

*respond*: There are currently approximately 8,000 businesses that report on a regular basis into NMVTIS. The estimate for the average amount of time for each business to report varies: 30–60 minutes (estimated). The states and insurance companies already are capturing most of the data needed to be reported, and the reporting consists of electronic, batch uploaded information. So, for those automated companies the reporting time is negligible. For smaller junk and salvage yard operators who would enter the data manually, it is estimated that it will take respondents an average of 30–60 minutes per month to respond.

6. *An estimate of the total public burden (in hours) associated with the collection*: An estimate of the total public burden (in hours) associated with the collection is 48,000 to 96,000 hours.

Total Annual Reporting Burden:  
 8,000 × 30 minutes per month (12 times per year) = 48,000  
 8,000 × 60 minutes per month (12 times per year) = 96,000

#### SUPPLEMENTARY INFORMATION:

##### Background

Twice each year, cable services and satellite carriers deposit with the Copyright Office royalties payable for

the license to transmit over-the-air television and radio broadcast signals via cable and satellite. 17 U.S.C. 111, 119. The Copyright Royalty Judges (Judges) oversee distribution of the royalties to copyright owners whose works are included in the retransmissions and who have filed a timely claim for royalties. Pursuant to 17 U.S.C. 803(b)(1), the Judges hereby give notice of the commencement of proceedings for distribution of cable and satellite royalties deposited for broadcasts retransmitted in 2013 and call for interested parties to file Petitions to Participate.

Any party wishing to receive royalties payable for 2013 must file a Petition to Participate for the applicable proceeding no later than July 6, 2015. The Judges will resolve all issues relating to distribution of cable and satellite royalty funds for 2013 in these proceedings, Docket No. 14-CRB-0010-CD (2013) and Docket No. 14-CRB-0011-SD (2013). See 37 CFR 351.1(b)(2).

#### Commencement of Distribution Proceedings

The Judges have determined that controversies exist with regard to distribution of the cable and satellite retransmission royalties that licensees deposited for 2013. Therefore, pursuant to Section 804(b)(8) of the Copyright Act, the Judges are causing this notice to be published in the **Federal Register** to announce the commencement of cable and satellite distribution proceedings for the 2013 funds.

The Judges base their conclusion regarding 2013 controversies upon information provided by certain interested parties in response to the Judges' published Notice Requesting Comments. See 79 FR 76396 (December 22, 2014). The Judges received comments from nine parties.<sup>1</sup> All

<sup>1</sup> American Society of Composers, Authors and Publishers, Broadcast Music, Inc. (ASCAP) and SEASAC, styling themselves "Music Claimants"; the Canadian Broadcasting Corporation on behalf of Canadian television stations and copyright owners of programs broadcast on Canadian television stations, with limited exceptions, referring to themselves as the "Canadian Claimants Group"; Amazing Facts, Inc., American Religious Town Hall Meeting, Inc., Billy Graham Evangelistic Association, The Christian Broadcasting Network, Inc., Christian Television Corporation and affiliated television stations, Coral Ridge Ministries Media, Inc., Crenshaw Christian Center, Crystal Cathedral Ministries, In Touch Ministries, Joyce Meyer Ministries, Kerry Shook Ministries aka Fellowship of the Woodlands, Lakewood Church aka Joel Osteen ministries, Living Church of God (International), Inc., Living Word Christian Center, Messianic Vision, Inc., Philadelphia Church of God, Inc., Word of God Fellowship, Inc. dba Daystar Television Network, together calling themselves the "Devotional Claimants"; The Office of the Commissioner of Baseball, National Basketball

respondents acknowledged the existence of controversies regarding distribution of the 2013 royalty funds;<sup>2</sup> most respondents asserted optimism that they would resolve those controversies through negotiation; the commencement of these proceedings does not foreclose continued negotiations.<sup>3</sup>

When submitting comments regarding the existence of controversies, some claimants identified themselves as seeking royalties for a certain category of programs. The Judges recognize that other claimants might not be affiliated with or be represented by joint counsel for the self-styled groups of claimants that have expressed an interest in this proceeding. The Judges, therefore, provide this public notice to alert any entity who claims an interest in cable or satellite retransmission royalties deposited for royalty year 2013.

In order to share in the royalties at issue, any claimant, whether or not affiliated with one of the groups identified in footnote 1 above, must file a Petition to Participate in each proceeding in which it seeks royalties, individually or jointly with other claimants. If, at a later point in the proceedings, a claimant chooses to join a group participating through joint counsel, that claimant may withdraw its individual Petition to Participate by giving written notice in the proceeding identifying the group with which it wishes to affiliate. The prerequisites to participation in a distribution proceeding are (1) the filing (individually or jointly) of a valid claim for the royalty year at issue (2013) and

Association, National Football League, National Collegiate Athletic Association, National Hockey League, Women's National Basketball Association, together styling themselves the "Joint Sports Claimants"; National Association of Broadcasters claiming to represent "Commercial Television Claimants"; Motion Picture Association of America, Inc. on behalf of syndicated series, non-team sports, movies, and specials, together claiming as "Program Suppliers"; Public Broadcasting Service (PBS) on behalf of copyright owners of retransmitted programs aired originally on U.S. noncommercial educational television stations; National Public Radio, Inc. (NPR) for itself and participating NPR Member station licensees; and a representative of commercial television calling itself the "Broadcaster Claimants Group."

<sup>2</sup> One of the representative parties asserts no claim to 2013 cable royalty funds: The Broadcaster Claimants Group. Four of the representative parties assert no claim to 2013 satellite royalty funds: Music Claimants, Commercial Television Claimants, PBS, and NPR.

<sup>3</sup> On May 28, 2015, the Judges granted motions for partial distribution of 2013 satellite and 2013 cable royalties. *Order Granting Motion of Phase I Claimants for Partial Distribution of 2013 Satellite Royalty Funds*, Docket No. 14-CRB-0011 SD (2013) and *Order Granting Motion of Phase I Claimants for Partial Distribution*, Docket No. 14-CRB-0010 CD (2013).
