OFFICE OF PERSONNEL MANAGEMENT
5 CFR Parts 890 and 894
RIN 3206–AM97
Federal Employees Health Benefits Program and Federal Employees Dental and Vision Insurance Program: Exempted Service and Pathways Programs Miscellaneous Clarifications and Corrections

ACTION: Final rule.

SUMMARY: The U.S. Office of Personnel Management (OPM) is issuing a final rule to make technical corrections to the Federal Employees Health Benefits Program (FEHBP) and the Federal Employees Dental and Vision Insurance Program (FEDVIP) regulations allowing coverage for participants in the Pathways Programs. The Pathways Programs were created by Executive Order (E.O.) 13562, signed by the President on December 27, 2010, and are designed to enable the Federal Government to compete effectively for students and recent graduates by improving its recruitment efforts through internships and similar programs with Federal agencies.

SUPPLEMENTARY INFORMATION: The Pathways Programs offer clear paths to civil service careers for recent graduates and provide meaningful training, mentoring, and career-development opportunities through internships and similar programs with Federal Government agencies. For more information on the Pathways Programs see the final rule, “Excepted Service, Career and Career-Conditional Employment; and Pathways Programs,” available at 77 FR 28193 (May 11, 2012) (Pathways regulation.) On January 6, 2014, OPM published an interim final regulation updating title 5 Code of Federal Regulations, §§ 890.303 and 894.302, to conform with the Pathways regulation. OPM received one comment not related to the substance of this technical correction. Accordingly, this final regulation adopts the interim final regulation with no changes.

Analysis of and Responses to Public Comments

We received one comment on the interim final rule relating to agency guidance materials.

Comment: One commenter asked if OPM will issue new guidance to Federal agencies concerning the changed scheduling authority for Pathways Programs participants.

Response: OPM is not planning to issue guidance to Federal agencies on this regulation as no substantive policy changes were made. The interim final rule made technical changes to FEHBP and FEDVIP regulations to conform with the final Pathways regulation published on May 11, 2012 (77 FR 28194). The only change to the FEHBP regulation was the title of the schedule appointment authority for Pathways Programs interns. See 5 CFR 890.303(e)(2). In the FEDVIP regulation, the intern programs were renamed. See 5 CFR 894.302(f).

Agencies should continue to refer to the supplementary information published in the aforementioned final rule and the guidance that is on the OPM Web site at: http://www.opm.gov/policy-data-oversight/hiring-authorities/students-recent-graduates/.
