

limited exclusion order against all respondents and the entry of a cease and desist order against Basic Medical, that the public interest factors do not weigh against granting these remedial orders, and that bonding should be set at 100 percent of the entered value of the infringing products.

The Commission finds that the statutory requirements of section 337(g)(1) (19 U.S.C. 1337(g)(1)) and Commission Rule 210.16(a)(1) (19 CFR 210.16(a)(1)) are met with respect to all respondents. Pursuant to section 337(g)(1) (19 U.S.C. 1337(g)(1)) and Commission Rule 210.16(c) (19 CFR 210.16(c)), the Commission presumes the facts alleged in the complaint to be true. The Commission finds that Laerdal's amended complaint sufficiently alleged a violation of section 337 by Medsource International, Medsource Factory, and Basic Medical with respect to claim 1 of the '058 patent and the '656 mark. The Commission, however, finds that even when the factual allegations of Laerdal's amended complaint are presumed true, Laerdal has not shown a violation of section 337 with respect to the '023 copyright, the '026 copyright, the trade dresses, or any of the other respondents.

The Commission has determined that the appropriate form of relief in this investigation is: (a) A limited exclusion order against Medsource International, Medsource Factory, and Basic Medical prohibiting the unlicensed entry of cervical collars that infringe claim 1 of the '058 patent and CPR masks that infringe the '656 mark; and (b) an order that Basic Medical cease and desist from importing, selling, offering for sale, marketing, advertising, distributing, offering for sale, transferring (except for exportation), or soliciting U.S. agents or distributors of imported cervical collars that infringe claim 1 of the '058 patent and CPR masks that infringe the '656 mark. The Commission has further determined that the public interest factors enumerated in section 337(g)(1) (19 U.S.C. 1337(g)(1)) do not preclude the issuance of the limited exclusion order and cease and desist order. Finally, the Commission has determined that the bond for importation during the period of Presidential review shall be in the amount of 100 percent of the entered value of the imported subject articles of the respondents. The investigation is terminated.

The Commission's orders and opinion were delivered to the President and the United States Trade Representative on the day of their issuance.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as

amended (19 U.S.C. 1337), and in Part 210 of the Commission's Rules of Practice and Procedure (19 CFR part 210).

By order of the Commission.

Issued: June 14, 2017.

Lisa R. Barton,

Secretary to the Commission.
