POSTAL SERVICE**39 CFR Part 111****Domestic Competitive Products Pricing and Mailing Standards Changes**

AGENCY: Postal Service™.

ACTION: Final rule.

SUMMARY: The Postal Service is amending *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM®), to reflect changes to prices and mailing standards for competitive products.

DATES: *Effective Date:* January 17, 2016.

FOR FURTHER INFORMATION CONTACT:

Karen Key at (202) 268-7492 or Garry Rodriguez at (202) 268-7281.

SUPPLEMENTARY INFORMATION: This final rule describes new prices and product features for competitive products, by class of mail, established by the Governors of the United States Postal Service. New prices are available under Docket Number CP2016-9 on the Postal Regulatory Commission's (PRC) Web site at <http://www.prc.gov>, and also located on the Postal Explorer® Web site at <http://pe.usps.com>.

The Postal Service will revise the *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM), to reflect changes to prices and mailing standards for the following competitive products:

- Priority Mail Express®.
- Priority Mail®.
- First-Class Package Service®.
- Parcel Select®.
- Standard Post™.
- Extra Services.

- Return Services.
- Mailer Services.
- Recipient Services.

Competitive product prices and changes are identified by product as follows:

Priority Mail Express*Prices*

Overall, Priority Mail Express prices will increase 15.6 percent. Priority Mail Express will continue to offer zoned Retail, Commercial Base™, and Commercial Plus™ pricing tiers.

Retail prices will increase an average of 14.4 percent. The price for the Retail Flat Rate Envelope, Legal Flat Rate Envelope, and Padded Flat Rate Envelope will increase to \$22.95.

Commercial Base prices offer lower prices to customers who use authorized postage payment methods. Commercial Base prices will increase an average of 17.7 percent. Commercial Base pricing offers an average 10.0 percent discount off retail prices.

The Commercial Plus price category offers price incentives to large volume customers. Commercial Plus prices will increase an average of 48.2 percent. The Postal Service is proposing this increase to match Commercial Plus prices with Commercial Base prices as part of a pricing strategy with the long-term goal of eliminating the Commercial Plus price category to reflect the industry standard of publishing only one set of commercial price tables. Commercial Plus customers may be transitioned to Negotiated Service Agreements (NSAs) for additional discounts.

Priority Mail Express Flat Rate Box

The Postal Service will discontinue the use of Priority Mail Express Flat Rate Boxes as a product offering. As of January 17, 2016, Priority Mail Express Flat Boxes will be charged the applicable Priority Mail Express price based on weight and zone.

Priority Mail*Prices*

Overall, Priority Mail prices will increase 9.8 percent. Priority Mail will continue to offer zoned Retail, Commercial Base, and Commercial Plus pricing tiers.

Retail prices will increase an average of 8.6 percent. The Commercial Plus price category offers price incentives to large volume customers. Commercial Plus prices will increase an average of 13.3 percent. The Postal Service is proposing this increase to bring Commercial Plus prices within three percent of Commercial Base prices as part of a pricing strategy with the long-term goal of eliminating the Commercial Plus price category to reflect the industry standard of publishing only one set of commercial price tables. Commercial Plus customers may be transitioned to Negotiated Service Agreements (NSAs) for additional discounts.

PRS permit holders also may retrieve parcels at one or more designated return sectional center facilities (RSCFs) or designated return delivery units (RDUs). Payment for parcels returned under PRS is deducted from a separate advance deposit (postage-due) account funded through the Centralized Account Processing System (CAPS). If the Electronic Verification System (eVS) is used under 705.2.9, the marking “eVS” (or the alternative “e-VS” or “E-VS”) must appear directly below the permit number. The “Priority Mail Express,” or “Priority Mail” (or “Priority”), marking may be omitted when using USPS-

provided Priority Mail Express or Priority Mail containers. The indicia may show the mailing date, amount of postage paid, or the number of ounces for which postage is paid. The ZIP Code of the permit holder may be shown directly after the state name or in a separate inscription reading “ZIP Code 00000,” when that ZIP Code does not create uncertainty about the permit holder’s correct address or permit number. Instead of printing the city and state of mailing in the indicia, the mailer may print “Mailed From ZIP Code,” followed by the 5-digit ZIP Code assigned to the postmaster of the mailing office. The indicia may also include required price markings.
