

primary listing market. The Exchange's reputation as a primary listing market will, in turn, positively impact all securities that are listed on the Exchange. Further, the Exchange believes that additional revenue generated from the Exchange's auction processes for actively traded ETPs will offset the cost of operating a program for these securities. Because ETPs with higher CADV are likely to generate additional revenue for the Exchange, the Exchange believes it is reasonable to waive fees for ETPs with CADV greater than 400,000. Based on the foregoing, the Exchange believes that providing annual listing free of charge for issuers of ETPs with CADV greater than 400,000 is a fair and equitable allocation of fees to issuers.

The Exchange believes it is reasonable and equitable to assess annual fees on a pro-rated quarterly basis instead of an annual basis based on the listing date of an ETP. In particular, the Exchange believes that quarterly billing in prorated amounts will allow an issuer's bill to more accurately reflect an ETP's current CADV.

The Exchange also believes that lowering the initial listing fee from \$10,000 to \$5,000 for ETPs is reasonable and equitable because it will result in lower initial costs to all ETP issuers.

Finally, the Exchange believes that correcting the typographical error to the numbering of the subparagraphs of Rule 14.13 is reasonable and equitable because it will make the rule text more easily understandable.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act, as amended. With respect to the proposed new pricing for the listing of ETPs, the Exchange does not believe that the changes burden competition, but instead, enhance competition, as it is intended to increase the competitiveness of the Exchange's listings program. The Exchange also believes the proposed change would enhance competition because it brings ETP listings prices closer to those currently offered by both Arca and Nasdaq. The proposed changes are generally intended to lower the Exchange's listing fees and make these fees more reflective of an ETP's trading activity, which the Exchange believes will further help it compete against the other listing markets. As such, the proposal is a competitive proposal that is intended to attract additional ETP

listings, which will, in turn, benefit the Exchange and all other BATS-listed ETPs.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any written comments from members or other interested parties.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(ii) of the Act⁹ and paragraph (f) of Rule 19b-4 thereunder.¹⁰ At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or
- Send an email to rule-comments@sec.gov. Please include File Number SR-BATS-2014-024 on the subject line.

Paper Comments

- Send paper comments in triplicate to Secretary, Securities and Exchange Commission, 100 F Street NE., Washington, DC 20549-1090.
- All submissions should refer to File Number SR-BATS-2014-024. This file number should be included on the subject line if email is used. To help the Commission process and review your comments more efficiently, please use only one method. The Commission will post all comments on the Commission's Internet Web site (<http://www.sec.gov/rules/sro.shtml>). Copies of the submission, all subsequent amendments, all written statements

with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for Web site viewing and printing in the Commission's Public Reference Room, 100 F Street NE., Washington, DC 20549, on official business days between the hours of 10:00 a.m. and 3:00 p.m. Copies of the filing also will be available for inspection and copying at the principal office of the Exchange. All comments received will be posted without change; the Commission does not edit personal identifying information from submissions. You should submit only information that you wish to make available publicly. All submissions should refer to File Number SR-BATS-2014-024, and should be submitted on or before July 9, 2014.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.¹¹

Agency Information Collection Activities: Comment Request

The Social Security Administration (SSA) publishes a list of information collection packages requiring clearance by the Office of Management and Budget (OMB) in compliance with Public Law 104-13, the Paperwork Reduction Act of 1995, effective October 1, 1995. This notice includes three revisions and one extension of OMB-approved information collections.

SSA is soliciting comments on the accuracy of the agency's burden estimate; the need for the information; its practical utility; ways to enhance its quality, utility, and clarity; and ways to minimize burden on respondents, including the use of automated collection techniques or other forms of information technology. Mail, email, or fax your comments and recommendations on the information collection(s) to the OMB Desk Officer and SSA Reports Clearance Officer at the following addresses or fax numbers.

⁹ 15 U.S.C. 78s(b)(3)(A)(ii).

¹⁰ 17 CFR 240.19b-4(f).

¹¹ 17 CFR 200.30-3(a)(12).

(OMB), Office of Management and Budget, Attn: Desk Officer for SSA, Fax: 202-395-6974, Email address: OIRA_Submission@omb.eop.gov.

(SSA), Social Security Administration, OLCA, Attn: Reports Clearance Director, 3100 West High Rise, 6401 Security Blvd., Baltimore, MD 21235, Fax: 410-966-2830, Email address: OR.Reports.Clearance@ssa.gov.

SSA submitted the information collections below to OMB for clearance. Your comments regarding the information collections would be most useful if OMB and SSA receive them 30 days from the date of this publication. To be sure we consider your comments, we must receive them no later than July 18, 2014. Individuals can obtain copies of the OMB clearance packages by

writing to OR.Reports.Clearance@ssa.gov.

1. Representative Payee Report—Adult, Representative Payee Report—Child, Representative Payee Report—Organizational Representative Payees—20 CFR 404.635, 404.2035, 404.2065, and 416.665—0960-0068. When SSA determines it is not in an Old Age, Survivors, and Disability Insurance (OASDI) or Supplemental Security Income (SSI) recipient's best interest to receive Social Security payments directly, the agency will designate a representative payee for the recipient. The representative payee can be: (1) A family member; (2) a non-family member who is a private citizen and is acquainted with the beneficiary; (3) an organization; (4) a state or local government agency; or (5) a business. In the capacity of representative payee, the

person or organization receives the SSA recipient's payments directly and manages these payments. As part of its stewardship mandate, SSA must ensure the representative payees are properly using the payments they receive for the recipients they represent. The agency annually collects the information necessary to make this assessment using the SSA-623, Representative Payee Report—Adult, SSA-6230, Representative Payee Report—Child, SSA-6234, Representative Payee Report—Organizational Representative Payees, and through the electronic internet application Internet Representative Payee Accounting (iRPA). The respondents are representative payees of OASDI and SSI recipients.

3. Authorization to Obtain Earnings Data From the Social Security Administration—0960-0602. On occasion, public and private organizations and agencies, need to obtain detailed earnings information about specific Social Security number (SSN) holding wage earners for business purposes (e.g. pension funds, State

agencies, etc.). Respondents use Form SSA-581 to identify the SSN holder whose information they are requesting, and provide authorization from the SSN holder, when applicable. SSA uses the information provided on Form SSA-581 to: (1) Identify the wage earner; (2) establish the period of earnings information requested; (3) verify the

wage earner authorized SSA to release this information to the requesting party; and (4) produce the Itemized Statement of Earnings (SSA-1826). The respondents are private businesses, state or local agencies, and other federal agencies.

Type of Request: Revision of an OMB-approved information collection.

Modality of completion	Number of respondents	Frequency of response	Average burden per response (minutes)	Estimated total annual burden (hours)
SSA-581	24,000	1	2	800

4. Generic Clearance for the Collection of Qualitative Feedback on Agency Service Delivery—0960–0788. SSA, as part of our continuing effort to reduce paperwork and respondent burden, invites the general public to take this opportunity to comment on the “Generic Clearance for the Collection of Qualitative Feedback on Agency Service Delivery” for approval under the Paperwork Reduction Act (PRA) (44 U.S.C. 3501 et. seq.). This collection was developed as part of a Federal Government-wide effort to streamline the process for seeking feedback from the public on service delivery.

Under the auspices of Executive Order 12862, Setting Customer Service Standards, SSA conducts multiple satisfaction surveys each year. This proposed information collection activity provides a means to garner qualitative customer and stakeholder feedback in an efficient, timely manner, in accordance with SSA’s commitment to improving service delivery. By qualitative feedback we mean information that provides useful insights on perceptions and opinions, but are not statistical surveys that yield quantitative results that can be generalized to the population of study. This feedback will provide insights into customer or stakeholder perceptions, experiences and expectations, provide an early warning of issues with service, or focus attention on areas where communication, training or changes in operations might improve delivery of products or services. These collections will allow for ongoing, collaborative, and actionable communications between SSA and our customers and stakeholders.

The solicitation of feedback will target areas such as: Timeliness, appropriateness, accuracy of information, courtesy, efficiency of service delivery, and resolution of issues with service delivery. Responses will be assessed to plan and inform efforts to improve or maintain the quality of service offered to the public. If this information is not collected, vital feedback from customers and stakeholders on SSA’s services will be unavailable.

We will only submit a collection for approval under this generic clearance if it meets the following conditions: (1) The collections are voluntary; (2) the collections are low-burden for respondents (based on considerations of total burden hours, total number of respondents, or burden-hours per respondent) and are low-cost for both the respondents and the Federal Government; (3) the collections are non-controversial and do not raise issues of

concern to other Federal agencies; (4) any collection targeted to the solicitation of opinions from respondents who have experience with the program or may have experience with the program in the near future; (5) personally identifiable information (PII) is collected only to the extent necessary and is not retained; (6) information gathered will be used only internally for general service improvement and program management purposes and is not intended for release outside of the agency; (7) information gathered will not be used for the purpose of substantially informing influential policy decisions; and (8) information gathered will yield qualitative information; the collections will not be designed or expected to yield statistically reliable results or used as though the results are generalizable to the population of study.

Feedback collected under this generic clearance provides useful information, but it does not yield data that can be generalized to the overall population. This type of generic clearance for qualitative information will not be used for quantitative information collections that are designed to yield reliably actionable results, such as monitoring trends over time or documenting program performance. Such data uses require more rigorous designs that address the target population to which generalizations will be made, the sampling frame, the sample design (including stratification and clustering), the precision requirements or power calculations that justify the proposed sample size, the expected response rate, methods for assessing potential non-response bias, the protocols for data collection, and any testing procedures that were or will be undertaken prior to fielding the study. Depending on the degree of influence the results are likely to have, such collections may still be eligible for submission for other generic mechanisms that are designed to yield quantitative results.

As a general matter, information collections will not result in any new system of records containing privacy information and will not ask questions of a sensitive nature, such as sexual behavior and attitudes, religious beliefs, and other matters that are commonly considered private.

The respondents are recipients of SSA services (including most members of the public), professionals, and individuals who work on behalf of SSA beneficiaries.

Type of Request: Extension of an OMB-approved information collection.

Affected Public: Individuals and households, businesses and

organizations, State, Local or Tribal government.

This is a correction notice: SSA published the incorrect burden information for this collection at 79 FR 17632, on 03/28/14. We are correcting this error here.

Total Estimated Number of Respondents: 46,530.

Below we provide projected average estimates for the next three years:

Average Expected Annual Number of activities: 125.

Annual Respondents: 15,510.

Annual Responses: 15,510.

Frequency of Response: Once per request.

Average minutes per response: 41.53 minutes.

Estimated Annual Burden: 10,581 hours.

Dated: June 13, 2014.

[Docket No. SSA–2014–0023]

Agreement on Social Security Between the United States and the Slovak Republic; Entry Into Force

AGENCY: Social Security Administration (SSA).

ACTION: Notice.

SUMMARY: We are giving notice that an agreement coordinating the United States (U.S.) and the Slovak social security programs entered into force on May 1, 2014. The agreement with the Slovak Republic, which was signed on December 10, 2012, is similar to U.S. social security agreements already in force with 24 other countries—Australia, Austria, Belgium, Canada, Chile, the Czech Republic, Denmark, Finland, France, Germany, Greece, Ireland, Italy, Japan, Korea (South), Luxembourg, the Netherlands, Norway, Poland, Portugal, Spain, Sweden, Switzerland and the United Kingdom. Section 233 of the Social Security Act authorizes agreements of this type. 42 U.S.C. 433.

SUPPLEMENTARY INFORMATION: Like the other agreements, the U.S.-Slovak agreement eliminates dual social security coverage. This situation exists when a worker from one country works in the other country and has coverage under the social security systems of both countries for the same work. Without such agreements in force, when
