I. Introduction

On December 9, 2013, the Postal Service filed notice that it has agreed to an amendment to the existing Parcel Select Contract 6 subject to this docket.1

The Postal Service includes on attachment in support of its Notice:
• Attachment A—a redacted copy of the amendment to the existing Parcel Select Contract 6.

The Postal Service also filed the unredacted amendment under seal. It asserts that the “supporting financial documentation and financial certification initially provided in this docket remain applicable.” Id. at 1. It also contends that the amendment “will not materially affect the cost coverage” of the product. Id. The Postal Service seeks to incorporate by reference the Application for Non-Public Treatment originally filed in this docket for the protection of customer-identifying information that it has filed under seal. Id.

The amendment modifies both the mythology for pricing applicable to the second year of the contract and the annual price adjustment provision used to calculate prices for the third year of the contract. Id. Attachment A at 1. In addition, the amendment alters the date on which the Postal Service must provide an updated price chart to the customer. Id.

2Order No. 1521, Notice and Order Concerning the Addition of Parcel Select Contract 6 to the Competitive Product List, October 26, 2012.

1Notice of United States Postal Service of Amendment to Parcel Select Contract 6, With Portions Filed Under Seal, December 9, 2013 (Notice).
I. Introduction

In accordance with 39 U.S.C. 3642 and 39 CFR 3020.30 et seq., the Postal Service filed a request and associated supporting information to add Priority Mail Contract 72 to the competitive product list. The Postal Service asserts that Priority Mail Contract 72 is a competitive product “not of general applicability” within the meaning of 39 U.S.C. 3632(b)(3). Id. at 1. The Request has been assigned Docket No. MC2014–10.

The Postal Service contemporaneously filed a redacted contract related to the proposed new product. Id. Attachment B. The instant contract has been assigned Docket No. CP2014–11.

Request. To support its Request, the Postal Service filed six attachments as follows:

- Attachment A—a redacted copy of Governors’ Decision No. 11–6, authorizing the new product;
- Attachment B—a redacted copy of the contract;
- Attachment C—proposed changes to the Mail Classification Schedule competitive product list with the addition underlined;
- Attachment D—a Statement of Supporting Justification as required by 39 CFR 3020.32;
- Attachment E—a certification of compliance with 39 U.S.C. 3633(a); and
- Attachment F—an application for non-public treatment of materials to maintain redacted portions of the contract and related financial information under seal.

The Postal Service filed much of the supporting materials, including the related contract, under seal. Id. Attachment F. It maintains that the redacted portions of the Governors’ Decision, contract, customer-identifying information, and related financial information should remain confidential. Id. at 3. This information includes the price structure, underlying costs and assumptions, pricing formulas, information relevant to the customer’s mailing profile, and cost coverage projections. Id. The Postal Service asks the Commission to protect customer-identifying information from public disclosure indefinitely. Id. at 7.

II. Notice of Filings

The Commission establishes Docket Nos. MC2014–10 and CP2014–11 to consider the Request pertaining to the proposed Priority Mail Contract 72 product and the related contract, respectively.
