SUPPLEMENTARY INFORMATION:
Postponement of Preliminary Determinations

On June 12, 2013, the Department of Commerce (the “Department”) published a notice of initiation of antidumping duty investigations of welded stainless pressure pipe from Malaysia, Thailand, and the Socialist Republic of Vietnam. The notice of initiation stated that the Department, in accordance with section 733(c)(1)(A) of the Tariff Act of 1930, as amended (the “Act”), and 19 CFR 351.205(b)(1), would issue its preliminary determinations for these investigations, unless postponed, no later than 140 days after the date of the initiation. The preliminary determinations of these antidumping duty investigations are currently due no later than October 23, 2013.

On September 19, 2013, more than 25 days before the scheduled preliminary determination, Bristol Metals, Felker Brothers, and Outokumpu Stainless Pipe (“Petitioners”), pursuant to section 733(c)(1)(A) of the Act and 19 CFR 351.205(e), made a timely request for a 50-day postponement of the preliminary determinations in these investigations. On September 24, 2013, Petitioners amended their request, citing the need for additional time. Specifically, in the investigations of merchandise from Malaysia and Thailand, Petitioners noted that they planned to pursue an allegation of sales below cost of production and more time is needed for such an investigation, while in the investigation of merchandise from the Socialist Republic of Vietnam, they noted that the normal value analysis is complicated, involving issues regarding the factors of production and selection of surrogate values. The Department has found no compelling reasons to deny the request and, therefore, in accordance with section 733(c)(1)(A) of the Act, the Department is postponing the deadline for the preliminary determinations to no later than 190 days after the date on which it initiated these investigations. Therefore, the new deadline for issuing these preliminary determinations is December 12, 2013. This notice is issued and published pursuant to section 733(c)(2) of the Act and 19 CFR 351.205(f)(1).

Paul Piquado,
Assistant Secretary for Import Administration.

Methodology

The Department has conducted this review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act).
