#### Revision of Freedom of Information Act Regulation; Correction

**AGENCY:** Office of the Secretary, HUD.

**ACTION:** Final rule; correction.

**SUMMARY:** On January 12, 2017, HUD issued a final rule amending HUD's Freedom of Information Act (FOIA) regulation to implement the FOIA Improvement Act of 2016, which enacted a range of procedural changes, including a change to the procedures for withholding information and an amendment to one of the nine FOIA exemptions that authorizes an agency to withhold various records from disclosure. After publication, HUD discovered that a portion of the regulation was not published as intended. Specifically, the published rule deleted several of the nine statutory FOIA disclosure exemptions and duplicated another. HUD also noticed minor technical changes required elsewhere in its regulations. This document corrects HUD's January 12, 2017, final rule and makes the minor technical changes.

**DATES:** *Effective:* May 10, 2017.

**FOR FURTHER INFORMATION CONTACT:** Helen Goff Foster, Chief Administrative Officer, Office of Administration, Department of Housing and Urban Development, 451 7th Street SW., Room 6100, Washington, DC 20410-0500, telephone number 1-202-402-6838 (this is not a toll-free number). Hearing- or speech-impaired individuals may access this number via TTY by calling the toll-free Federal Relay Service at telephone number 1-800-877-8339 (this is a toll-free number).

**SUPPLEMENTARY INFORMATION:** On January 12, 2017 (82 FR 3623), HUD issued a final rule amending HUD's Freedom of Information Act (FOIA) regulation at 24 CFR part 15 to implement the FOIA Improvement Act of 2016 (Pub. L. 114-185, approved June 30, 2016) (2016 Act). Upon review of the published rule, HUD determined that § 15.107 was not published as intended. The amendatory instruction excluded three of the nine statutory FOIA exemptions (5 U.S.C. 552(b)) and included a duplicate exemption in § 15.107(b).

HUD's January 12, 2017, final rule sought to restructure § 15.107 by adding paragraph (a) to provide that HUD shall

withhold information only if it is reasonably foreseeable that disclosure would harm an interest protected by an exemption, or if disclosure is prohibited by law. HUD also sought to redesignate the undesignated introductory text as paragraph (b), redesignate paragraphs (a) through (i) as (b)(1) through (b)(9), and amend redesignated paragraph (b)(5), the deliberative process privilege, to add a sunset clause after 25 years.

As discussed above, HUD's final rule did not accurately restructure § 15.107 as intended. This final rule restates in whole § 15.107 to reflect the changes required by the 2016 Act to the deliberative process privilege exemption, and restores all other FOIA disclosure exemptions.

In addition, HUD is fixing an incorrect Web site link in § 15.101, removing two misplaced words in § 15.105, and correcting the number of days a FOIA requester has to appeal an adverse determination in § 15.109(a), consistent with the change HUD made in § 15.105(d)(2)(iv).
