The Commission requests this information in order to make recommendations to the U.S. Department of State for granting recognized private operating agency (RPOA) status to requesting entities. The Commission does not require entities to request RPOA status. Rather, this is a voluntary application process for use by companies that believe that obtaining RPOA status will be beneficial in persuading foreign governments to allow them to conduct business abroad. RPOA status also permits companies to join the International Telecommunication Union's (ITU's) Telecommunications Sector, which is the standards-setting body of the ITU.

The information furnished in RPOA requests is collected pursuant to 47 CFR 63.701 of the Commission's rules. Entities submit these applications on a voluntary basis. The collection of information is a one-time collection for each respondent.
