

However, an additional portion of funds is awarded competitively.

The information collected will be used to collect applicant information regarding proposed project plans sufficient to inform peer review and subsequent grant award and monitoring. Peer reviewers will be selected from among experts in the relevant fields to assess and score applicant proposals. On the basis of reviewer scores, applications will be ranked, and the highest scoring applications will be funded according to availability of funds. Applications approved for funding are entered into HRSA's Electronic Handbook (EHB).

Subsequent to award, the approved plans set forth in the applications in the

EHB will be monitored by Federal Project Officers to ensure implementation according to these plans, as submitted in this data collection instrument. Failure to collect this information would result in either a failure to make awards to eligible entities as required by law, or would necessitate award of all funds by formula, which is inconsistent with established program policy and implementation, as competitive awards have been made a part of this program's administration.

Likely Respondents: Applicants to FY16 Home Visiting Competitive Funding Opportunity Announcement.

SUPPLEMENTARY INFORMATION: Notice of this meeting is given under the *Federal Advisory Committee Act*, 5 U.S.C. Appendix. The Advisory Committee on Commercial Operations to U.S. Customs and Border Protection (COAC) provides advice to the Secretary of Homeland Security, the Secretary of the Treasury, and the Commissioner of U.S. Customs and Border Protection (CBP) on matters pertaining to the commercial operations of CBP and related functions within Department of Homeland Security and the Department of the Treasury.

Agenda

The Advisory Committee on Commercial Operations to U.S. Customs and Border Protection (COAC) will hear from the following subcommittees on

the topics listed below and then will review, deliberate, provide observations, and formulate recommendations on how to proceed on those topics:

1. The One U.S. Government Subcommittee will discuss the Automated Commercial Environment (ACE), Single Window working group recommendations and provide input on Trade Readiness and Partner Government Agencies' readiness for the upcoming November 1, 2015 ACE implementation of Single Window.

2. The Exports Subcommittee will address policy and a strategic approach regarding exports. The Option 4 and Air Manifest working groups will provide recommendations.

3. The Trade Enforcement and Revenue Collection Subcommittee will discuss the establishment of the 14th Term Antidumping and Countervailing Duty and Intellectual Property Rights working groups and provide recommendations.

4. The Trade Modernization Subcommittee will discuss operational uniformity of Centers of Excellence and Expertise (CEE) with a goal of developing recommendations for the creation of service levels for various Center activities. The subcommittee will report plans for engaging CBP on international trade agreements, simplification of CBP processes, the role of various international trade entities and the development of private and public sector trade expertise.

5. The Trusted Trader Subcommittee will start work once the Trusted Trader pilot has advanced to the implementation phase for testing CBP and Partner Government Agency trade benefits. The subcommittee will explore certifying trusted products through the supply chain.

6. The Global Supply Chain Subcommittee will discuss the feasibility, benefits and risks of using Electronic Cargo Security Devices. The subcommittee will report on long term development of recommendations regarding Customs and Border Protection's development of automation and regulations governing the commodities being moved by pipelines. Further discussion will involve the Customs-Trade Partnership Against Terrorism Program as it pertains to the ocean mode of transportation, results of various pre-inspection pilots at land ports of entry and the Air Cargo Advance Screening.

Proposed Low-Effect Habitat Conservation Plan for the Endangered Smith's Blue Butterfly for Repair of Five Bridges, Point Sur State Historic Park, Monterey County, California

AGENCY: U.S. Fish and Wildlife Service, Interior.

ACTION: Notice of availability; request for comment.

SUMMARY: We, the U.S. Fish and Wildlife Service (Service) have received an application from the Monterey District of the California Department of Parks and Recreation (CDPR, applicant) for a 10-year incidental take permit under the Endangered Species Act of 1973, as amended (Act). The proposed permit would authorize take of the federally endangered Smith's blue butterfly (*Euphilotes enoptes smithi*) incidental to otherwise lawful activities associated with the repair and reconstruction of five existing timber bridges located along the access roads to the Point Sur Light Station and Lighthouse at the Point Sur State Historic Park (PSSHP).

The Service's proposed action is the issuance of a permit to the CDPR for a low-effect habitat conservation plan (HCP) for incidental take of Smith's blue butterfly. We are requesting comments on the applicant's permit application and on our preliminary determination that the proposed HCP qualifies as a low-effect HCP, eligible for a categorical exclusion under the National Environmental Policy Act (NEPA) of 1969, as amended. The basis for this determination is discussed in the Environmental Action Statement (EAS) and the associated low-effect screening form, which are available for public review, along with the draft HCP.

DATES: Written comments should be received on or before August 10, 2015.

ADDRESSES: You may download a copy of the HCP, draft Environmental Action Statement, Low-Effect Screening Form, and related documents on the Internet at <http://www.fws.gov/ventura>, or you may request documents by U.S. mail or
