The purpose of this computer match is to identify specific individuals who receive benefits from the Department of Veterans Affairs (VA) and also receive payments pursuant to various benefit programs administered by both the Department of Health and Human Services (HHS) and the Department of Agriculture. ACF will facilitate this program on behalf of SPAAs that participate in PARIS for verification of continued eligibility for public assistance. The match will utilize VA and SPAA records.

ACF will file a report of the subject matching program with the Committee on Homeland Security and Governmental Affairs of the Senate and the Committee on Oversight and Government Reform of the House of Representatives and the Office of Information and Regulatory Affairs within the Office of Management and Budget (OMB). The dates for the matching program will be effective as indicated in “E. Inclusive Dates of the Matching Program” in this notice.

ADDITIONAL INFORMATION: Interested parties may comment on this notice by writing to the Director, Office of Financial Services, Office of Administration, 370 L’Enfant Promenade SW., Washington, DC 20047. All comments received will be available for public inspection at this address.

SUPPLEMENTARY INFORMATION: The Privacy Act of 1974, as amended by Public Law 100–503, the Computer Matching and Privacy Protection Act of 1988, (5 U.S.C. 552a), adds certain protections for individuals applying for and receiving Federal benefits. The law regulates the use of computer matching by Federal agencies when records in a system of records are matched with other Federal, State, and local government records. Federal agencies that provide or receive records in computer matching programs must:

1. Negotiate written agreements with source agencies;
2. Provide notification to applicants and beneficiaries that their records are subject to matching;
3. Verify matching results before reducing, suspending, or terminating an individual’s benefits or payments;
4. Furnish detailed reports to Congress and OMB; and
5. Establish a Data Integrity Board that must approve matching agreements.

This computer matching program meets the requirements of Public Law 100–503.

Robert Noonan,
Deputy Assistant Secretary for Administration, ACF.

To identify specific individuals who receive benefits from the VA and also receive payments pursuant to HHS and Department of Agriculture benefit programs, and to verify their continued eligibility for such benefits. Submission for OMB Review; Comment Request

Title: Low Income Home Energy Assistance Program (LIHEAP) Carryover and Reallocation Report.
OMB No.: 0970–0106.
Description: The LIHEAP statute and regulations require LIHEAP grantees to report certain information to HHS concerning funds forwarded and funds subject to reallocation. The 1994 reauthorization of the LIHEAP statute, the Human Service Amendments of 1994 (Pub. L. 103–252), requires that the Carryover and Reallocation Report for one fiscal year be submitted to HHS via the On-Line Data Collection (OLDC) system by the grantee before the allotment for the next fiscal year may be awarded.

The Administration for Children and Families is requesting no changes in the electronic collection of data with the Carryover and Reallocation Report, and the Simplified Instructions for Timely Obligations of LIHEAP Funds and Reporting Funds for Carryover and Reallocation. The form clarifies the information being requested and ensures the submission of all the required information. The form facilitates our response to numerous queries each year concerning the amounts of obligated funds. Use of the form is voluntary. Grantees have the option to use another format.
