NMFS annually invites commercial shark permit holders (directed and incidental) to submit an application to participate in the shark research fishery. Permit applications can be found on the HMS Management Division's Web site at <http://www.nmfs.noaa.gov/sfa/hms/compliance/efp/index.html> or by calling (301) 427-8503. Final decisions on the issuance of a shark research fishery permit will depend on the submission of all required information by the deadline (see **DATES**), and NMFS' review of applicant information as outlined above. The 2018 shark research fishery will start after the opening of the shark fishery and under available quotas as published in a separate **Federal Register** final rule.
