Carbon and Alloy Steel Wire Rod From Spain: Amended Preliminary Determination of Sales at Less Than Fair Value

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce

SUMMARY: On October 31, 2017, the Department of Commerce (Department) published in the **Federal Register** the preliminary determination of the less-than-fair-value investigation of carbon and alloy steel wire rod (wire rod) from Spain. The Department is amending its preliminary determination to correct a significant ministerial error.

DATES: Applicable December 7, 2017.

FOR FURTHER INFORMATION CONTACT:

Chelsey Simonovich, AD/CVD Operations, Office VI, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-1979.

SUPPLEMENTARY INFORMATION:

Background

On October 31, 2017, the Department published in the **Federal Register** the *Preliminary Determination*¹ of the less-than-fair-value investigation of wire rod from Spain. On November 6, 2017, Global Steel Wire S.A., CELSA Atlantic S.A., and Compañía Española de Laminación (collectively, CELSA) alleged that the Department made a significant ministerial error in the *Preliminary Determination*.²

Scope of the Investigation

The product covered by this investigation is wire rod from Spain. For a full description of the scope of this investigation, see the "Scope of the Investigation," in the Appendix to this notice.

¹ See *Carbon and Alloy Steel Wire Rod from the Republic of Spain: Preliminary Affirmative Determination of Sales at Less Than Fair Value, and Preliminary Determination of Critical Circumstances, In Part*, 82 FR 50390 (October 31, 2017) (*Preliminary Determination*).

² See CELSA's November 6, 2017 letter, "Antidumping Duty Investigation of Carbon and Alloy Steel Wire Rod from Spain: Significant Ministerial Errors Contained in the Preliminary Determination" (Ministerial Error Allegation).

Significant Ministerial Error

A ministerial error is defined in 19 CFR 351.224(f) as "an error in addition, subtraction, or other arithmetic function, clerical error resulting from inaccurate copying, duplication, or the like, and any other similar type of unintentional error which the Secretary considers ministerial." A significant ministerial error is defined in 19 CFR 351.224(g) as a ministerial error, the correction of which, singly or in combination with other errors, would result in: (1) A change of at least five absolute percentage points in, but not less than 25 percent of, the weighted-average dumping margin calculated in the original (erroneous) preliminary determination; or (2) a difference between a weighted-average dumping margin of zero or *de minimis* and a weighted-average dumping margin of greater than *de minimis* or vice versa. Further, 19 CFR 351.224(e) provides that the Department "will analyze any comments received and, if appropriate, correct any significant ministerial error by amending the preliminary determination."

Ministerial Error Allegation

CELSA alleges that the Department double-counted the international freight expenses in the calculation of U.S. net prices, increasing the amount deducted for international movement costs, and increasing the dumping margin. CELSA maintains that correcting this error results in a decrease of more than five absolute percentage points in, but not less than 25 percent of, the weighted-average dumping margin, thereby meeting the definition of "significant" pursuant to 19 CFR 351.224(g)(1).³ Additionally, CELSA alleges that the Department has misclassified direct selling expenses in the United States as indirect selling expenses incurred in Spain.

We find that the Department unintentionally included international freight expenses twice when adjusting U.S. price for movement expense in the margin calculation program.⁴ The Department also unintentionally entered a variable used to capture indirect selling expenses in Spain in the program calculation for direct selling expenses in the United States.⁵ These errors constitute ministerial errors

³ See Ministerial Error Allegation.

within the meaning of 19 CFR 351.224(f).⁶ Moreover, correcting these ministerial error changes the margin from 20.25 percent to 10.61 percent, thereby making these errors significant ministerial errors within the meaning of 19 CFR 351.224(g)(1).⁷

Amended Preliminary Determination

We are amending the *Preliminary Determination* to reflect the correction of ministerial errors made in the margin calculation for CELSA. In addition, because the “All-Others” rate in the *Preliminary Determination* was based on the estimated weighted-average dumping margin calculated for CELSA,⁸ we are, consistent with section 735(c)(5)(A) of the Tariff Act of 1930, as amended (the Act), also amending the “All-Others” rate. As a result of the correction of the ministerial error, the revised weighted-average dumping margins are as follows:

Exporter/manufacturer	Weighted-average dumping margin (percent)
Global Steel Wire S.A./ CELSA Atlantic S.A./ Compañía Española de Laminación	10.61
All-Others	10.61

Amended Cash Deposits and Suspension of Liquidation

The collection of cash deposits and suspension of liquidation will be revised according to the rates established in this amended preliminary determination, in accordance with section 733(d) and (f) of the Act and 19 CFR 351.224. Because the rates are decreasing from the *Preliminary Determination*, the amended cash deposit rates will be effective retroactively to October 31, 2107, the date of publication of the *Preliminary Determination* notice in the **Federal Register**.

International Trade Commission Notification

In accordance with section 733(f) of the Act, we notified the International Trade Commission of our amended preliminary determination.

Disclosure

We intend to disclose the calculations performed to parties in this proceeding within five days after public announcement of the amended preliminary determination, in accordance with 19 CFR 351.224.

This amended preliminary determination is issued and published in accordance with sections 733(f) and 777(i) of the Act and 19 CFR 351.224(e).

Dated: December 1, 2017.

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations, performing the non-exclusive functions and duties of the Assistant Secretary for Enforcement and Compliance.
