

maintains statistical information and data on each child and any actions concerning the child while the child is under the Director's care.

The division ensures consideration of the child's best interest in care and custody decisions. The division coordinates all decisions related to sponsor reunification, background checks, home assessments, follow-up services, medical assessment and treatment, sponsorship breakdowns, repatriation, and movement of children into the Unaccompanied Refugee Minors Program.

The division develops policy to ensure all children's programs are administered in a manner that ensures the best interest of the child; and that services are administered in a manner that supports child welfare standards of care and services to include training, accreditation, legal services, assessment, and trauma-related initiatives.

The division administers the pro bono legal services and child advocate program and compiles a state-by-state list of professionals or entities qualified to provide the children with a guardian and attorney representational services.

E. The Division of Anti-Trafficking in Persons is responsible for implementing certain provisions of the Trafficking Victims Protection Act. The division coordinates the certification of and services to victims of severe forms of trafficking, promotes public awareness on human trafficking, and increases identification of potential victims of severe forms of trafficking. The division manages these activities through grants and contracts. It also coordinates with other federal government agencies on certification activities and policy issues related to the trafficking laws. The division certifies victims of severe forms of trafficking following consultation with appropriate federal and state government agencies and social service agencies. The division coordinates with the appropriate entities for the determination and placement of identified and certified unaccompanied minor victims of trafficking. It maintains statistical information and data on each victim, including certification documentation and services provided. The division compiles an annual report, in coordination with other federal agencies, on the number of certifications issued to and services accessed by identified victims.

F. The Division of Refugee Health provides direction for assuring that refugees are provided medical assistance and mental health services through the state-administered program and alternative programs such as the Wilson/Fish projects. The division

ensures the quality of medical screening and initial medical treatment of refugees through its administration of grant programs, technical assistance, and interagency agreements in support of comprehensive medical and mental health services. The division supports coordination of services to refugees under the Affordable Care Act. The division also supports mental health services to victims of torture.

The Division works closely with State Refugee Health Coordinators in the planning and provision of medical and mental health services to meet the individual needs of incoming populations. The division tracks all state costs related to refugee medical assistance and screening.
