FDIC estimates that all existing FDIC-supervised institutions have implemented the policies and procedures required by Regulation Z and will only face the estimated ongoing (transaction) burdens reflected in the table below. The respondent count of 1 is intended as a placeholder for the associated burden estimate to account for any institution(s) that may become subject to the information collection requirements in the future.

**Request for Comment**

Comments are invited on: (a) Whether the collection of information is necessary for the proper performance of the FDIC's functions, including whether the information has practical utility; (b) the accuracy of the estimates of the burden of the information collection, including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. All comments will become a matter of public record.
