AGENCY: Federal Communications Commission.
ACTION: Notice and request for comments.
SUMMARY: As part of its continuing effort
to reduce paperwork burden and as
required by the Paperwork Reduction Act (PRA) of 1995 (44 U.S.C. 3501–
3520), the Federal Communications
Commission invites the general public
and other Federal agencies to take this
opportunity to comment on the
following information collection(s).
Comments are requested concerning:
whether the proposed collection of
information is necessary for the proper
performance of the functions of the
Commission, including whether the
information shall have practical utility;
the accuracy of the Commission’s
burden estimate; ways to enhance the
quality, utility, and clarity of the
information collected; ways to minimize
the burden of the collection of
information on the respondents,
including the use of automated
collection techniques or other forms of
information technology; and ways to
further reduce the information burden
for small business concerns with fewer
than 25 employees. The FCC may not
conduct or sponsor a collection of
information unless it displays a
currently valid OMB control number.
No person shall be subject to any
penalty for failing to comply with a
collection of information subject to the
Paperwork Reduction Act (PRA) that
does not display a valid OMB control
number.
DATES: Written Paperwork Reduction
Act (PRA) comments should be

advise the FCC, contact listed below as
