Estimated Total Annual Non-hour Respondent Cost Burden: $3,436. There are no capital start-up, maintenance, or recordkeeping costs associated with this information collection. However, this collection does have annual (non-hour) costs in the form of filing fees and postage costs.

Filing Fees
This collection has filing fees associated with the petition to waive or suspend the legal process rules under 37 CFR 104.3. The USPTO estimates that 5 petitions will be filed per year with a fee of $130, for a total fee cost of $650. There are no other fees associated with this information collection.

Postage Costs
Customers may incur postage costs when submitting the information in this collection to the USPTO by mail. The USPTO estimates that the average first-class postage for a mailed submission, other than a Service of Process, will be $0.94 and that up to 56 of these submissions will be mailed to the USPTO per year, for a postage cost of $52.64. The USPTO estimates that the average postage for a Service of Process will be $11.35 and that up to 243 of these submissions will be mailed to the USPTO per year, for a postage cost of $2,758.05. The estimated postage cost for this collection is $2,810.69 per year.

Therefore, the total annual (non-hour) respondent cost burden for this collection, in the form of filing fees ($650.00) and postage costs ($2,810.69), is estimated to be approximately $3,460.69 per year.

IV. Request for Comments
Comments are invited on:
(a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility;
(b) the accuracy of the agency’s estimate of the burden (including hours and cost) of the proposed collection of information, including the validity of the methodology and assumptions used;
(c) ways to enhance the quality, utility, and clarity of the information to be collected; and
(d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Comments submitted in response to this notice will be summarized or included in the request for OMB approval of this information collection; they will also become a matter of public record.

DEPARTMENT OF EDUCATION
Applications for New Awards; Promoting Student Resilience

AGENCY: Office of Elementary and Secondary Education, Department of Education.

ACTION: Notice.

Overview Information: Promoting Student Resilience
Notice inviting applications for new awards for fiscal year (FY) 2016.

Catalog of Federal Domestic Assistance (CFDA) Number: 84.184C.

DATES:

Full Text of Announcement
I. Funding Opportunity Description

Purpose of Program: The Promoting Student Resilience program provides grants to local educational agencies (LEAs) (or consortia of LEAs) to build and increase their capacity to address the comprehensive behavioral and mental health needs of students in communities that have experienced Significant civil unrest 1 in the past 24 months.

Background: Recent events have demonstrated that incidents involving civil unrest can disrupt schools and adversely impact the learning environment. These experiences can traumatize students, and this trauma can have lasting adverse effects on the mental, social, and emotional well-being of children and youth. The communities that are directly impacted by Significant civil unrest often have a long history of poverty, neglect, and inequality, and students in these communities often face barriers to accessing social and health services. It is widely recognized that there may also be a history of tension in the relationships between members of the community and agents of the public sector that deters efforts to seek such services.

According to the Substance Abuse and Mental Health Services Administration (SAMHSA), trauma results from an event or a series of events, or a set of circumstances that is perceived by an individual as physically or emotionally harmful or life threatening and that has lasting adverse effects on the individual’s mental, social, or emotional well-being.2

1 Defined terms are used throughout the notice and are indicated by capitalization.

2 Substance Abuse and Mental Health Services Administration, SAMHSA’s Concept of Trauma and Guidance for a Trauma-Informed Approach. HHS Publication No. (SMA) 14–4884. Rockville, MD: Substance Abuse and Mental Health Services Administration, 2014.
Priorities: This notice contains one absolute priority and two competitive preference priorities. We are establishing these priorities for the FY 2016 grant competition and any subsequent year in which we make awards from the list of unfunded applications from this competition, in accordance with section 437(d)(1) of the General Education Provisions Act (GEPA), 20 U.S.C. 1232(d)(1).

Absolute Priority: This priority is an absolute priority. Under 34 CFR 75.105(c)(3) we consider only applications that meet this priority.

This priority is:

Grants to Local Educational Agencies (LEAs) to Provide School-Based Supports to Address the Behavioral and Mental Health Needs of Students in Communities That Have Experienced Significant Civil Unrest.

Under this priority, we provide grants to LEAs (or consortia of LEAs) in communities that have experienced Significant civil unrest to expand the capacity of those LEAs to more effectively address the behavioral and mental health needs of affected students in those communities. An increased capacity of enhanced social and emotional supports, combined with other school-based strategies, will offer schools an opportunity to create, strengthen, and maintain safe and supportive learning environments. These projects must:

(a) Expand the capacity of the LEA(s) to more effectively address the behavioral and mental health needs of students;

(b) Provide increased access for students to school-based counseling services, or referrals to community-based counseling services, for assistance in coping with trauma.

Competitive Preference Priorities: These priorities are competitive preference priorities. Under 34 CFR 75.105(c)(2)(1) we award up to an additional 10 points to an application that meets Competitive Preference Priority 1, depending on how well the application meets this priority. We also award an additional 5 points to an application that meets Competitive Preference Priority 2. Therefore, the maximum number of competitive preference priority points that an application can receive under this competition is 15 points.

These priorities are:

Competitive Preference Priority 1—Coordination with Community-Based Organizations.

Under this priority, we provide up to an additional 10 points to an applicant based on the application’s description of a credible, high-quality plan to coordinate activities that would be funded under the proposed project with related activities that would be conducted under other programs for which the applicant currently has, or is seeking, funding, including, but not limited to, the Substance Abuse and Mental Health Service Administration’s Resiliency in Communities After Stress and Trauma grant program (CFDA 93.243). The coordination plan must include: (1) A description of how the applicant will coordinate with Community-based organizations with experience carrying out similar or related activities to promote student resilience; and (2) evidence of collaboration and coordination through letters of support or a memorandum of understanding from the entities with which the collaboration and coordination will occur. Applicants that receive additional competitive preference points under this priority and who are ultimately awarded a Promoting Student Resilience grant must finalize and implement the high-quality plan described in response to this priority within six months of the grant award.

Competitive Preference Priority 2—Emergency Declaration Status.

Under this priority, we provide an additional 5 points to an applicant from a community in which Significant civil unrest resulted in an emergency declaration from the governor. Applicants must provide a copy of the Governor’s declaration in the application.

Application Requirements: We are establishing these requirements for the FY 2016 grant competition and any subsequent year in which we make awards from the list of unfunded applications from this competition, in accordance with section 437(d)(1) of the General Education Provisions Act (GEPA), 20 U.S.C. 1232(d)(1). To be eligible for a grant under this competition, an application must include, in addition to the items in the plan listed under Program Requirements, the following:

(a) A description of Significant civil unrest experienced by the LEA(s) and its impact on the learning environment in specific schools;

(b) A Logic model for how the applicant will use grant funds effectively;

(c) A needs assessment of students who, as a result of exposure to Significant civil unrest, would benefit from enhanced or increased behavioral and mental health services. This needs assessment must include input from parents;

(d) A capacity assessment of the LEA’s, or LEAs’, service delivery system’s ability to provide mental and behavioral health services; and

(e) A plan to successfully meet the program requirements for this competition, based on data from the needs assessment and the capacity assessment.

Program Requirements: We are establishing these requirements for the FY 2016 grant competition and any subsequent year in which we make awards from the list of unfunded applications from this competition, in accordance with section 437(d)(1) of the General Education Provisions Act (GEPA), 20 U.S.C. 1232(d)(1).

Each grantee must implement a plan described in its approved application to:

(a) Develop, enhance and increase its capacity to provide school-based mental health and behavioral services including, but not limited to:

(1) Providing professional development opportunities for LEA and school mental health staff on how to screen for and respond to civil unrest-related trauma and implement strategies appropriate for school-based mitigation of trauma;

(2) Improving the range, availability, and quality of school-based supports by hiring qualified mental health professionals with experience or training in the behavioral and mental health needs of youth who have experienced trauma related to recent events in their communities; and

(3) Providing training to select school staff, community partners, youth, and parents on the challenges due to exposure to the trauma related to recent events in their communities, and on the importance of screening students and providing interventions to help students cope with traumatic events; and

(b) Providing enhanced or increased behavioral and mental health services and supports while also increasing the grantee’s capacity to provide those services and supports.

Definitions: We are establishing the definition of “significant civil unrest” and “community-based organization” in this notice for the FY 2016 grant competition and any subsequent year in which we make awards from the list of unfunded applications from this competition, in accordance with section 437(d)(1) of GEPA, 20 U.S.C. 1232(d)(1). The definition of “local educational agency” is from section 9101(26) of the Elementary and Secondary Education Act of 1965 (ESEA), as amended by the No Child Left Behind Act of 2001 (NCLB) [20 U.S.C. 7201(26)]. The definitions of “baseline,” “evidence of promise,” “logic model,” “quasi-
experimental design study,” “randomized controlled trial,” and “relevant outcome” are from 34 CFR 77.1.

Baseline means the starting point from which performance is measured and targets are set.

Community-based organization means a private or public nonprofit organization of demonstrated effectiveness that:

(1) Is representative of a community or significant segments of a community;
(2) Provides educational or related services to individuals in the community; and
(3) Has experience carrying out activities promoting student resilience.

Evidence of promise means there is empirical evidence to support the theoretical linkage(s) between at least one critical component and at least one relevant outcome presented in the logic model for the proposed process, product, strategy, or practice. Specifically, evidence of promise means the conditions in both paragraphs (i) and (ii) of this definition are met:

(i) There is at least one study that is a—
   (A) Correlational study with statistical controls for selection bias;
   (B) Quasi-experimental design study that meets the What Works Clearinghouse Evidence Standards with reservations; or
   (C) Randomized controlled trial that meets the What Works Clearinghouse Evidence Standards with or without reservations.

(ii) The study referenced in paragraph (i) of this definition found a statistically significant or substantively important (defined as a difference of 0.25 standard deviations or larger) favorable association between at least one critical component and one relevant outcome presented in the logic model for the proposed process, product, strategy, or practice.

Local educational agency (LEA) means:

(1) A public board of education or other public authority legally constituted within a State for either administrative control or direction of, or to perform a service function for, public elementary schools or secondary schools in a city, county, township, school district, or other political subdivision of a State, or of or for a combination of school districts or counties that is recognized in a State as an administrative agency for its public elementary schools or secondary schools.

(2) The term includes any other public institution or agency having administrative control and direction of a public elementary school or secondary school.

(3) The term includes an elementary school or secondary school funded by the Bureau of Indian Affairs but only to the extent that including the school makes the school eligible for programs for which specific eligibility is not provided to the school in another provision of law and the school does not have a student population that is smaller than the student population of the local educational agency receiving assistance under the ESEA with the smallest student population, except that the school shall not be subject to the jurisdiction of any State educational agency other than the Bureau of Indian Affairs.

(4) The term includes educational service agencies and consortia of those agencies.

(5) The term includes the State educational agency in a State in which the State educational agency is the sole educational agency for all public schools.

Logic model (also referred to as theory of action) means a well-specified conceptual framework that identifies key components of the proposed process, product, strategy, or practice (i.e., the active “ingredients” that are hypothesized to be critical to achieving the relevant outcome(s)) and describes the relationships among the key components and outcomes, theoretically and operationally.

Randomized controlled trial means a study using a design that attempts to approximate an experimental design by identifying a comparison group that is similar to the treatment group in important respects. These studies, depending on design and implementation, can meet What Works Clearinghouse Evidence Standards with reservations (but not What Works Clearinghouse Evidence Standards without reservations).

Waiver of Proposed Rulemaking: Under the Administrative Procedure Act (5 U.S.C. 553) the Department generally offers interested parties the opportunity to comment on proposed priorities, definitions, and requirements. Section 437(d)(1) of GEPA, however, allows the Secretary to exempt from rulemaking requirements, regulations governing the first grant competition under a new or substantially revised program authority. This is the first grant competition for this program under section 4121 of the Elementary and Secondary Education Act as amended by the No Child Left Behind Act of 2001 and therefore qualifies for this exemption. In order to ensure timely grant awards, the Secretary has decided to forego public comment on the priorities, requirements, and definitions under section 437(d)(1) of GEPA. These priorities, requirements, and definitions will apply to the FY 2016 grant competition and any subsequent year in which we make awards from the list of unfunded applications from this competition.

Applicable Regulations: (a) The Education Department General Administrative Regulations (EDGAR) in 34 CFR parts 75, 77, 79, 81, 82, 84, 97, 98, and 99. (b) The Office of Management and Budget (OMB) Guidelines to Agencies on Governmentwide Debarment and Suspension (Nonprocurement) in 2 CFR part 180, as adopted and amended as regulations of the Department in 2 CFR part 3485. (c) The Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards in 2 CFR part 200, as adopted and amended as regulations of the Department in 2 CFR part 3474. (d) The regulations in 34 CFR part 299.

Note: The regulations in 34 CFR part 79 apply to all applicants except federally recognized Indian tribes.

II. Award Information

Type of Award: Discretionary grants.

Estimated Available Funds: $4,750,000.

Contingent upon the availability of funds and the quality of applications, we may make additional awards in FY 2017 from the list of unfunded applications from this competition.
Estimated Range of Awards: $1,187,500–$2,375,000.$1,500,000.
Estimated Average Size of Awards:
Maximum Award: We will not fund any portion of a budget request exceeding $2,375,000 for a budget period of 24 months. The Assistant Secretary for Elementary and Secondary Education may change the maximum amount through a notice published in the Federal Register.
Estimated Number of Awards: 2–4.
Note: The Department is not bound by any estimates in this notice.
Project Period: Up to 24 months.

III. Eligibility Information
1. Eligible Applicants: LEAs, or consortia of LEAs, from a community that has experienced Significant Social Unrest.
2. Cost Sharing or Matching: This program does not require cost sharing or matching.
3. Other: Participation by Private School Children and Teachers. Section 9501 of the ESEA requires that SEAs, LEAs, or other entities receiving funds under the Safe and Drug-Free Schools and Communities Act provide for the equitable participation of private school children, their teachers, and other educational personnel in private schools located in geographic areas served by the grant recipient.

In order to ensure that grant program activities address the needs of private school children, the applicant must engage in timely and meaningful consultation with appropriate private school officials during the design and development of the proposed program. This consultation must take place before the applicant makes any decision that affects the opportunities of eligible private school children, teachers, and other educational personnel to participate in grant program activities. The eligible entity should engage in a process of timely and meaningful consultation with appropriate private school officials during the design and development of the proposed program.

IV. Application and Submission Information
1. Address to Request Application Package: You can obtain an application package via the Internet, or from the Education Publications Center (ED Pubs). To obtain a copy via the Internet, use the following address: www.ed.gov/fund/grant/apply/grantapps/index.html. To obtain a copy from ED Pubs, write, fax, or call: ED Pubs, U.S. Department of Education, P.O. Box 22207, Alexandria, VA 22304. Telephone, toll free: 1–877–433–7827. Fax: (703) 605–6794. If you use a telecommunications device for the deaf (TDD) or a text telephone (TTY), call, toll free: 1–877–576–7734.

You can contact ED Pubs at its Web site, also: www.edpubs.gov or at its email address: edpubs@inet.ed.gov.
If you request an application package from ED Pubs, be sure to identify this program or competition as follows: CFDA number 84.184C.

Individuals with disabilities can obtain a copy of the application package in an accessible format (e.g., braille, large print, audiotape, or compact disc) by contacting the person or team listed under Accessible Format in section VIII of this notice.
2. Content and Form of Application Submission: Requirements concerning the content of an application, together with the forms you must submit, are in the application package for this program.

Page Limit: The application narrative is where you, the applicant, provide the project narrative to address the selection criteria that reviewers use to evaluate your application. The required budget and budget narrative will be provided in a separate section. You must limit the application narrative to the equivalent of no more than 30 pages, using the following standards:
• A “page” is 8.5” x 11”, on one side only, with 1” margins at the top, bottom, and both sides.
• Double space (no more than three lines per vertical inch) all text in the application narrative, including titles, headings, footnotes, quotations, references, and captions, as well as all text in charts, tables, figures, and graphs.
• Use a font that is either 12 point or larger or no smaller than 10 pitch (characters per inch).
• Use one of the following fonts: Times New Roman, Courier, Courier New, or Arial.

The page limit does not apply to the cover sheet; the budget section, including the narrative budget justification; the assurances and certifications; or the one-page abstract, the resumes, the bibliography, or the letters of support. However, the page limit does apply to all of the application narrative section.

Our reviewers will not read any pages of your application that exceed the page limit.

Applications for grants under this program must be submitted electronically using the Grants.gov Apply site (Grants.gov). For information (including dates and times) about how to submit your application electronically, or in paper format by mail or hand delivery if you qualify for an exception to the electronic submission requirement, please refer to Other Submission Requirements in section IV of this notice.

We do not consider an application that does not comply with the deadline requirements.

Individuals with disabilities who need an accommodation or auxiliary aid in connection with the application process should contact the person listed under FOR FURTHER INFORMATION CONTACT in section VII of this notice. If the Department provides an accommodation or auxiliary aid to an individual with a disability in connection with the application process, the individual’s application remains subject to all other requirements and limitations in this notice.
4. Intergovernmental Review: This program is subject to Executive Order 12372 and the regulations in 34 CFR part 79. However, under 34 CFR 79.8(a), we waive intergovernmental review in order to make awards by the end of FY 2016.
5. Funding Restrictions: We reference regulations outlining funding restrictions in the Applicable Regulations section of this notice.
6. Data Universal Numbering System Number, Taxpayer Identification Number, and System for Award Management: To do business with the Department of Education, you must—
a. Have a Data Universal Numbering System (DUNS) number and a Taxpayer Identification Number (TIN); b. Register both your DUNS number and TIN with the System for Award Management (SAM) (formerly the Central Contractor Registry), the Government’s primary registral database;
c. Provide your DUNS number and TIN on your application; and d. Maintain an active SAM registration with current information while your application is under review by the Department and, if you are awarded a grant, during the project period.

You can obtain a DUNS number from Dun and Bradstreet at the following Web site: http://fedgov.dnb.com/
webform. A DUNS number can be created within one to two business days. If you are a corporate entity, agency, institution, or organization, you can obtain a TIN from the Internal Revenue Service. If you are an individual, you can obtain a TIN from the Internal Revenue Service or the Social Security Administration. If you need a new TIN, please allow two to five weeks for your TIN to become active.

The SAM registration process can take approximately seven business days, but may take upwards of several weeks, depending on the completeness and accuracy of the data you enter into the SAM database. Thus, if you think you might want to apply for Federal financial assistance under a program administered by the Department, please allow sufficient time to obtain and register your DUNS number and TIN. We strongly recommend that you register early.

**Note:** Once your SAM registration is active, it may be 24 to 48 hours before you can access the information in, and submit an application through, Grants.gov.

If you are currently registered with SAM, you may not need to make any changes. However, please make certain that the TIN associated with your DUNS number is correct. Also note that you will need to update your registration annually. This may take three or more business days.

Information about SAM is available at www.SAM.gov. To further assist you with obtaining and registering your DUNS number and TIN in SAM or updating your existing SAM account, we have prepared a SAM.gov Tip Sheet, which you can find at: http://www2.ed.gov/fund/grant/apply/sam-faqs.html.

In addition, if you are submitting your application via Grants.gov, you must (1) be designated by your organization as an Authorized Organization Representative (AOR); and (2) register yourself with Grants.gov as an AOR. Details on these steps are outlined at the following Grants.gov Web page: www.grants.gov/web/grants/register.html.

**7. Other Submission Requirements:** Applications for grants under this competition must be submitted electronically unless you qualify for an exception to this requirement in accordance with the instructions in this section.

**a. Electronic Submission of Applications.**

Applications for grants under the Promoting Student Resilience Program, CFDA number 84.184C, must be submitted electronically using the Governmentwide Grants.gov Apply site at www.Grants.gov. Through this site, you will be able to download a copy of the application package, complete it offline, and then upload and submit your application. You may not email an electronic copy of a grant application to us.

We will reject your application if you submit it in paper format unless, as described elsewhere in this section, you qualify for one of the exceptions to the electronic submission requirement and submit, no later than two weeks before the application deadline date, a written statement to the Department that you qualify for one of these exceptions. Further information regarding calculation of the date that is two weeks before the application deadline date is provided later in this section under Exception to Electronic Submission Requirement.

You may access the electronic grant application for the Promoting Student Resilience Program at www.Grants.gov. You must search for the downloadable application package for this program by the CFDA number. Do not include the CFDA number’s alpha suffix in your search (e.g., search for 84.184, not 84.184C).

Please note the following:

- When you enter the Grants.gov site, you will find information about submitting an application electronically through the site, as well as the hours of operation.
- Applications received by Grants.gov are date and time stamped. Your application must be fully uploaded and submitted and must be date and time stamped by the Grants.gov system no later than 4:30:00 p.m., Washington, DC time, on the application deadline date. Except as otherwise noted in this section, we will not accept your application if it is received—that is, date and time stamped by the Grants.gov system—after 4:30:00 p.m., Washington, DC time, on the application deadline date. We do not consider an application that does not comply with the deadline requirements. When we retrieve your application from Grants.gov, we will notify you if we are rejecting your application because it was date and time stamped by the Grants.gov system after 4:30:00 p.m., Washington, DC time, on the application deadline date.
- The amount of time it can take to upload an application will vary depending on a variety of factors, including the size of the application and the speed of your Internet connection. Therefore, we strongly recommend that you do not wait until the application deadline date to begin the submission process through Grants.gov.

- You should review and follow the Education Submission Procedures for submitting an application through Grants.gov that are included in the application package for this program to ensure that you submit your application in a timely manner to the Grants.gov system. You can also find the Education Submission Procedures pertaining to Grants.gov under News and Events on the Department’s G5 system home page at www.G5.gov. In addition, for specific guidance and procedures for submitting an application through Grants.gov, please refer to the Grants.gov Web site at: www.grants.gov/web/grants/applicants/apply-for-grants.html.

- You will not receive additional point value because you submit your application in electronic format, nor will we penalize you if you qualify for an exception to the electronic submission requirement, as described elsewhere in this section, and submit your application in paper format.

- You must submit all documents electronically, including any documentation you typically provide on the following forms: The Application for Federal Assistance (SF 424), the Department of Education Supplemental Information for SF 424, Budget Information—Non-Construction Programs (ED 524), and all necessary assurances and certifications.

- You must upload any narrative sections and all other attachments to your application as files in a read-only, non-modifiable Portable Document Format (PDF). Do not upload an interactive or fillable PDF file. If you upload a file type other than a read-only, non-modifiable PDF (e.g., Word, Excel, WordPerfect, etc.) or submit a password-protected file, we will not review that material. Please note that this could result in your application not being considered for funding because the material in question—for example, the project narrative—is critical to a meaningful review of your proposal. For that reason it is important to allow yourself adequate time to upload all material as PDF files. The Department will not convert material from other formats to PDF.

- Your electronic application must comply with any page-limit requirements described in this notice.

- After you electronically submit your application, you will receive from Grants.gov an automatic notification of receipt that contains a Grants.gov tracking number. This notification indicates receipt by Grants.gov only, not receipt by the Department. Grants.gov will also notify you automatically by email if your application met all the Grants.gov validation requirements or if there were any errors (such as
submission of your application by someone other than a registered Authorized Organization Representative, or inclusion of an attachment with a file name that contains special characters). You will be given an opportunity to correct any errors and resubmit, but you must still meet the deadline for submission of applications.

Once your application is successfully validated by Grants.gov, the Department will retrieve your application from Grants.gov and send you an email with a unique PR/Award number for your application.

These emails do not mean that your application is without any disqualifying errors. While your application may have been successfully validated by Grants.gov, it must also meet the Department’s application requirements as specified in this notice and in the application instructions. Disqualifying errors could include, for instance, failure to upload attachments in a readable format, non-modifiable PDF; failure to submit a required part of the application; or failure to meet applicant eligibility requirements. It is your responsibility to ensure that your submitted application has met all of the Department’s requirements.

We may request that you provide us original signatures on forms at a later date.

Application Deadline Date Extension in Case of Technical Issues with the Grants.gov System: If you are experiencing problems submitting your application through Grants.gov, please contact the Grants.gov Support Desk, toll free, at 1–800–518–4726. You must obtain a Grants.gov Support Desk Case Number and must keep a record of it.

If you are prevented from electronically submitting your application on the application deadline date because of technical problems with the Grants.gov system, we will grant you an extension until 4:30:00 p.m., Washington, DC time, the following business day to enable you to transmit your application electronically or by hand delivery. You also may mail your application by following the mailing instructions described elsewhere in this notice.

If you submit an application after 4:30:00 p.m., Washington, DC time, on the application deadline date, please contact the person listed under FURTHER INFORMATION CONTACT in section VII of this notice and provide an explanation of the technical problem you experienced with Grants.gov, along with the Grants.gov Support Desk Case Number. We will accept your application if we can confirm that a technical problem occurred with the Grants.gov system and that the problem affected your ability to submit your application by 4:30:00 p.m., Washington, DC time, on the application deadline date. We will contact you after we determine whether your application will be accepted.

Note: The extensions to which we refer in this section apply only to the unavailability of, or technical problems with, the Grants.gov system. We will not grant you an extension if you failed to fully register to submit your application to Grants.gov before the application deadline date and time or if the technical problem you experienced is unrelated to the Grants.gov system.

Exception to Electronic Submission Requirement: You qualify for an exception to the electronic submission requirement, and may submit your application in paper format, if you are unable to submit an application through the Grants.gov system because—

- You do not have access to the Internet; or
- You do not have the capacity to upload large documents to the Grants.gov system; and
- No later than two weeks before the application deadline date (14 calendar days or, if the fourteenth calendar day before the application deadline date falls on a Federal holiday, the next business day following the Federal holiday), you mail or fax a written statement to the Department, explaining which of the two grounds for an exception prevents you from using the Internet to submit your application.

If you mail your written statement to the Department, it must be postmarked no later than two weeks before the application deadline date. If you fax your written statement to the Department, we must receive the faxed statement no later than two weeks before the application deadline date. Address and mail or fax your statement to: Deirdra Hilliard, U.S. Department of Education, 400 Maryland Avenue SW., Room 3E–249, Washington, DC 20202–6450. FAX: (202) 453–6861.

Your paper application must be submitted in accordance with the mail or hand-delivery instructions described in this notice.

b. Submission of Paper Applications by Mail.

If you qualify for an exception to the electronic submission requirement, you may mail (through the U.S. Postal Service or a commercial carrier) your application to the Department. You must mail the original and two copies of your application, on or before the application deadline date, to the Department at the following address:

U.S. Department of Education
Application Control Center, Attention: (CFDA Number 84.184C), LBJ Basement Level 1, 400 Maryland Avenue SW., Washington, DC 20202–4260.

You must show proof of mailing consisting of one of the following:

1. A legibly dated U.S. Postal Service postmark.
2. A legible mail receipt with the date of mailing stamped by the U.S. Postal Service.
3. A dated shipping label, invoice, or receipt from a commercial carrier.
4. Any other proof of mailing acceptable to the Secretary of the U.S. Department of Education.

If you mail your application through the U.S. Postal Service, we do not accept either of the following as proof of mailing:

1. A private metered postmark.
2. A mail receipt that is not dated by the U.S. Postal Service.

Note: The U.S. Postal Service does not uniformly provide a dated postmark. Before relying on this method, you should check with your local post office.

We will not consider applications postmarked after the application deadline date.

c. Submission of Paper Applications by Hand Delivery.

If you qualify for an exception to the electronic submission requirement, you (or a courier service) may deliver your paper application to the Department by hand. You must deliver the original and two copies of your application by hand, on or before the application deadline date, to the Department at the following address: U.S. Department of Education, Application Control Center, Attention: (CFDA Number 84.184C), 550 12th Street SW., Room 7039, Potomac Center Plaza, Washington, DC 20202–4260.

The Application Control Center accepts hand deliveries daily between 8:00 a.m. and 4:30:00 p.m., Washington, DC time, except Saturdays, Sundays, and Federal holidays.

Note for Mail or Hand Delivery of Paper Applications: If you mail or hand deliver your application to the Department—

1. You must indicate on the envelope and—if not provided by the Department—in Item 11 of the SF 424 the CFDA number, including suffix letter, if any, of the competition under which you are submitting your application; and
2. The Application Control Center will mail to you a notification of receipt of your grant application. If you do not receive this notification within 15 business days from the application deadline date, you should call the U.S. Department of Education Application Control Center at (202) 245–6828.

V. Application Review Information

1. Selection Criteria: The selection criteria for this program are from 34 CFR
organizations providing services to the community, State, and Federal programs or policies supported by defined in 34 CFR 77.1(c)), using relevant training and experience, of key project personnel. (5 points)

4. Quality of the Management Plan. (15 points)

The Secretary considers the quality of the management plan for the proposed project. In determining the adequacy of the management plan to achieve the objectives of the proposed project, the Secretary considers the following factor:

(a) The adequacy of the management plan for accomplishing project tasks. (15 points)

5. Quality of the Project Evaluation. (10 points)

The Secretary considers the quality of the project evaluation to be conducted of the proposed project. In determining the quality of the evaluation of the proposed project, the Secretary considers the following factor:

(a) The extent to which the methods of evaluation are thorough, feasible, and appropriate to the goals, objectives, and outcomes of the proposed project. (10 points)

2. Review and Selection Process: We remind potential applicants that in reviewing applications in any discretionary grant competition, the Secretary may consider, under 34 CFR 75.217(d)(3), the past performance of the applicant in carrying out a previous award, such as the applicant’s use of funds, achievement of project objectives, and compliance with grant conditions. The Secretary may also consider whether the applicant failed to submit a timely performance report or submitted a report of unacceptable quality.

In addition, in making a competitive grant award, the Secretary requires various assurances, including those applicable to Federal civil rights laws that prohibit discrimination in programs or activities receiving Federal financial assistance from the Department of Education (34 CFR 100.4, 104.5, 106.4, 108.8, and 110.23).

3. Risk Assessment and Special Conditions: Consistent with 2 CFR 200.205, before awarding grants under this program the Department conducts a review of the risks posed by applicants. Under 2 CFR 3474.10, the Secretary may impose special conditions and, in appropriate circumstances, high-risk conditions on a grant if the applicant or grantee is not financially stable; has a history of unsatisfactory performance; has a financial or other management system that does not meet the standards in 2 CFR part 200, subpart D; has not fulfilled the conditions of a prior grant; or is otherwise not responsible.

VI. Award Administration Information

1. Award Notices: If your application is successful, we notify your U.S. Representatives and U.S. Senators and send you a Grant Award Notification (GAN); or we may send you an email containing a link to access an electronic version of your GAN. We may notify you informally, also.

If your application is not evaluated or not selected for funding, we notify you.

2. Administrative and National Policy Requirements: We identify administrative and national policy requirements in the application package and reference these and other requirements in the Applicable Regulations section of this notice.

We reference the regulations outlining the terms and conditions of an award in the Applicable Regulations section of this notice and include these and other specific conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitments under the grant.

3. Reporting: (a) If you apply for a grant under this competition, you must ensure that you have in place the necessary processes and systems to comply with the reporting requirements in 2 CFR part 170 should you receive funding under the competition. This does not apply if you have an exception under 2 CFR 170.110(b).

(b) At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. If you receive a multiyear award, you must submit an annual performance report that provides the most current performance and financial expenditure information as directed by the Secretary under 34 CFR 75.711. The Secretary may also require more frequent performance reports under 34 CFR.

DEPARTMENT OF ENERGY

[FE Docket No. 16–34–LNG]

Cameron LNG, LLC; Application for Blanket Authorization To Export Liquefied Natural Gas to Non-Free Trade Agreement Nations on a Short-Term Basis

AGENCY: Office of Fossil Energy, DOE.

ACTION: Notice of application.

SUMMARY: The Office of Fossil Energy (FE) of the Department of Energy (DOE) gives notice of receipt of an application (Application), filed on February 19, 2016, by Cameron LNG, LLC (Cameron LNG), requesting blanket authorization to export liquefied natural gas (LNG) in an amount up to the equivalent of 254 billion cubic feet (Bcf) of natural gas on a cumulative basis over a two-year period effective as of the commencement of export of commissioning volumes, estimated to be the fourth quarter of 2017, but no later than six months thereafter.¹ The LNG would be exported from the Cameron Terminal located in Cameron and Calcasieu Parishes, Louisiana to any country with the capacity to import LNG in ocean-going carriers and with which trade is not prohibited by U.S. law or policy, including both countries with which the United States has entered into a free trade agreement providing for national treatment for trade in natural gas (FTA countries) and other countries (non-FTA countries).

To date, Cameron LNG has been granted 5 long-term, multi-contract authorizations from DOE/FE: (1) Order No. 3059 to export LNG in a volume equivalent to 620 Bcf per year of natural gas from the Cameron Terminal to FTA countries, for a 20-year term; (2) Order No. 3391–A to export LNG in a volume equivalent to 620 Bcf per year of natural gas from the Cameron Terminal to non-FTA countries, for a 20-year term; ² (3) Order No. 3620 to export LNG in a volume equivalent to 152 Bcf per year of natural gas from the Cameron Terminal to FTA countries, for a 20-year term; (4) Order No. 3797 to export LNG in a volume equivalent to 152 Bcf per year of natural gas from the Cameron Terminal to non-FTA countries, for a 20-year term; ³ (5) Order No. 3680 to export LNG in a volume equivalent to 515 Bcf per year of natural gas from the Cameron Terminal to FTA countries, for a 20-year term. Cameron LNG also has submitted a pending application in DOE/FE Docket No. 15–90–LNG to export LNG in a volume equivalent to 515 Bcf per year of natural gas from the Cameron Terminal to non-FTA countries, for a 20-year term. The volume in Cameron LNG’s pending application is not additive to the volume authorized in DOE/FE Order Nos. 3680.

Cameron LNG states that, in anticipation of the start of liquefaction operations at the Cameron Terminal, it requests this blanket authorization to engage in short-term exports of LNG produced before the commencement of long-term commercial exports of domestically sourced LNG as approved in DOE/FE Order Nos. 3059, 3391–A, 3620, 3680, and 3797.⁴ Cameron LNG seeks to export this LNG on its own
