SUPPLEMENTARY INFORMATION:
Title: Cotton Ginning Survey.
OMB Control Number: 0535–0220.
Expiration Date of Approval: March 31, 2014.
Type of Request: Intent to Seek Approval to Revise and Extend an Information Collection for a period of three years.
Abstract: The primary objective of the National Agricultural Statistics Service (NASS) is to collect, prepare and issue state and national estimates of crop and livestock production, prices, and disposition as well as economic statistics, environmental statistics related to agriculture and also to conduct the Census of Agriculture. The Cotton Ginning surveys provide cotton ginning statistics from August through February by state to aid in forecasting cotton production. Data collected consists of bales of cotton ginned to date, cotton to be ginned, lint cotton produced, cottonseed produced, cottonseed sold to oil mills, cottonseed used for other uses, number of gins by type, bales produced by county of origin, and cottonseed prices received by producers. The forecasting procedure involves calculating a weighted percent ginned to date as well as an allowance for cross-state movement and bale weight adjustments. Production by state allows adjustments for year-end state and county estimates. Total pounds of lint cotton produced, is used to derive an actual bale weight which increases the precision of production estimates.

Authority: These data will be collected under authority of 7 U.S.C. 2204(a). Individually identifiable data collected under this authority are governed by Section 1770 of the Food Security Act of 1985 as amended, 7 U.S.C. 2276, which requires USDA to afford strict confidentiality to non-aggregated data provided by respondents. This Notice is submitted in accordance with the Paperwork Reduction Act of 1995, Public Law 104–13 (44 U.S.C. 3501, et seq.) and Office of Management and Budget regulations at 5 CFR part 1320. NASS also complies with OMB Implementation Guidance, “Implementation Guidance for Title V of the E-Government Act, Confidential Information Protection and Statistical Efficiency Act of 2002 (CIPSEA).”

Estimate of Burden: Public reporting burden for this collection of information is estimated to be between 10 to 15 minutes per respondent per survey.
Respondents: Active Cotton Gins.
Estimated Number of Respondents: 700.
Estimated Total Annual Burden on Respondents: 1,150 hours.
Comments: Comments are invited on:
(a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

The Department has determined to revoke the order with respect to Regal. Additionally, the Department continues to find that Hilltop International and that Zhanjiang Newpro Foods Co., Ltd. (“Newpro”) are part of the PRC-wide entity. The final dumping margins are listed below in the “Final Results of the Administrative Review” section of this notice.

DATES: Effective Date: September 12, 2013.

The product is currently classified under the following Harmonized Tariff Schedule of the United States (HTSUS) item numbers: 0306.17.00.03, 0306.17.00.06, 0306.17.00.09, 0306.17.00.12, 0306.17.00.13, 0306.17.00.18, 0306.17.00.21, 0306.17.00.24, 0306.17.00.27, 0306.17.00.40, 1605.21.10.30, and 1605.29.10.10. The written description of the scope of the order is dispositive. A full description of the scope of the order is available in the accompanying Issues and Decision Memorandum.4

Analysis of Comments Received
All issues raised in the case and rebuttal briefs by parties to this review are addressed in the Issues and Decision Memorandum. A list of the issues which parties raised, and to which we respond in the Issues and Decision Memorandum is attached to this notice as an Appendix. The Issues and Decision Memorandum is a public document and is on file electronically via Import Administration’s Antidumping and Countervailing Duty Centralized Electronic Service System (“IA ACCESS”). IA accessing is available to registered users at http://iaaccess.trade.gov and in the Central Records Unit, Room 7046 of the main Department of Commerce building. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly on the internet at http://www.trade.gov/ia/. The signed Issues and Decision Memorandum and the electronic versions of the Decision Memorandum are identical in content.

Final Determination of No Shipments
In the Preliminary Results the Department found the following companies did not have any reviewable transactions during the POR: Allied Pacific Food (Dalian) Co., Ltd. and Allied Pacific Aquatic Products (Zhanjiang) Co., Ltd. (collectively “Allied Pacific Group”), Shantou Yuexing Enterprise Company; and, Rizhao Smart Foods Co., Ltd.5 We have not received any information to contradict this determination. Therefore, the Department is making the final determination that the above-named companies did not have any reviewable entries of subject merchandise during the POR, and will issue appropriate instructions that are consistent with our “automatic assessment” clarification, for these final results.

Verification
Pursuant to 19 CFR 351.307(b)(iii) and 19 CFR 351.222(f)(2)(ii), between June 3, 2013 and June 7, 2013, the Department conducted a verification of Regal’s sales and factors of production, as well as information relevant to company-specific revocation.6

Changes Since the Preliminary Results
The Department has not made any changes to the margin calculations since the Preliminary Results.

Revocation In Part
In the Post-Prelim Analysis Memo, we determined that Regal met the regulatory criteria for revocation set forth in 19 CFR 351.222(b) (2011).7 Following the verification of Regal, the Department continues to find that Regal has met all the criteria for revocation and, therefore, we will revoke the order with respect to Regal. Pursuant to 19 CFR 351.222(f)(3), this revocation applies to all entries of subject merchandise that are produced and exported by Regal, and are entered, or withdrawn from warehouse, for consumption on or after February 1, 2012 (i.e., the first day after the period under review). The Department will order the suspension of liquidation held for all such entries and will instruct CBP to release any cash deposits or bonds. The Department will further instruct CBP to refund with interest any cash deposits on entries made on or after February 1, 2012.

Newpro’s Separate Rate
In the Post-Prelim Analysis Memo, we preliminarily determined that Newpro had not met the necessary criteria to receive a separate rate.8 We have not received any information since the issuance of the Post-Preliminary Analysis Memo that provides a basis for reconsidering this determination. Therefore, the Department continues to find that Newpro does not meet the criteria for a separate rate for the final results and Newpro will remain part of the PRC-wide entity.

Final Results of Review
The Department determines that the following weighted-average dumping margins exist.

of publication of this notice to parties in this proceeding in accordance with 19 CFR 351.224(b).

**Assessment Rates**

Upon issuance of these final results, the Department will determine, and U.S. Customs and Border Protection ("CBP") shall assess, antidumping duties on all appropriate entries covered by this review. The Department intends to issue assessment instructions to CBP 15 days after the publication date of the final results of this review.

We will instruct CBP to assess antidumping duties on all appropriate entries covered by this review. Where either the respondent's weighted-average dumping margin is zero or de minimis, or an importer-specific assessment rate is zero or de minimis, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.

The Department announced a refinement to its assessment practice in non-market economy cases. Pursuant to this refinement in practice, for entries that were not reported in the U.S. sales databases submitted by companies individually examined during this review, the Department will instruct CBP to liquidate such entries at the PRC-wide rate. Additionally, if the Department determines that an exporter had no shipments of the subject merchandise, any suspended entries that entered under that exporter's case number (i.e., at that exporter's rate) will be liquidated at the PRC-wide rate.

**Cash Deposit Requirements**

The following cash deposit requirements will be effective upon publication of the final results of this administrative review for shipments of the subject merchandise from the PRC entered, or withdrawn from warehouse, for consumption on or after February 1, 2012, and to refund all cash deposits collected; (2) for previously investigated or reviewed PRC and non-PRC exporters not listed above that received a separate rate in a prior segment of this proceeding, the cash deposit rate will continue to be the existing exporter-specific rate; (3) for all PRC exporters of subject merchandise that have not been found to be entitled to a separate rate, the cash deposit rate will be that for the PRC-wide entity; and (4) for all non-PRC exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the PRC exporter that supplied that non-PRC exporter. These deposit requirements, when imposed, shall remain in effect until further notice.

**Reimbursement of Duties**

This notice also serves as a reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in the Department's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

**Administrative Protective Orders**

This notice also serves as a reminder to parties subject to administrative protective orders ("APO") of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

This determination is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.221(b)(5).

Dated: September 6, 2013.

Paul Piquado,
Assistant Secretary for Import Administration.
