

10.020 Council action on the application. Within thirty (30) days of the conclusion of the public hearing, the Council shall act on the matter. The Council shall have the authority to deny, approve, or approve with conditions, the application. Before approving the application, the Council shall find: (1) That the site for the proposed premises has adequate parking, lighting, security and ingress and egress so as not to adversely affect adjoining properties or businesses, and (2) that the sale of alcoholic beverages at the proposed premises is consistent with the Tribe's Zoning Ordinance.

Upon approval of an application, the Council shall issue a license to the applicant in a form to be approved from time to time by the Council by resolution. All businesses shall post their tribal liquor licenses issued under this ordinance in a conspicuous place upon the premises where alcoholic beverages are sold, manufactured or offered for sale.

10.030 Multiple locations. Each license shall be issued to a specific person. Separate licenses shall be issued for each of the premises of any business establishment having more than one location.

10.040 Term of license. Temporary licenses. All licenses issued by the Council shall be issued on a calendar year basis and shall be renewed annually; provided, however, that the Council may issue special licenses for the sale of alcoholic beverages on a temporary basis for premises temporarily occupied by the licensee for a picnic, social gathering, special events, or similar occasion at a fee to be established by the Council by resolution.

10.050 Transfer of licenses. Each license issued or renewed under this ordinance is separate and distinct and is transferable from the licensee to another person and/or from one premises to another premises only with the approval of the Council. The Council shall have the authority to approve, deny or approve with conditions any application for the transfer of any license. In the case of a transfer to a new person, the application for transfer shall contain all of the information required of an original applicant under Section 08.010 of this ordinance. In the case of a transfer to a new location, the application shall contain an exact description of the location where the alcoholic beverages are proposed to be sold.

Chapter 12—Revocation of Licenses

12.010 Revocation of license. The Council shall revoke a license upon any of the following grounds:

A. The misrepresentation of a material fact by an applicant in obtaining a license or a renewal or transfer thereof.

B. The violation of any condition imposed by the Council on the issuance, transfer or renewal of a license.

C. A plea, verdict, or judgment of guilty, or the plea of nolo contendere to any public offense involving moral turpitude under any federal, tribal, or state law prohibiting or regulating the sale, use, possession, or giving away of alcoholic beverages or intoxicating liquors.

D. The violation of any tribal ordinance of the Tribe.

E. The failure to take reasonable steps to correct objectionable conditions on the licensed premises or any immediate adjacent area leased, assigned or rented by the licensee constituting a nuisance within a reasonable time after receipt of a notice to make such corrections has been received from the Council or its authorized representative.

12.020 Accusations. The Council, on its own motion through the adoption of an appropriate resolution meeting the requirements of this section, or any person may initiate revocation proceedings by filing an accusation with the Secretary of the Council. The accusation shall be in writing and signed by the maker, and shall state facts showing that there are specific grounds under this ordinance which would authorize the Council to revoke the license or licenses of the licensee against whom the accusation is made. Upon receipt of an accusation, the Secretary of the Council shall cause the matter to be set for a hearing before the Council. Thirty (30) days prior to the date set for the hearing, the Secretary shall mail a copy of the accusation along with a notice of the day and time of the hearing before the Council. The notice shall command the licensee to appear and show cause why the licensee's license should not be revoked. The notice shall state that the licensee has the right to file a written response to the accusation, verified under oath and signed by the licensee ten (10) days prior to the hearing date.

12.030 Hearing. Any hearing held on any accusation shall be held before a majority of the Council under such rules of procedure as it may adopt. Both the licensee and the person filing the accusation, including the Tribe, shall have the right to present witnesses to testify and to present written documents in support of their positions to the

Council. The Council shall render its decision within sixty (60) days after the date of the hearing. The decision of the Council shall be final and non-appealable.

Chapter 14—Enforcement

14.010 General penalties. Any person adjudged to be in violation of this ordinance shall be subject to a civil penalty of not more than Five Hundred Dollars (\$500.00) for each such violation. The Council may adopt by resolution a separate schedule of fines for each type of violation, taking into account its seriousness and the threat it may pose to the general health and welfare of tribal members. Such schedule may also provide, in the case of repeated violations, for imposition of monetary penalties greater than the Five Hundred Dollars (\$500.00) limitation set forth above. The penalties provided for herein shall be in addition to any criminal penalties which may hereafter be imposed under a separate ordinance adopted by the Council.

14.020 Initiation of action. Any violation of this ordinance shall constitute a public nuisance. The Council may initiate and maintain an action in any court of competent jurisdiction to abate and permanently enjoin any nuisance declared under this ordinance. Any action taken under this section shall be in addition to any other penalties provided for in this ordinance.

Section 4. Severability. If any part or provision of this ordinance or the application thereof to any person or circumstance is held invalid, the remainder of the ordinance, including the application of such part or provision to other persons or circumstances, shall not be affected thereby and shall continue in full force and effect. To this end the provisions of this ordinance are severable.

Section 5. Effective Date. This ordinance shall be effective on such date as the Secretary of the Interior certifies this ordinance and publishes the same in the **Federal Register**.

Bureau of Ocean Energy Management

[Docket No. BOEM-2013-0007; MMAA104000]

Environmental Assessment for Potential Lease Issuance and Marine Hydrokinetic Technology Testing Offshore Florida

AGENCY: Bureau of Ocean Energy Management (BOEM), Interior.

ACTION: Notice of the Availability of a Revised Environmental Assessment and a Finding of No Significant Impact.

SUMMARY: BOEM has prepared a revised environmental assessment (EA) considering the environmental impacts and socioeconomic effects of issuing a lease in Official Protraction Diagram NG 17-06, Blocks 7003, 7053, and 7054,

offshore Florida. The proposed lease would authorize technology testing activities, including the installation, operation, relocation, and decommissioning of technology testing facilities within the lease area, such as deployment of technology demonstration devices, single anchor moorings, and mooring telemetry buoys. As a result of the analysis in the revised EA, BOEM issued a Finding of No Significant Impact (FONSI). The FONSI concluded that the environmental impacts associated with the preferred alternative would not significantly impact the environment; therefore, the preparation of an environmental impact statement (EIS) is not required.

The purpose of this notice is to inform the public of the availability of the EA and FONSI, which can be accessed online at: <http://www.boem.gov/Renewable-Energy-Program/State-Activities/Florida.aspx>.

Authority: This notice of availability (NOA) of an EA and FONSI is published pursuant to 43 CFR 46.305.

FOR FURTHER INFORMATION CONTACT:

Michelle Morin, BOEM Office of Renewable Energy Programs, 381 Elden Street, HM 1328, Herndon, Virginia 20170-4817, (703) 787-1340 or michelle.morin@boem.gov.

SUPPLEMENTARY INFORMATION: On May 24, 2011, BOEM published a Notice of Intent (NOI) to prepare an EA that requested public comments on alternatives for consideration in the EA, as well as identification of important environmental issues associated with data collection and technology testing activities (76 FR 30184). BOEM considered these public comments in drafting the alternatives and assessing the reasonably foreseeable environmental impacts associated with each. Comments received in response to the NOI can be viewed at: <http://www.regulations.gov> by searching for Docket ID BOEM-2011-0012.

On April 25, 2012, BOEM released an EA for a 30-day public review (77 FR 24734). During the comment period, BOEM held a public information meeting in Fort Lauderdale, Florida on May 9, 2012, to provide stakeholders an additional opportunity to offer comments on the EA. After the comment period closed, Florida Atlantic University Southeast National Marine Renewable Energy Center proposed to also conduct ocean current turbine tow tests concurrent with survey activities. To address the comments received and consider additional activities associated with the proposed action, BOEM revised the EA. All comments received in response to the April 25, 2012, NOA can

be viewed at: <http://www.regulations.gov> by searching for Docket ID BOEM-2012-0011.

Dated: August 6, 2013.
