National Institute of Biomedical Imaging and Bioengineering; Notice of Closed Meeting

Pursuant to section 10(d) of the Federal Advisory Committee Act, as amended (5 U.S.C. App.), notice is hereby given of the following meeting.

The meeting will be closed to the public in accordance with the provisions set forth in sections 552b(c)(4) and 552b(c)(6), Title 5 U.S.C., as amended. The grant applications and the discussions could disclose confidential trade secrets or commercial property such as patentable material, and personal information concerning individuals associated with the grant applications, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy.
SUPPLEMENTARY INFORMATION: Members of the public wishing to attend must RSVP to the contact person on this notice by May 5, 2014. NIH has instituted stringent procedures for entrance onto the NIH campus and constituent facilities. Visitors will be asked to show one form of identification (for example a government-issued photo ID, valid driver’s license, or passport) and to state the purpose of their visit. Additionally, individuals who plan to attend and need special assistance, such as sign language interpretation or other reasonable accommodations, should notify the contact person by the deadline provided above in advance of the meeting.

Individuals will also be able to view the meeting via NIH Videocast. Please go to the following link for Videocast access instructions at: http://videocast.nih.gov/faq/#setup.

A portion of this meeting will be closed to the public. Information is available on the Institute’s Web site, http://www.drugabuse.gov/news-events/meetings-events/2014/05/national-advisory-council-drug-abuse, where details on the agenda and any additional information for the meeting will be posted when available. A portion of the agenda will include: A report by the Director, NIDA and a public discussion on the proposed reorganization plans for NIDA extramural program. 

Dated: April 17, 2014.
