rail-rail crossing) with a railroad operated by CSX in Tampa, Florida. Trains belonging to the National Railroad Passenger Corporation (Amtrak) also cross at this location. In its petition, HART sites that there have been no deficiencies with its operation since the last approval in 2013 and that HART, CSX, and Amtrak have continually interfaced with FRA Regional staff to monitor the safety at that location.

Although no relief from any specific regulations is sought, FRA has closely monitored this crossing to ensure that the HART streetcar personnel such as operators and dispatchers regularly communicate with CSX and Amtrak in order to ensure safety at this location. FRA’s regular audits at this location focus on operating practices contained in 49 CFR part 217, Railroad Operating Rules, in order to ensure that CSX, Amtrak, and streetcar crews are trained properly at this location and understand what to do if signals malfunction or other issues arise.

A copy of the petition, as well as any written communications concerning the petition, is available for review online at www.regulations.gov and in person at the U.S. Department of Transportation’s (DOT) Docket Operations Facility, 1200 New Jersey Avenue SE, W12–140, Washington, DC 20590. The Docket Operations Facility is open from 9 a.m. to 5 p.m., Monday through Friday, except Federal Holidays.

Interested parties are invited to participate in these proceedings by submitting written views, data, or comments. FRA does not anticipate scheduling a public hearing in connection with these proceedings since the facts do not appear to warrant a hearing. If any interested parties desire an opportunity for oral comment and a public hearing, they should notify FRA, in writing, before the end of the comment period and specify the basis for their request.

All communications concerning these proceedings should identify the appropriate docket number and may be submitted by any of the following methods:
