#### Defense Federal Acquisition Regulation Supplement: Trade Agreements Thresholds (DFARS Case 2018–D001)

**AGENCY:** Defense Acquisition Regulations System, Department of Defense (DoD).

**ACTION:** Final rule.

**SUMMARY:** DoD is issuing a final rule amending the Defense Federal Acquisition Regulation Supplement (DFARS) to incorporate revised thresholds for application of the World Trade Organization Government Procurement Agreement and the Free Trade Agreements, as determined by the United States Trade Representative.

**DATES:** Effective: January 1, 2018.

**FOR FURTHER INFORMATION CONTACT:** Ms. Amy G. Williams, 571–372–6106.

#### SUPPLEMENTARY INFORMATION:

##### I. Background

This rule adjusts thresholds for application of the World Trade Organization (WTO) Government Procurement Agreement (GPA) and Free Trade Agreements (FTA) as determined by the United States Trade Representative (USTR). The trade agreements thresholds are adjusted every two years according to predetermined formulae set forth in the agreements. The USTR has specified the following new thresholds in the **Federal Register** (82 FR 58248, December 11, 2017):

Trade Agreement	Supply Contract (equal to or exceeding)	Construction Contract (equal to or exceeding)
WTO GPA .....	\$180,000	\$6,932,000
FTAs:		
Australia FTA .....	80,317	6,932,000
Bahrain FTA .....	180,000	10,441,216
CAFTA-DR (Costa Rica, Dominican Republic, El Salvador, Guatemala, Honduras, and Nicaragua) .....	80,317	6,932,000
Chile FTA .....	80,317	6,932,000
Columbia .....	80,317	6,932,000
Korea .....	100,000	6,932,000
Morocco FTA .....	180,000	6,932,000
NAFTA:		
—Canada .....	25,000	10,441,216
—Mexico .....	80,317	10,441,216
Panama FTA .....	180,000	6,932,000
Peru FTA .....	180,000	6,932,000
Singapore FTA .....	80,317	6,932,000

**II. Publication of This Final Rule for Public Comment Is Not Required by Statute**

The statute that applies to the publication of the Federal Acquisition Regulation (FAR) is 41 U.S.C. 1707 entitled “Publication of Proposed Regulations.” Paragraph (a)(1) of the statute requires that a procurement policy, regulation, procedure or form (including an amendment or modification thereof) must be published for public comment if it relates to the expenditure of appropriated funds, and has either a significant effect beyond the internal operating procedures of the agency issuing the policy, regulation, procedure, or form, or has a significant cost or administrative impact on contractors or offerors. This final rule is not required to be published for public comment, because it does not constitute a significant DFARS revision within the meaning of FAR 1.501-1 and does not have a significant cost or administrative impact on contractors or offerors. This final rule is not required to be published for public comment, because it only adjusts the thresholds according to predetermined formulae to adjust for changes in economic conditions, thus maintaining the status quo, without significant effect beyond the internal operating procedures of the Government.

**III. Applicability to Contracts at or Below the Simplified Acquisition Threshold and for Commercial Items, Including Commercially Available Off-the-Shelf Items**

This rule amends the DFARS to revise thresholds for application of the WTO GPA and the FTA. The revisions do not add any new burdens or impact applicability of clauses and provisions at or below the simplified acquisition threshold, or to commercial items.

**IV. Executive Orders 12866 and 13563**

Executive Order (E.O.) 12866, Regulatory Planning and Review, and E.O. 13563, Improving Regulation and Regulatory Review, direct agencies to assess all costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits (including potential economic, environmental, public health and safety effects, distributive impacts, and equity). E.O. 13563 emphasizes the importance of quantifying both costs and benefits, of reducing costs, of harmonizing rules, and of promoting flexibility. The Office of Management and Budget, Office of Information and Regulatory Affairs (OIRA), has determined that this is not a significant regulatory action as defined under section 3(f) of E.O. 12866 and, therefore, was not subject to review under section 6(b). This rule is not a major rule as defined at 5 U.S.C. 804(2).

**V. Executive Order 13771**

This rule is not subject to E.O. 13771, Reducing Regulation and Controlling Regulatory Costs, because this rule is not a significant regulatory action under E.O. 12866.

**VI. Regulatory Flexibility Act**

The Regulatory Flexibility Act does not apply to this rule because this final rule does not constitute a significant FAR revision within the meaning of FAR 1.501-1, and 41 U.S.C. 1707 and does not require publication for public comment.

**VII. Paperwork Reduction Act**

The Paperwork Reduction Act (44 U.S.C chapter 35) does apply, because the final rule affects the prescriptions for use of the certification and information collection requirements in

the provision at DFARS 252.225-7035, Buy American-Free Trade Agreements-Balance of Payments Program Certificate, and the certification and information collection requirements in the provision at DFARS 252.225-7018, Photovoltaic Devices—Certificate. The changes to these DFARS clauses do not impose additional information collection requirements to the paperwork burden previously approved under OMB Control Number 0704-0229, entitled “DFARS Part 225, Foreign Acquisition and related clauses,” because the threshold changes are in line with inflation and maintain the status quo.

**Defense Federal Acquisition Regulation Supplement: New Qualifying Country-Latvia (DFARS Case 2017–D037)**

**AGENCY:** Defense Acquisition Regulations System, Department of Defense (DoD).

**ACTION:** Final rule.

**SUMMARY:** DoD is issuing a final rule amending the Defense Federal Acquisition Regulation Supplement (DFARS) to add Latvia as a qualifying country.

**DATES:** Effective December 28, 2017.

**FOR FURTHER INFORMATION CONTACT:** Ms. Amy Williams, telephone 571–372–6106.

**SUPPLEMENTARY INFORMATION:****I. Background**

DoD is amending the DFARS to add Latvia as a qualifying country. On April 10, 2017, the Secretary of Defense and the Minister of Defense of the Republic of Latvia signed a Reciprocal Defense Procurement Agreement. The Secretary of Defense also signed, on that day, a determination and findings that it is inconsistent with the public interest to apply the restrictions of the Buy American Act to the acquisition of articles, materials, and supplies, produced or manufactured in the Republic of Latvia. The agreement removes discriminatory barriers to procurements of supplies and services produced by industrial enterprises of the other country to the extent mutually beneficial and consistent with national laws, regulations, policies, and international obligations. This agreement does not cover construction or construction material. Latvia is already a designated country under the World Trade Organization Government Procurement Agreement.

**II. Applicability to Contracts at or Below the Simplified Acquisition Threshold and for Commercial Items, Including Commercially Available Off-the-Shelf Items**

This rule only updates the list of qualifying countries in the DFARS by adding the newly qualifying country of Latvia. The definition of “qualifying country” is updated in each of the following clauses; however, this revision does not impact the clause prescriptions for use, or applicability at or below the simplified acquisition threshold, or applicability to commercial items. The clauses are: DFARS 252.225–7001, Buy American and Balance of Payments Program; DFARS 252.225–7002, Qualifying Country Sources as Subcontractors; DFARS 252.225–7012, Preference for Certain Domestic Commodities; DFARS 252.225–7017, Photovoltaic Devices; DFARS 252.225–7021, Trade Agreements; and DFARS 252.225–7036, Buy American—Trade Agreements—Balance of Payments Program.

**III. Publication of This Final Rule for Public Comment Is Not Required by Statute**

The statute that applies to the publication of the Federal Acquisition Regulation (FAR) is 41 U.S.C. 1707 entitled “Publication of Proposed Regulations.” Paragraph (a)(1) of the statute requires that a procurement policy, regulation, procedure or form (including an amendment or modification thereof) must be published for public comment if it relates to the expenditure of appropriated funds, and has either a significant effect beyond the internal operating procedures of the agency issuing the policy, regulation, procedure or form, or has a significant cost or administrative impact on contractors or offerors. This final rule is not required to be published for public comment, because it does not constitute a significant DFARS revision within the meaning of FAR 1.501–1 and does not have a significant cost or administrative impact on contractors or offerors. Latvia is added to the list of 26 other countries that have similar reciprocal defense procurement agreements with DoD. These requirements affect only the internal operating procedures of the Government.

**IV. Executive Orders 12866 and 13563**

Executive Order (E.O.) 12866, Regulatory Planning and Review, and E.O. 13563, Improving Regulation and Regulatory Review, direct agencies to assess all costs and benefits of available regulatory alternatives and, if regulation
