DEPARTMENT OF COMMERCE
International Trade Administration

[A–570–893]

AGENCY: Enforcement and Compliance, formerly Import Administration, International Trade Administration, Department of Commerce.

DATES: Effective Date: October 31, 2013.

Background

On March 29, 2013, the Department of Commerce (“the Department”) published in the Federal Register a notice of initiation of an administrative review of the antidumping duty order on certain frozen warmwater shrimp (“shrimp”) from the People’s Republic of China (“PRC”) covering the period February 1, 2012 through January 31, 2013.1 On May 24, 2013, the Department selected Zhanjiang Regal Integrated Marine Resources Co., Ltd., (“Regal”) as a mandatory respondent.2 On September 12, 2013, the Department published the final results of the seventh administrative review of shrimp (“AR7”) from the PRC, in which the Department revoked the Order3 with respect to Regal.4

Partial Rescission

Because the Department revoked the Order with respect to Regal effective February 1, 2012,5 entries made by Regal on or after that date are not subject to the Order. Therefore, we are rescinding this review with respect to Regal.

Assessment Rates

Pursuant to the AR7 Final Results, the Department instructed Customs and Border Protection (“CBP”) to terminate the suspension of liquidation for subject merchandise exported by Regal that was entered, or withdrawn from warehouse, for consumption, on or after February 1, 2012, and instructed CBP to refund, with interest, any cash deposits for such entries. We intend to send instructions to CBP to notify them that this review is rescinded with respect to Regal.

Notification to Importers

This notice serves as a final reminder to importers for whom this review is being rescinded, as of the publication date of this notice, of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary’s presumption that reimbursement of the antidumping duties occurred and the subsequent assessment of double antidumping duties.

Administrative Protective Orders

This notice also serves as a reminder to parties subject to administrative protective orders (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

We are issuing and publishing these results and this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: October 23, 2013.

Paul Piquado,
Assistant Secretary for Enforcement and Compliance.
