SUPPLEMENTARY INFORMATION:

I. Background

FDA is announcing the availability of a draft guidance for industry entitled “Assessing User Fees Under the Prescription Drug User Fee Amendments of 2017.” This draft

guidance concerns the implementation of the Prescription Drug User Fee Amendments of 2017 (PDUFA VI) and certain proposed changes in policies and procedures surrounding its application. Because PDUFA VI created significant changes to the user fee program, this draft guidance serves to provide an explanation about the new fee structure and types of fees for which applicants are responsible.

PDUFA VI provides two different fee types that applicants pay: application and program fees. This draft guidance describes when these fees are incurred and the process for which applicants can submit payments. The draft guidance also provides information on consequences of failing to pay PDUFA VI fees as well as the process for submitting a reconsideration and appeals request.

This draft guidance is being issued consistent with FDA's good guidance practices regulation (21 CFR 10.115). The draft guidance, when finalized, will represent the current thinking of FDA on assessing user fees under the Prescription Drug User Fee Amendments of 2017. It does not establish any rights for any person and is not binding on FDA or the public. You can use an alternative approach if it satisfies the requirements of the applicable statutes and regulations. This guidance is not subject to Executive Order 12866.

II. Electronic Access

Persons with access to the internet may obtain the draft guidance at either <https://www.fda.gov/Drugs/GuidanceComplianceRegulatoryInformation/Guidances/default.htm>, <https://www.fda.gov/BiologicsBloodVaccines/GuidanceComplianceRegulatoryInformation/Guidances/default.htm>, or <https://www.regulations.gov>.

Dated: October 10, 2017.

Anna K. Abram,

Deputy Commissioner for Policy, Planning, Legislation, and Analysis.
