

that Meridian's trim kits are excluded from the scope of the *Orders* constitutes a final decision of that court that is not in harmony with the Department's Final Scope Ruling on Refrigerator Trim Kits. This notice is published in fulfillment of the publication requirements of *Timken*. Accordingly, the Department will continue the suspension of liquidation of the trim kits at issue pending expiration of the period of appeal or, if appealed, pending a final and conclusive court decision.

In accordance with the Courts instructions in *Meridian IV*, we determine that Meridian's trim kits are excluded from the scope of the *Orders* as finished goods kits.

#### Amended Final Determination

Because there is now a final court decision with respect to the Final Scope Ruling on Refrigerator Trim Kits, the Department amends its final scope ruling. The Department finds that the scope of the *Orders* does not cover the products addressed in the Final Scope Ruling on Refrigerator Trim Kits. The Department will instruct U.S. Customs and Border Protection (CBP) that the cash deposit rate will be zero percent for the refrigerator/freezer trim kits imported by Meridian. In the event that the CIT's ruling is not appealed, or if appealed, upheld by the CAFC, the Department will instruct CBP to liquidate entries of Meridian's Refrigerator Trim Kits without regard to antidumping and/or countervailing duties, and to lift suspension of liquidation of such entries.

This notice is issued and published in accordance with section 516A(c)(1) of the Act.

Dated: February 8, 2016.

#### Analysis of Comments Received

All issues raised in the case briefs are addressed in the Issues and Decision Memorandum. A list of issues raised and to which we respond in the Issues and Decision Memorandum is attached to this notice as an Appendix.

#### Changes Since the Preliminary Results

Based on a review of the record and comments received from interested parties regarding our *Preliminary Results*, we have made changes to SRF's and Jindal's calculations.<sup>4</sup> In addition, we have adjusted Jindal's reported U.S. prices to account for changes in its export subsidies in the final results of the companion countervailing duty administrative review.<sup>5</sup>

Additionally, for companies not selected for individual review, we have assigned the rate calculated for Jindal in the final results of this review, in accordance with section 735(c)(5) of the Act.

## Final Results of Review

As a result of our review, we determine the following weighted-average dumping margins exist for the period July 1, 2013, through June 30, 2014.

Producer or exporter	Weighted-average dumping margin (percent)
Jindal Poly Films Limited <sup>6</sup> ...	0.59
SRF Limited .....	0.00
Ester Industries Limited .....	0.59
Garware Polyester Ltd .....	0.59
Polyplex Corporation Limited	0.59
Vacmet .....	0.59

## Assessment Rates

Pursuant to section 751(a)(2)(C) of the Act and 19 CFR 351.212(b)(1), the Department determined, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries of subject merchandise, in accordance with the final results of this review. The Department will issue assessment instructions to CBP 15 days after the date of publication of the final results of review. We will instruct CBP to liquidate entries of merchandise produced and/or exported by the aforementioned companies. The Department will calculate importer-specific assessment rates for Jindal. Where the respondent reported the entered value for its sales, the Department calculates importer-specific *ad valorem* assessment rates based on the ratio of the total amount of dumping calculated for the examined sales to the total entered value of those same sales.<sup>7</sup> However, where the respondent did not report the entered value for its sales, the Department calculates importer-specific per-unit duty assessment rates. We will instruct CBP to apply an *ad valorem* assessment rate as indicated above to all entries of subject merchandise during the POR which were produced and/or exported by the four non-selected companies Ester Industries Limited, Garware Polyester Ltd, Polyplex Corporation Limited, and Vacmet. Pursuant to 19 CFR 351.106(c)(2), we will instruct CBP to liquidate without regard to antidumping duties any entries produced and/or exported by SRF during the POR.<sup>8</sup>

<sup>6</sup> The Initiation Notice lists the company as Jindal Poly Films Limited of India.

<sup>7</sup> See 19 CFR 351.212(b).

<sup>8</sup> See 19 CFR 351.106(c)(1).

## Cash Deposit Requirements

The following deposit requirements will be effective for all shipments of PET Film from India entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this administrative review, as provided for by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for the company under review will be equal to the weighted-average dumping margin established in the final results of this review (except, if the rate is *de minimis*, *i.e.*, less than 0.5 percent, then the cash deposit rate will be zero); (2) for previously reviewed or investigated companies not listed above, the cash deposit rate will continue to be the company-specific rate published in the completed segment for the most recent period for that company; (3) if the exporter is not a firm covered in this review, a prior review, or the less-than-fair-value investigation, but the manufacturer is, the cash deposit rate will be the rate established in the completed segment for the most recent period for the manufacturer of the merchandise; and (4) if neither the exporter nor the manufacturer is a firm covered in this or any other completed segment of this proceeding, then the cash deposit rate will be the all others rate for this proceeding, 5.71 percent. These deposit requirements, when imposed, shall remain in effect until further notice.

## Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

## Notifications to Interested Parties

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

The Department is issuing and publishing these final results of administrative review in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: February 8, 2016.
