A. Overview of Information Collection

Title of Information Collection: FHA Stakeholder Feedback for the New FHA Single Family Policy Handbook.

OMB Approval Number: 2502-New.

Type of Request: New.

Form Number: N/A.

Description of the need for the information and proposed use: FHA is developing a new *FHA Single Family Policy Handbook (SF Handbook)*. The handbook is a single, consolidated and authoritative source for FHA Single family Housing Policy. The handbook will make it easier to do business with FHA Single Family by:

- Consolidating policy into one Handbook
- Using simple, more directive language
- Aligning the flow of the handbook to the lender/mortgage process.

Without feedback, FHA's final Handbook would lack critical revisions or changes that would improve its usefulness. In particular, obtaining feedback permits FHA to have a handbook that helps lenders and appraisers quickly find needed information and reduces the need for them to obtain clarification and direction on existing and changing policy.

Respondents (i.e. affected public): Business or other for-profit.

Estimated Number of Respondents: 4,020.

Estimated Number of Responses: 9,200.

Frequency of Response: Varies.

Average Hours per Response: .5.

Total Estimated Burdens: 4,600.

B. Solicitation of Public Comment

This notice is soliciting comments from members of the public and affected parties concerning the collection of information described in Section A on the following:

(1) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) The accuracy of the agency's estimate of the burden of the proposed collection of information;

(3) Ways to enhance the quality, utility, and clarity of the information to be collected; and

(4) Ways to minimize the burden of the collection of information on those who are to respond; including through the use of appropriate automated collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

HUD encourages interested parties to submit comment in response to these questions.
