

procedures regarding fingerprinting are being followed. Retention of these records for a period of not less than three years after termination of a covered person's employment or relationship with a covered entity ensures that law enforcement officials will have easy access to fingerprint cards on a timely basis. This in turn acts as an effective deterrent to employee misconduct.

Approximately 5,300 respondents are subject to the recordkeeping requirements of the rule. Each respondent maintains approximately 60 new records per year, each of which takes approximately 2 minutes per record to maintain, for an annual burden of approximately 2 hours (60 records times 2 minutes). The total annual burden for all respondents is approximately 10,600 hours (5,300 respondents times 2 hours). As noted above, all records maintained subject to the rule must be retained for a period of not less than three years after termination of a covered person's employment or relationship with a covered entity. In addition, we estimate the total cost to respondents is approximately \$119,000.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's estimates of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information under the PRA unless it displays a currently valid OMB control number.

Rule 34b-1; SEC File No. 270-305, OMB
Control No. 3235-0346.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) the Securities and Exchange Commission (the "Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Rule 34b-1 under the Investment Company Act (17 CFR 270.34b-1) governs sales material that accompanies or follows the delivery of a statutory prospectus ("sales literature"). Rule 34b-1 deems to be materially misleading any investment company ("fund") sales literature required to be filed with the Securities and Exchange Commission ("Commission") by Section 24(b) of the Investment Company Act (15 U.S.C. 80a-24(b)) that includes performance data, unless the sales literature also includes the appropriate uniformly computed data and the legend disclosure required in investment company advertisements by rule 482 under the Securities Act of 1933 (17 CFR 230.482). Requiring the inclusion of such standardized performance data in sales literature is designed to prevent misleading performance claims by funds and to enable investors to make meaningful comparisons among funds.

The Commission estimates that on average approximately 130 respondents file 13,685¹ responses that include the information required by rule 34b-1 each year. The burden resulting from the collection of information requirements of rule 34b-1 is estimated to be 2 hours per response. The total annual burden hours for rule 34b-1 is approximately 27,370 hours per year in the aggregate.²

The collection of information under rule 34b-1 is mandatory. The information provided under rule 34b-1 is not kept confidential. The Commission may not conduct or

SECURITIES AND EXCHANGE COMMISSION

Proposed Collection; Comment Request

Securities and Exchange Commission,
Office of FOIA Services, 100 F Street
NE., Washington, DC 20549-2736.

Extension: Form N-PX, SEC File No. 270-
524, OMB Control No. 3235-0582.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) the Securities and Exchange Commission (the "Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

The title for the collection of information is "Form N-PX (17 CFR 274.129) under the Investment Company Act of 1940, Annual Report of Proxy Voting Record." Rule 30b1-4 (17 CFR 270.30b1-4) under the Investment Company Act of 1940 (15 U.S.C. 80a-1 *et seq.*) requires every registered management investment company, other

than a small business investment company registered on Form N-5 ("Funds"), to file Form N-PX not later than August 31 of each year. Funds use Form N-PX to file annual reports with the Commission containing their complete proxy voting record for the most recent twelve-month period ended June 30.

The Commission estimates that there are approximately 2,500 Funds registered with the Commission, representing approximately 10,000 Fund portfolios, which are required to file Form N-PX.¹ The 10,000 portfolios are comprised of 6,200 portfolios holding equity securities and 3,800 portfolios holding no equity securities. The staff estimates that portfolios holding no equity securities require approximately a 0.17 hour burden per response and those holding equity securities require 7.2 hours per response. The overall estimated annual burden is therefore approximately 45,300 hours ((6,200 responses × 7.2 hours per response for equity holding portfolios) + (3,800 responses × 0.17 hours per response for non-equity holding portfolios)). Based on the estimated wage rate, the total cost to the industry of the hour burden for complying with Form N-PX would be approximately \$14.5 million.

The Commission also estimates that portfolios holding equity securities will bear an external cost burden of \$1,000 per portfolio to prepare and update Form N-PX. Based on this estimate, the Commission estimates that the total annualized cost burden for Form N-PX is \$6.2 million (6,200 responses × \$1,000 per response = \$6,200,000).

The collection of information under Form N-PX is mandatory. The information provided under the form is not kept confidential. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of

information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE., Washington, DC 20549-2736.

Extension:

Rule 30b2-1; SEC File No. 270-213, OMB Control No. 3235-0220.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (the "Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit the existing collection of information to the Office of Management and Budget ("OMB") for extension and approval.

Rule 30b2-1 (17 CFR 270.30b2-1) under the Investment Company Act of 1940 (15 U.S.C. 80a-1 *et seq.*) (the "Investment Company Act") requires a registered investment company ("fund") to (1) file a report with the Commission on Form N-CSR (17 CFR 249.331 and 274.128) not later than 10 days after the transmission of any report required to be transmitted to shareholders under rule 30e-1 under the Investment Company Act, and (2) file with the Commission a copy of every periodic or interim report or similar communication containing financial statements that is transmitted by or on behalf of such fund to any class of such fund's security holders and that is not required to be

filed with the Commission under (1) above, not later than 10 days after the transmission to security holders. The purpose of the collection of information required by rule 30b2-1 is to meet the disclosure requirements of the Investment Company Act and certification requirements of the Sarbanes-Oxley Act of 2002 (Pub. L. 107-204, 116 Stat. 745 (2002)), and to provide investors with information necessary to evaluate an interest in the fund.

The Commission estimates that there are 2,430 funds, with a total of 11,080 portfolios, that are governed by the rule. For purposes of this analysis, the burden associated with the requirements of rule 30b2-1 has been included in the collection of information requirements of rule 30e-1 and Form N-CSR, rather than the rule. The Commission has, however, requested a one hour burden for administrative purposes.

The collection of information under rule 30b2-1 is mandatory. The information provided under rule 30b2-1 is not kept confidential. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Please direct your written comments to Thomas Bayer, Chief Information Officer, Securities and Exchange Commission, C/O Remi Pavlik-Simon, 100 F Street NE., Washington, DC 20549; or send an email to: PRA_Mailbox@sec.gov.

¹ The estimate of 2,500 Funds is based on the number of management investment companies currently registered with the Commission. We estimate, based on data from the Investment Company Institute and other sources, that there are approximately 5,700 Fund portfolios that invest primarily in equity securities, 500 "hybrid" or bond portfolios that may hold some equity securities, 3,200 bond Funds that hold no equity securities, and 600 money market Funds, for a total of 10,000 portfolios required to file Form N-PX.
