XI. Notification

A. Unless such transaction is otherwise subject to the reporting and waiting period requirements of the Hart-Scott-Rodino Antitrust Improvements

Act of 1976, as amended, 15 U.S.C. 18a (the "HSR Act"), Defendant BBA, without providing advance notification to the Antitrust Division, shall not directly or indirectly assume a lease from, acquire assets of, or acquire interest in any entity engaged in provision of FBO Services during the term of this Final Judgment at (i) BFI; or (ii) an airport where BBA is already providing FBO Services in the United States unless (1) the assumption or acquisition is valued at less than \$20 million dollars, or (2) at least two Full-Service FBOs not involved in the transaction provide FBO Services at the airport where the assumption or acquisition will take place.

Notification shall be provided within five (5) business days of entering into a definitive assumption or acquisition agreement and at least thirty (30) calendar days prior to acquiring any such interest and shall include, beyond what may be required by the applicable instructions, the names of the principal representatives of the parties to the agreement who negotiated the agreement, any management or strategic plans discussing the proposed transaction, and a reference to this Final Judgment. Should BBA contact an airport authority formally requesting approval of a lease transfer in a transaction that would require the notification described in this Section prior to entering into a definitive acquisition agreement, BBA shall report that communication to the Division within two (2) business days, though the thirty (30) day waiting period shall not begin until the Division receives the information provided in the Notification and Report Form. If within the 30-day period after notification, representatives of the Antitrust Division make a written request for additional information, Defendants shall not consummate the proposed assumption or acquisition agreement until thirty (30) calendar days after submitting all such additional information.

C. Early termination of the waiting period in this Section may be requested, and, where appropriate, granted in the same manner as is applicable under the requirements and provisions of the HSR Act and rules promulgated thereunder. This Section shall be broadly construed

and any ambiguity or uncertainty regarding the filing of notice under this Section shall be resolved in favor of filing notice.

XII. No Reacquisition

Defendants may not reacquire, manage, or operate any part of the Divestiture Assets during the term of this Final Judgment.

XIII. Retention of Jurisdiction

This Court retains jurisdiction to enable any party to this Final Judgment to apply to this Court at any time for further orders and directions as may be necessary or appropriate to carry out or construe this Final Judgment, to modify any of its provisions, to enforce compliance, and to punish violations of its provisions.

SUPPLEMENTARY INFORMATION: This ICR seeks approval under the PRA for

revisions to the Jobs for Veterans State Grants Reports information collection. The VETS administers funds for multi-year Jobs for Veterans State Grants given to each State, the District of Columbia, Puerto Rico, the Virgin Islands, and Guam on an annual basis on a fiscal year cycle. This information collection is used to facilitate the identification of required programmatic and financial data provided by States requesting and expending funds and for monitoring the grants, making quarterly adjustments, and reporting results to Congress. The use of program-specific standard formats helps to ensure that requested data can be provided in a uniform way, reporting burdens are minimized, the impact of collection requirements on respondents are properly assessed, collection instruments are clearly understood by respondents, and the information is easily consolidated for posting in accordance with statutory requirements. Reporting instruments under this ICR are: Manager's Report on Services to Veterans and Forms VETS–201, VETS–401, VETS–402A, VETS–501, and VETS–601. This information collection has been classified as a revision, because the VETS has adopted clarifying changes submitted by users to Form VETS–201. These changes are more fully explained in the ICR. The Training and Rehabilitation for Veterans with Service Connected Disabilities Act, Job Counseling, Training, and Placement Service for Veterans Act, Employment and Training of Veterans Act, and Employment Assistance, Job Training Assistance and other Transitional Services Act authorize this information collection. See 38 U.S.C. 31, 38 U.S.C. 41, 38 U.S.C. 42, and 10 U.S.C. 1144.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1293–0009. The DOL notes that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review. New requirements would only take effect
