

the FTZ Board (15 CFR 400.22) was received on April 21, 2015.

The Outokumpu facility is located within Subzone 82I. The facility is used for the production of stainless steel mill products. Pursuant to 15 CFR 400.14(b), FTZ activity would be limited to the specific foreign-status materials/components and specific finished products described in the submitted notification (as described below) and subsequently authorized by the FTZ Board.

Production under FTZ procedures could exempt Outokumpu from customs duty payments on the foreign status materials/components used in export production. On its domestic sales, Outokumpu would be able to choose the duty rates during customs entry procedures that apply to: Granulated slag (slag sand); slag, dross and scalings; stainless steel in ingots and other primary forms; hot-rolled stainless steel coils; hot-rolled stainless steel not in coils; cold-rolled stainless steel not in coils; and, stainless steel sheets and plates (duty-free) for the foreign status materials/components noted below. Customs duties also could possibly be deferred or reduced on foreign status production equipment.

The materials/components sourced from abroad include: Fluorspar containing by weight 97% or less of calcium fluoride; ferromanganese containing by weight more than 1% but less than 2% of carbon; ferromanganese containing by weight not more than 1% of carbon; ferrosilicon containing by weight more than 80% but not more than 90% silicon; ferrosilicon containing by weight more than 90% silicon; ferrochromium; ferronickel; ferro-niobium; ferro-boron; copper waste and scrap; unwrought nickel; unwrought nickel alloys; unwrought aluminum (other than alloy); unwrought molybdenum, including bars and rods obtained by simple sintering; unwrought titanium in rock or powder form; titanium castings; and, titanium in bars, rods, profiles and wires (duty rate ranges from duty-free to 15%). The request indicates that ferrosilicon may be subject to an antidumping/countervailing duty (AD/CVD) order. The FTZ Board's regulations (15 CFR 400.14(e)) require that merchandise subject to AD/CVD actions be admitted to the zone in privileged foreign status (19 CFR 146.41). In addition, the request indicates that all foreign status ferrosilicon, molybdenum and titanium classified under HTSUS Subheadings 7202.21, 8102.94, 8108.20 and 8108.90 will be admitted to the subzone in privileged foreign status (19 CFR

146.41), thereby precluding inverted tariff benefits on such items.

Public comment is invited from interested parties. Submissions shall be addressed to the Board's Executive Secretary at the address below. The closing period for their receipt is June 17, 2015.

A copy of the notification will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 21013, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230-0002, and in the "Reading Room" section of the Board's Web site, which is accessible via www.trade.gov/ftz.

For further information, contact Elizabeth Whiteman at Elizabeth.Whiteman@trade.gov or (202) 482-0473.

Dated: April 30, 2015.

Andrew McGilvray,
Executive Secretary.

BILLING CODE 3510-DS-P

DEPARTMENT OF COMMERCE

Foreign-Trade Zones Board

[B-30-2015]

Foreign-Trade Zone 82—Mobile, Alabama; Application for Reorganization and Expansion Under Alternative Site Framework

An application has been submitted to the Foreign-Trade Zones (FTZ) Board by the City of Mobile, grantee of FTZ 82, requesting authority to reorganize and expand the zone under the alternative site framework (ASF) adopted by the FTZ Board (15 CFR Sec. 400.2(c)). The ASF is an option for grantees for the establishment or reorganization of zones and can permit significantly greater flexibility in the designation of new subzones or "usage-driven" FTZ sites for operators/users located within a grantee's "service area" in the context of the FTZ Board's standard 2,000-acre activation limit for a zone. The application was submitted pursuant to the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a-81u), and the regulations of the Board (15 CFR part 400). It was formally docketed on May 1, 2015.

FTZ 82 was approved by the FTZ Board on February 24, 1982 (Board Order 208, 48 FR 9052, 3/3/1983) and expanded on February 27, 1990 (Board Order 464, 55 FR 8159, 3/7/1990) and on December 19, 2003 (Board Order 1312, 69 FR 48, 1/2/2004).

The current zone includes the following sites: *Site 1* (1,863 acres)—Downtown Mobile Airport, Port and Riverfront Industrial Complex, Mobile; *Site 2* (3,169 acres)—LeMoyne Industrial Park, located on U.S. Highway 43, LeMoyne; *Site 3* (70 acres)—Mobile River Industrial Park, located on U.S. Highway 43, Saraland; *Site 4* (34 acres)—Frisco Industrial Park, located on Craft Highway, Mobile and Prichard; *Site 7* (3,364 acres)—Theodore Industrial Complex, located on the western shore of Mobile Bay, Theodore; *Site 9* (221 acres)—Loxley Industrial Park, located near County Highway 49, Loxley; *Site 13* (31 acres, expires 4/30/2016)—warehouse complex, 1200 Papermill Road, Mobile; *Site 14* (6 acres, expires 4/30/2016)—Metro International Trade Services, 6955 Cary Hamilton Road, Theodore; *Site 15* (15 acres, expires 4/30/2016)—Metro International Trade Services, 200 Callahan Drive, 1501 Telegraph Road and 1816/1818 Craft Highway, Prichard; *Site 16* (3 acres, expires 4/30/2016)—Metro International Trade Services, 1510 Telegraph Road, Mobile; *Site 17* (6 acres, expires 4/30/2016)—Metro International Trade Services, 1204 Telegraph Road, Mobile; *Site 18* (10 acres, expires 4/30/2016)—John Fayard Moving & Warehousing, L.L.C., warehouse complex, 6030 Rangeline Road, Theodore; and, *Site 19* (4 acres, expires 4/30/2016)—Technip UK, Ltd., 3405/3425 Hurricane Bay Drive, Theodore. (Note: Sites 5, 6, 8, 10, 11 and 12 have sunsetted pursuant to Board Order 1312.)

The grantee's proposed service area under the ASF would be the Counties of Mobile, Baldwin, Butler, Choctaw, Clarke, Conecuh, Escambia, Monroe, Washington and Wilcox, as described in the application. If approved, the grantee would be able to serve sites throughout the service area based on companies' needs for FTZ designation. The proposed service area is within and adjacent to the Mobile Customs and Border Protection port of entry.

The applicant is requesting authority to reorganize and expand its existing zone as follows: Restore 80 acres at Site 1 (new acreage—1,943 acres); Sites 1 (as modified), 2, 3, 4, 7, 9, 13 and 18 would become "magnet" sites; and, Sites 14, 15, 16, 17 and 19 would become "usage-driven" sites. The ASF allows for the possible exemption of one magnet site from the "sunset" time limits that generally apply to sites under the ASF, and the applicant proposes that modified Site 1 be so exempted. The application would have no impact on FTZ 82's previously authorized subzones.

In accordance with the FTZ Board's regulations, Camille Evans of the FTZ Staff is designated examiner to evaluate and analyze the facts and information presented in the application and case record and to report findings and recommendations to the FTZ Board.

Public comment is invited from interested parties. Submissions shall be addressed to the FTZ Board's Executive Secretary at the address below. The closing period for their receipt is July 7, 2015. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period to July 22, 2015.

A copy of the application will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 21013, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230-0002, and in the "Reading Room" section of the FTZ Board's Web site, which is accessible via www.trade.gov/ftz. For further information, contact Camille Evans at Camille.Evans@trade.gov or (202) 482-2350.

Dated: May 2, 2015.

Andrew McGilvray,
Executive Secretary.

BILLING CODE 3510-DS-P

DEPARTMENT OF COMMERCE

Foreign-Trade Zones Board

[B-29-2015]

Foreign-Trade Zone (FTZ) 148— Knoxville, Tennessee; Notification of Proposed Production Activity; CoLinx, LLC (Bearing Units); Crossville, Tennessee

The Industrial Development Board of Blount County and the Cities of Alcoa and Maryville, Tennessee, grantee of FTZ 148, submitted a notification of proposed production activity to the FTZ Board on behalf of CoLinx, LLC (CoLinx), located in Crossville, Tennessee. The notification conforming to the requirements of the regulations of the FTZ Board (15 CFR 400.22) was received on April 29, 2015.

The CoLinx facilities are located within Sites 2, 6 and 7 of FTZ 148. The facilities are used for the distribution and assembly of kits of bearing products. Pursuant to 15 CFR 400.14(b), FTZ activity would be limited to the specific foreign-status materials and components and specific finished products described in the submitted

notification (as described below) and subsequently authorized by the FTZ Board.

Production under FTZ procedures could exempt CoLinx from customs duty payments on the foreign status components used in export production. On its domestic sales, CoLinx would be able to choose the duty rates during customs entry procedures that apply to: Mounted unit roller assemblies (housed, spherical roller bearing units); and, mounted unit ball assemblies (housed ball bearing units) (duty rate 4.5%) for the foreign status inputs noted below. Customs duties also could possibly be deferred or reduced on foreign status production equipment.

The components and materials sourced from abroad include: Mineral oil based, lithium soap thickened bearing grease; double row insert bearings (spherical rollers), nitrile rubber contact lip seals with spring-loaded lips; and, plastic end caps for bearing housings (duty rate ranges from 2.5% to 1.3¢/kg + 5.7%).

Public comment is invited from interested parties. Submissions shall be addressed to the Board's Executive Secretary at the address below. The closing period for their receipt is June 17, 2015.

A copy of the notification will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 21013, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230-0002, and in the "Reading Room" section of the Board's Web site, which is accessible via www.trade.gov/ftz.

For further information, contact Elizabeth Whiteman at Elizabeth.Whiteman@trade.gov or (202) 482-0473.

Dated: April 30, 2015.

Andrew McGilvray,
Executive Secretary.

BILLING CODE 3510-DS-P

DEPARTMENT OF COMMERCE

International Trade Administration

Education Trade Mission to Africa, March 7-10, 2016

AGENCY: International Trade Administration, Department of Commerce.

ACTION: Notice.

SUMMARY: The United States Department of Commerce, International Trade Administration, is organizing an

education mission to South Africa and Ghana with an optional stop in the Côte d'Ivoire. Department of Commerce is partnering with the Department of State's EducationUSA Advising Centers in each location. This trade mission will be led by a senior Department of Commerce official and the emphasis will be on higher education programs, community college programs and summer, undergraduate and graduate programs.

This mission will seek to connect U.S. higher education institutions to potential students and university/institution partners in these three African countries. The mission will include student fairs organized by Education USA, embassy briefings, site visits, and networking events in our target cities of Johannesburg, Accra, and Abidjan. Participation in the Education Mission to these nations, rather than traveling independently to each market, will enhance the ability of participants to secure appropriate meetings with productive contacts in the target markets.

Summer programs seeking to participate should be appropriately accredited by an accreditation body recognized by the U.S. Department of Education. Community colleges, undergraduate and graduate programs seeking to participate should be accredited by a recognized accreditation body listed in Council for Higher Education Accreditation (CHEA) or Accrediting Council for Education and Training (ACCET), in the Association of Specialized and Professional Accreditors (ASPA), or any accrediting body recognized by the U.S. Department of Education.

The delegation will include representatives from approximately 25 different educational institutions.

Mission Goals

The goals of the United States Education Mission to Africa are: (1) To help participants gain market exposure and to introduce participants to the vibrant African market in the countries of South Africa, Ghana, and Côte d'Ivoire (2) to help participants assess current and future business prospects by establishing valuable contacts with prospective students and educational institutions/partners; and (3) to help participants develop market knowledge and relationships leading to student recruitment and potential partnerships.
