Certification Requirements

Any party submitting factual information in an AD or CVD proceeding must certify to the accuracy and completeness of that information. Parties are hereby reminded that the Department issued a final rule with respect to certification requirements, effective August 16, 2013. Parties are hereby reminded that revised certification requirements are in effect for company/government officials as well as their representatives. All segments of any AD or CVD proceedings initiated on or after August 16, 2013, should use the formats for the revised certifications provided at the end of the Final Rule. The Department intends to reject factual submissions if the submitting party does not comply with the applicable revised certification requirements.

Extension of Time Limits

On September 23, 2013, the Department published Extension of Time Limits, Final Rule, 78 FR 57790 (September 23, 2013), which modified one regulation related to AD and CVD proceedings regarding the extension of time limits for submissions in such proceedings (19 CFR 351.302(c)). These modifications are effective for all segments initiated on or after October 21, 2013, and thus are applicable to this investigation. Please review the final rule, available at http://www.gpo.gov/fdsys/pkg/FR-2013-09-20/html/2013-22853.htm prior to requesting an extension.

Tolling Deadlines

As explained in the memorandum from the Assistant Secretary for Enforcement and Compliance, the Department has exercised its discretion to toll deadlines for the duration of the closure of the Federal Government from October 1, through October 16, 2013. See Memorandum for the Record from Paul Piquado, Assistant Secretary for Enforcement and Compliance, “Deadlines Affected by the Shutdown of the Federal Government” (October 18, 2013). Therefore, all deadlines in this segment of the proceeding have been extended by 16 days. If the new deadline falls on a non-business day, in accordance with the Department’s practice, the deadline will become the next business day. Accordingly, the revised deadline for the initiation of this investigation is now October 24, 2013.

Notification to Interested Parties

Interested parties must submit applications for disclosure under APO in accordance with 19 CFR 351.305. On January 22, 2008, the Department published Antidumping and Countervailing Duty Proceedings: Documents Submission Procedures; APO Procedures, 73 FR 3634 (January 22, 2008). Parties wishing to participate in this investigation should ensure that they meet the requirements of these procedures (e.g., the filing of letters of appearance as discussed at 19 CFR 351.103(d)).

This notice is issued and published pursuant to section 777(j) of the Act.

Dated: October 24, 2013.

GOES is a flat-rolled alloy steel product containing by weight at least 0.6 percent but not more than 6 percent of silicon, not more than 1.0 percent of aluminum, and no other element in an amount that would give the steel the characteristics of another alloy steel, in coils or in straight lengths. The GOES that is subject to this investigation is currently classifiable under subheadings 7225.11.0000, 7226.11.1000, 7226.11.9030, and 7226.11.9060 of the Harmonized Tariff Schedule of the United States (HTSUS). Although the HTSUS subheadings are provided for convenience and customs purposes, the written description of the scope of this investigation is dispositive.

Monosodium Glutamate From the People’s Republic of China and the Republic of Indonesia: Initiation of Countervailing Duty Investigations

AGENCY: Enforcement and Compliance, formerly Import Administration, International Trade Administration, Department of Commerce.

FOR FURTHER INFORMATION CONTACT: Jun Jack Zhao (the People’s Republic of China (the PRC)), or Gene Calvert (the Republic of Indonesia (Indonesia)) at (202) 482–1396, or (202) 482–3586, respectively, AD/CVD Operations.

1 See Countervailing Duty Petitions on Monosodium Glutamate from the People’s Republic of China and the Republic of Indonesia, filed on September 16, 2013.

2 See Memorandum for the Record from Paul Piquado, Assistant Secretary for Enforcement and Compliance, “Deadlines Affected by the Shutdown of the Federal Government” (October 18, 2013).

Supplementary Information:

The Petitions

On September 16, 2013, the Department of Commerce (the Department) received countervailing duty (CVD) petitions concerning imports of monosodium glutamate (MSG) from Indonesia and the PRC filed in proper form on behalf of Ajinomoto North America Inc. (Petitioner). Petitioner is a domestic producer of MSG. On September 20, 2013, the Department requested additional information and clarification of certain areas of the Petitions. Petitioner filed responses to these requests on September 24, 2013, and September 26, 2013.

In accordance with section 702(b)(1) of the Tariff Act of 1930, as amended (the Act), Petitioner alleges that the Governments of Indonesia (the GOI) and the PRC (the GOC) are providing countervailable subsidies (within the meaning of sections 701 and 771(5) of the Act) to imports of MSG from Indonesia and the PRC, and that such imports are materially injuring, and threaten to further cause material injury to, the domestic industry producing MSG in the United States pursuant to section 701 of the Act. The Department finds that Petitioner filed the petitions on behalf of the domestic industry because Petitioner is an interested party as defined in section 771(9)(C) of the Act, and that Petitioner has demonstrated sufficient industry support with respect to the initiation of the investigations that Petitioner is requesting.

Periods of Investigations

The periods of these investigations (POI) is January 1, 2012, through December 31, 2012.

Scope of the Investigations

The product covered by these investigations is MSG from Indonesia and the PRC.

Comments on the Scope of the Investigations

During our review of the petitions, we discussed the scope with Petitioner to ensure that it is an accurate reflection of the product for which the domestic industry is seeking relief. Moreover, as discussed in the preamble to the regulations, we are setting aside a period for interested parties to raise issues regarding product coverage. The Department encourages all interested parties to submit such comments by November 12, 2013, 5:00 p.m. Eastern Time, which is 20 calendar days from the signature date of this notice. All comments and submissions to the Department must be filed electronically using Enforcement and Compliance’s electronic service system (IA ACCESS).

An electronically filed document must be received successfully in its entirety by the Department’s electronic records system, IA ACCESS, by the time and date noted above. Documents excepted from the electronic submission requirements must be filed manually (i.e., in paper form) with Enforcement and Compliance’s APO/Dockets Unit, Room 1A08, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230, and stamped with the date and time of receipt by the deadline noted above. All comments must be filed on the records of both the Indonesia and PRC CVD investigations, as well as the concurrent Indonesia and PRC antidumping duty (AD) investigations.

The period for scope comments is intended to provide the Department with ample opportunity to consider all comments and to consult with parties prior to the issuance of the preliminary determinations.

Filing Requirements

All submissions to the Department must be filed electronically using IA ACCESS. An electronically filed
