DEPARTMENT OF JUSTICE

Notice of Lodging of Consent Decree Pursuant to the Clean Air Act

In accordance with Department policy, 28 CFR 50.7, notice is hereby given that on April 23, 2014, a Consent Decree in *United States v. Virgin Islands Water and Power Authority* (“VIWAPA”), Civil Action No. 2–13–CV–00028, was lodged with the United States District Court for the District of the Virgin Islands, St. Croix Division.

The Consent Decree resolves Clean Air Act violations alleged in the Amended Complaint filed by the United States on July 9, 2013. The violations alleged in the Amended Complaint concern VIWAPA’s failure to properly operate and/or maintain its water injection systems on its gas turbine units, violation of its PM 10 emissions limits for gas turbine unit 19, failure to perform required audits and maintain required quality data availability, failure to properly operate and calibrate the continuous emission monitoring systems (CEMS) for NO_x and Co, and failure to properly record emissions and non-compliance.

The Consent Decree requires VIWAPA to improve its overall operations and maintenance at the St. Croix facility by implementing revised standard operating procedures, a spare parts program to minimize downtime in case of equipment failure, enhanced training and third party and self audits of the water injection system and continuous monitoring systems. The Consent Decree also requires a \$700,000 penalty to be paid within two years of the Effective Date of the Consent Decree. The penalty amount was based upon VIWAPA’s limited financial ability to pay a penalty.

The Department of Justice will receive, for a period of thirty (30) days from the date of this publication, comments relating to the Consent Decree. Comments should be addressed to the Assistant Attorney General for the Environmental and Natural Resources Division, and should refer to *United States v. Virgin Islands Water and Power Authority*, DOJ Ref. # 90–5–2–1–10441.
