■ 3. Amend § 422.107 by:

- a. Revising paragraphs (a) and (c);
- b. In paragraph (e)(1), removing each instance of “Immigration and Naturalization Service” and adding in its place, “Department of Homeland Security”; and
- c. Revising paragraph (g).

The revisions read as follows:

**§ 422.107 Evidence requirements.**

(a) *General.* To obtain an original Social Security number card, you must submit convincing evidence of your age, U.S. citizenship or alien status, and true identity, as described in paragraphs (b) through (e) of this section. If you apply for a replacement Social Security number card, you must submit convincing evidence of your true identity, as described in paragraph (c) of this section, and you may also be required to submit convincing evidence of your age and U.S. citizenship or alien status, as described in paragraphs (b), (d), and (e) of this section. If you apply for an original or replacement Social Security number card, you are also required to submit evidence to assist us in determining the existence and identity of any previously assigned Social Security number(s). We will not assign a Social Security number or issue an original or replacement card unless we determine that you meet all of the evidence requirements. We require an in-person interview if you are age 12 or older and are applying for an original Social Security number, unless you are an alien who requests a Social Security number as part of the immigration process described in § 422.103(b)(3). We may require an in-person interview of other applicants. All paper or other tangible documents submitted as evidence must be originals or copies of the original documents certified by the custodians of the original records and are subject to verification. We may also verify your eligibility factors, as described in paragraphs (b)–(e) of this section, through other means, including but not limited to data matches or other agreements with government agencies or other entities that we determine can provide us with appropriate and secure verification of your eligibility factors.

\* \* \* \* \*

(c) *Evidence of identity.* (1) If you apply for an original Social Security number or a replacement Social Security number card, you are required to submit convincing evidence of your identity. Evidence of identity may consist of a driver’s license,

identification card, school record, medical record, marriage record, passport, Department of Homeland Security document, or other similar evidence serving to identify you. The evidence must contain sufficient information to identify you, including your name and:

- (i) Your age, date of birth, or parents’ names; or
  - (ii) Your photograph or physical description.
- (2) A birth record is not sufficient evidence to establish identity for these purposes.

\* \* \* \* \*

(g) *Inability to verify eligibility factors.* We will not issue an original or replacement Social Security number card when you present invalid or expired documents or when we are unable to verify the required evidence through other means, as described in paragraph (a) of this section. Invalid documents are either forged documents that supposedly were issued by the custodian of the record, or properly issued documents that were improperly changed after they were issued. An expired document is one that was valid for only a limited time and that time has passed.

- 4. Amend § 422.110 by revising paragraph (a) to read as follows:

**§ 422.110 Individual’s request for change in record.**

(a) *Application.* If you wish to change the name or other personal identifying information you previously submitted in connection with an application for a Social Security number card, you must complete a prescribed application, except as provided in paragraph (b) of this section. You must prove your identity, and you may be required to provide other evidence. (See § 422.107 for evidence requirements.) You may complete a request for change in records in the manner we designate, including at any Social Security office, or, if you are outside the U.S., to the Department of Veterans Affairs Regional Office, Manila, Philippines, or to any U.S. Foreign Service post or U.S. military post. If your request is for a change of name on the card (that is, verified legal changes to the first name or surname, or both), we may issue you a replacement Social Security number card bearing the same number and the new name. We will grant an exception to the limitations specified in § 422.103(e)(2) for replacement Social Security number cards representing a change in name or, if you are an alien, a change to a restrictive legend shown on the card.

(See § 422.103(e)(3) for the definition of a change to a restrictive legend.)

#### SUPPLEMENTARY INFORMATION:

##### Background

Temporary regulations in the Rules and Regulations section of this issue of

the **Federal Register** amend the Health Insurance Providers Fee Regulations (26 CFR part 57) and serve as the text for these proposed regulations.

### Special Analyses

It has been determined that these proposed regulations are not a significant regulatory action as defined in Executive Order 12866, as supplemented by Executive Order 13563. Therefore, a regulatory assessment is not required. It also has been determined that section 553(b) of the Administrative Procedure Act (5 U.S.C. chapter 5) does not apply to these regulations, and because the regulation does not impose a collection of information on small entities, the Regulatory Flexibility Act (5 U.S.C. chapter 6) does not apply. Pursuant to section 7805(f) of the Code, these regulations have been submitted to the Chief Counsel for Advocacy of the Small Business Administration for comment on its impact on small business.

### Comments and Requests for a Public Hearing

Before the proposed regulations are adopted as final regulations, consideration will be given to any comments that are submitted timely to the IRS as prescribed in this preamble under the **ADDRESSES** heading. The Treasury Department and the IRS request comments on all aspects of the proposed regulations. All comments will be available at [www.regulations.gov](http://www.regulations.gov) or upon request. A public hearing will be scheduled if requested in writing by any person that timely submits written comments. If a public hearing is scheduled, notice of the date, time, and place for the public hearing will be published in the **Federal Register**.

### Drafting Information

The principal author of these proposed regulations is Rachel S. Smith, IRS Office of the Associate Chief Counsel (Passthroughs and Special Industries). However, other personnel from the Treasury Department and the IRS participated in their development.
