effect on national security.

The SF 86C is completed by civilian

employees of the Federal Government,

military personnel, and non-federal

employees, including Federal

contractors and individuals otherwise

not directly employed by the Federal

Government but who perform work for

or on behalf of the Federal Government.

Numerous situations exist, requiring an

individual to complete a new SF 86, for

the sole purpose of determining if any

information on the previously executed

SF 86 has changed. The SF 86C is used

in lieu of a new SF 86, to permit the

individual to indicate that no data

changes occurred, or to provide new or

changed information. The SF 86C is a

certification document that permits the

reporting of changes on previously

reported SF 86 information. Individual

agencies maintain the form.

It is estimated that non-Federal

individuals will complete the SF 86C

annually for investigations conducted

by OPM. The SF 86C is not used as the

basis for any investigations conducted

by OPM. The SF 86C takes

approximately 15 minutes to complete.

The estimated annual burden for this

form when used in OPM investigations

is zero hours.

OPM solicits comments to determine

the utility of this collection. If the form

no longer meets the intended purpose,

OPM recommends abolishing the form.

Until that information can be obtained,

OPM proposes the following changes to

the SF 86C. The collection will include

changes to the Privacy Act Routine

Uses, to mirror the revised Standard

Form questionnaires. Accordingly the

term “Question” is replaced with

“Section.” Section 8, U.S. Passport

Information created and added to collect

U.S.

passport information which was

previously collected under Question 9,

Citizenship. Question 10, Citizenship

was expanded and amended to Section

10, Dual/Multiple Citizenship & Foreign

Passport Information. Question 13 was

amended to Section 13a, Employment

Activities-Employment &

Unemployment Record; Section 13b,

Employment Activities-Former Federal

Service; and Section 13c, Employment

Record. Question 17, Marital Status was

amended to Section 17, Marital/

Relationship Status. Question 20,

Foreign Activities was amended to

Section 20a, Foreign Activities; Section

20b, Foreign Business, Professional

Activities, and Foreign Government

Contacts; and Section 20c, Foreign

Countries You Have Visited. Question

21, Mental and Emotional Health was

amended to Section 21, Psychological

and Emotional Health. Question 23, Use

of Illegal Drugs and Drug Activity was

amended to Section 23, Illegal Use of

Drugs and Drug Activity. This ICR also

requests categorizing this form as a

common form. Once OMB approves the

use of this common form, all agencies

using the form, not in connection with

an OPM investigation may request use

of this common form without additional

and comment requirements. At that point, each agency

will account for its number of

respondents and the burden associated

with the agency’s use.

Acting Director.
