Respondents are medical professionals who provide medical and peer review of cases appealed to the Appeals, Hearings and Claims Collection Division, Office of General Counsel, TRICARE® Management Activity. CHAMPUS Form 780 records the professional qualifications of the medical or peer reviewer. The completed form is included as an exhibit in the appeal or hearing case file to document the professional qualifications of the medical professional who reviewed the case. If the form is not included in the case file, individuals reviewing the file cannot confirm the qualifications of the reviewing medical professional. Having qualified professionals provide medical and peer review is essential in maintaining the integrity of the appeal and hearing process.
