Reztec is warranted.

Notification to the International Trade Commission

The Department, consistent with section 781(e) of the Act and 19 CFR 351.225(i)(7)(i)(B), has notified the International Trade Commission (“ITC”) of this preliminary determination to include the merchandise subject to this anticircumvention inquiry within the Order. Pursuant to section 781(e) of the Act, the ITC may request consultations concerning the Department’s proposed inclusion of the subject merchandise. If, after consultations, the ITC believes that a significant injury issue is presented by the proposed inclusion, it will have 15 days to provide written advice to the Department.

Public Comment

Because the Department may seek additional information, the Department will establish the case and rebuttal brief schedule at a later time and will notify parties of the briefing schedule in accordance with 19 CFR 351.309(b). Case and rebuttal briefs, when submitted, must comport with the requirements contained in 19 CFR 351.309(c)(2) and (d)(2).

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing, or to participate if one is requested, must submit a written request to the Assistant Secretary for Import Administration, filed electronically via IA ACCESS. An electronically filed document must be received successfully in its entirety by the Department’s electronic records system, IA ACCESS, by 5 p.m. Eastern Standard Time within 30 days after the date of publication of this notice. Requests should contain: (1) The party’s name, address and telephone number; (2) the number of participants; and (3) a list of issues to be discussed. Issues raised in the hearing will be limited to those raised in the respective case and rebuttal briefs.

Final Determination

The final determination with respect to this anticircumvention inquiry, including the results of the Department’s analysis of any written comments, will be issued no later than August 16, 2013, unless extended. This preliminary affirmative circumvention determination is published in accordance with section 781(b) of the Act and 19 CFR 351.225.

Dated: July 2, 2013.

Paul Piquado,
Assistant Secretary for Import Administration.
