entities annually. The Council is presently considering recommendations on other important number administration-related issues that will require work beyond the term of the present charter.

The value of this federal advisory committee to the telecommunications industry and to the American public cannot be overstated. Telephone numbers are the means by which consumers gain access to, and reap the benefits of, the public switched telephone network. The Council’s recommendations to the Commission will ensure that telephone numbers are available to all telecommunications service providers on a fair and equitable basis, consistent with the requirements of the Telecommunications Act of 1996.

[No. 2013–N–18]

Fannie Mae and Freddie Mac Loan Purchase Limits: Request for Public Input on Implementation Issues

AGENCY: Federal Housing Finance Agency.

ACTION: Notice; input accepted.

The Federal Housing Finance Agency (FHFA) is requesting public input on implementation issues associated with a contemplated reduction in loan purchase limits by the Federal National Mortgage Association (Fannie Mae) and the Federal Home Loan Mortgage Corporation (Freddie Mac) (together, the Enterprises). Each Enterprise must set its loan purchase limits at or below the maximum loan limits; the planned approach to reduce the Enterprises’ loan limits; and a request for public input regarding implementation of the plan.

The contemplated action described below is a plan and not a final decision. The requested public input will be carefully reviewed before FHFA decides whether and how to proceed with the planned reductions in Freddie Mac’s and Fannie Mae’s loan purchase limits. In short, no final decision on loan purchase limits will be made until all input is reviewed. The changes contemplated in this Request for Public Input will not affect loans originated before October 1, 2014.

The remainder of this Request for Public Input sets forth: FHFA’s legal authority for directing the Enterprises to set loan purchase limits below the maximum loan limits; the planned approach to reduce the Enterprises’ loan limits; and a request for public input regarding implementation of the plan. An appendix to this Request for Public Input includes analysis describing the potential impact of the plan.

Background

FHFA’s Legal Authority for Setting the Enterprises’ Loan Purchase Limits

In their chartering acts, the Enterprises are authorized to purchase mortgages up to specified limits, as adjusted annually: 12 U.S.C. 1717(b) and 12 U.S.C. 1454(a). The statutes provide that each Enterprise “... shall establish limitations governing the maximum original principal obligation of conventional mortgages that are purchased by it ...... Such limitations shall not exceed [the loan limits]...”
