Certain Polyester Staple Fiber From the Republic of Korea: Rescission of Antidumping Duty Administrative Review; 2012–2013

AGENCY: Import Administration, International Trade Administration, Department of Commerce

SUMMARY: The Department of Commerce (the Department) is rescinding the administrative review of the antidumping duty order on certain polyester staple fiber (polyester staple fiber) from the Republic of Korea (Korea) for the period May 1, 2012, through April 30, 2013, based on the withdrawal of requests for review.

DATES: Effective Date: August 21, 2013.

FOR FURTHER INFORMATION CONTACT: Joseph Shuler, AD/CVD Operations, Office 1, Import Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482–1293.

SUPPLEMENTARY INFORMATION:
Background

On June 28, 2013, the Department initiated an administrative review of the antidumping duty order on polyester staple fiber from Korea for the period May 1, 2012, through April 30, 2013,1 based on requests by Petitioners and Huvis Corporation (Huvis).2 Petitioners requested a review of Huvis and Woongjin Chemical Company, Ltd. (Woongjin), and Huvis requested a review of itself. Petitioners withdrew their request for an administrative review of Woongjin on July 8, 2013, and of Huvis on July 17, 2013. Huvis withdrew its own request for review on July 23, 2013.

Recission of Review

Pursuant to 19 CFR 351.213(d)(1), the Department will rescind an administrative review, in whole or in part, if the party that requested the review withdraws its request within 90 days of the publication of the notice of initiation of the requested review. In this case, Petitioners and Huvis withdrew their respective requests within the 90-day deadline, and no other parties requested an administrative review of the antidumping duty order. Therefore, in accordance with 19 CFR 351.213(d)(1), we are rescinding the administrative review of the antidumping duty order on polyester staple fiber from Korea covering the period May 1, 2012, through April 30, 2013, in its entirety.

Assessment

The Department will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all entries of polyester staple fiber from Korea. Antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). The Department intends to issue appropriate assessment instructions to CBP 15 days after the date of publication of this notice of rescission of administrative review.

Notifications

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

This notice also serves as a final reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and terms of an APO is a violation that is subject to sanction.

This notice is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).

Dated: August 14, 2013.

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.
