

February 7, 2014, the parties re-submitted the public version of the settlement agreement. On the same day, OUII wrote a letter to the Secretary to the Commission, withdrawing its opposition.

After considering the joint motion, and the settlement agreement, the Commission agrees that the joint motion to terminate is in the interest of the public, and complies with the requirements of Commission rule 210.21(b). The Commission has therefore determined to grant the motion to terminate the investigation on the basis of a settlement agreement and to dismiss the motion for sanctions. The Commission has further determined to dismiss as moot the private parties' motions for leave to file a reply and to file a surreply and to not accept for filing any submissions not previously accepted given that the case has been mooted by settlement. The investigation is hereby terminated.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in Part 210 of the Commission's Rules of Practice and Procedure (19 CFR Part 210).

Issued: April 18, 2014.

By order of the Commission.

Lisa R. Barton,

Acting Secretary to the Commission.
