SUMMARY: The Department of Commerce (Department) preliminarily determines that countervailable subsidies are being provided to producers and exporters of certain hardwood plywood products (hardwood plywood) from the People’s Republic of China (PRC). The period of investigation is January 1, 2015, through December 31, 2015.

DATES: Effective April 25, 2017.

FOR FURTHER INFORMATION CONTACT: Justin Neuman or Matthew Renkey, AD/ CVD Operations, Office V, Enforcement
and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482–0486 or (202) 482–2312, respectively.

SUPPLEMENTARY INFORMATION:

Background

This preliminary determination is made in accordance with section 703(b) of the Tariff Act of 1930, as amended (Act). The Department published the notice of initiation of this investigation on December 16, 2016.1 On January 27, 2017, the Department postponed the preliminary determination of this investigation to April 17, 2017.2 For a complete description of the events that followed the initiation of this investigation, see the Preliminary Decision Memorandum.3 A list of topics discussed in the Preliminary Decision Memorandum is included as Appendix II to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at http://access.trade.gov, and is available to all parties in the Central Records Unit, Room B8024 of the main Department of Commerce building. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at http://enforcement.trade.gov/frn/. The signed and electronic versions of the Preliminary Decision Memorandum are identical in content.

Scope of the Investigation

The product covered by this investigation is hardwood plywood from the PRC. For a complete description of the scope of this investigation, see Appendix I.

Scope Comments

In accordance with the preamble to the Department’s regulations,4 the Initiation Notice set aside a period of time for parties to raise issues regarding product coverage. (i.e., scope).5 Certain interested parties commented on the scope of the investigation as it appeared in the Initiation Notice. We have evaluated the scope comments filed by the interested parties and are issuing our preliminary decision regarding the scope of the AD and CVD investigations in conjunction with this preliminary determination. We will issue final scope decisions after considering any relevant comments submitted in case and rebuttal briefs.

Methodology

The Department is conducting this investigation in accordance with section 701 of the Act. For each of the subsidy programs found countervailable, the Department preliminarily determines that there is a subsidy, i.e., a financial contribution by an “authority” that gives rise to a benefit to the recipient, and that the subsidy is specific.6 The Department notes that, in making these findings, it relied, in part, on facts available and, because it finds that one or more respondents did not act to the best of their ability to respond to the Department’s requests for information, it drew an adverse inference where appropriate in selecting from among the facts otherwise available.7 For further information, see “Use of Facts Otherwise Available and Adverse Inferences” in the Preliminary Decision Memorandum.

Preliminary Affirmative Determination of Critical Circumstances, in Part

In accordance with section 703(e)(1) of the Act, the Department preliminarily determines that critical circumstances exist with respect to imports of hardwood plywood from PRC for Shandong Dongfang Bayley Wood Co., Ltd. (Bayley Wood) and all other exporters or producers not individually examined (including those that did not respond to our quantity and value questionnaire), but do not exist with respect to Linyi Sanfuntwo Wood Co., Ltd. (Sanfortune). For a full description of the methodology and results of the Department’s analysis, see the Preliminary Decision Memorandum.

Alignment

As noted in the Preliminary Decision Memorandum, in accordance with section 705(a)(1) of the Act and 19 CFR 351.210(b)(4), the Department is aligning the final countervailing duty (CVD) determination in this investigation with the final determination in the companion antidumping duty (AD) investigation of hardwood plywood from the PRC based on a request made by Petitioners.8 Consequently, the final CVD determination will be issued on the same date as the final AD determination, which is currently scheduled to be issued no later than August 30, 2017, unless postponed.

All- Others Rate

Sections 703(d) and 705(c)(5)(A) of the Act provide that in the preliminary determination, the Department shall determine an estimated all-others rate for companies not individually examined. This rate shall be an amount equal to the weighted average of the estimated subsidy rates established for those companies individually examined, excluding any zero and de minimis rates and any rates based entirely under section 776 of the Act. In this investigation, the Department preliminarily assigned a rate based entirely on facts available to Bayley Wood. Therefore, the only rate that is not zero, de minimis, or based entirely on facts otherwise available is the rate calculated for Sanfortune. Consequently, the rate calculated for Sanfortune is also assigned as the rate for all other producers and exporters.

Preliminary Determination

The Department preliminarily determines that the following estimated countervailable subsidy rates exist:

9 As discussed in the Preliminary Decision Memorandum, the Department has found that Bayley Wood is cross-owned with Linyi Yinhe Panel Factory (Yinhe Panel), a producer of subject merchandise. The Department also applied total adverse facts available (AFA) to Bayley Wood and Yinhe Panel.
10 This company and those listed below are receiving the AFA rate because they did not respond to our quantity and value questionnaire.
Suspension of Liquidation

In accordance with section 703(d)(1)(B) and (d)(2) of the Act, the Department will direct U.S. Customs and Border Protection (CBP) to suspend liquidation of entries of subject merchandise as described in the scope of the investigation section entered, or withdrawn from warehouse, for consumption on or after the date of publication of this notice in the Federal Register. Further, pursuant to 19 CFR 351.205(d), the Department will instruct CBP to require a cash deposit equal to the rates indicated above.

Section 703(e)(2) of the Act provides that, given an affirmative determination of critical circumstances, any suspension of liquidation shall apply to unliquidated entries of merchandise entered, or withdrawn from warehouse, for consumption on or after the later of (a) the date which is 90 days before the date on which the suspension of liquidation was first ordered, or (b) the date on which notice of initiation of the investigation was published. The Department preliminarily finds that critical circumstances exist for imports of subject merchandise produced and/or exported by Bayley Wood and all other exporters or producers not individually examined. In accordance with section 703(e)(2)(A) of the Act, the suspension of liquidation shall apply to unliquidated entries of merchandise from the exporters/producers identified in this paragraph that were entered, or withdrawn from warehouse, for consumption on or after the date which is 90 days before the publication of this notice.

Disclosure

The Department intends to disclose its calculations and analysis performed to interested parties in this preliminary determination within five days of its public announcement, or if there is no public announcement, within five days of the date of this notice in accordance with 19 CFR 351.224(b).
