DENIED

16495–N Request by TransRail Innovation Inc. Calgary, May 06, 2016. To authorize the manufacture, installation, and service trials of 50 rail tank cars containing Class 3 hazardous materials each with a sensor device mounted to the rail tank car prior to, or in conjunction with, the completion of a quality assurance program for the tank car facility.

The OFR will also make such statements available for public inspection and copying in the Department of the Treasury’s library, Annex Room 1020, 1500 Pennsylvania Avenue NW., Washington, DC 20220 on official business days between the hours of 8:30 a.m. and 5:30 p.m. Eastern Time. You may make an appointment to inspect statements by telephoning (202) 622-0990. All statements, including attachments and other supporting materials, will be part of the public record and subject to public disclosure. You should submit only information that you wish to make available publicly.

Tentative Agenda/Topics for Discussion: The Committee provides an opportunity for researchers, industry leaders, and other qualified individuals to offer their advice and recommendations to the OFR, which, among other things, is responsible for collecting and standardizing data on financial institutions and their activities and for supporting the work of Financial Stability Oversight Council.

This is the eighth meeting of the Financial Research Advisory Committee. Topics to be discussed among all members will include the OFR’s Money Market Fund Monitor, OFR research agendas and data projects. For more information on the OFR and the Committee, please visit the OFR Web site at http://www.financialresearch.gov.

Dated: July 1, 2016.
