Notice of a Public Meeting on the Western Energy Company’s Rosebud Mine Area F Draft Environmental Impact Statement

AGENCY: Office of Surface Mining Reclamation and Enforcement, Department of the Interior.

ACTION: Notice of public meeting.

SUMMARY: We, the Office of Surface Mining Reclamation and Enforcement (OSMRE), are announcing the date, time, and location of the public meeting to be held on the Draft Environmental Impact Statement (EIS) for the Western Energy Company’s Rosebud Mine Area F (Project) in southeastern Montana.

DATES: OSMRE and co-lead agency, Montana Department of Environmental Quality (DEQ), will hold a public meeting on the Draft EIS on February 13, 2018, between 3:00 p.m. and 7:00 p.m. at the Colstrip High School Auditorium at 5000 Pine Butte Drive, Colstrip, MT 59323.

FOR FURTHER INFORMATION CONTACT: Logan Sholar, OSMRE Project Coordinator; Telephone: 303–293–5036; Address: 1999 Broadway Street, Suite 3320, Denver, Colorado 80202–3050; email: Isholar@osmre.gov.

ADDRESS: See the DATES section of this notice for the address at which OSMRE will hold the public meeting on the Draft EIS.

SUPPLEMENTARY INFORMATION: OSMRE published its notice of availability for the Draft EIS and the Project in the Federal Register on January 3, 2018 (83 FR 393), and the U.S. Environmental Protection Agency posted their notice of availability on January 5, 2018 (83 FR 678). If the DEQ approves the permit and a Federal mining plan for the Project is approved as proposed, at the current rate of production, the operational life of the Rosebud Mine would be extended by 8 years. Mining operations in the project area, which would commence after all permits and approvals have been secured and a reclamation and performance bond has been posted, would last 19 years. Western Energy estimates that 70.8 million tons of recoverable coal reserves exist in the project area and would be removed during the 19-year operations period.

The primary purpose of the meeting is to obtain input on the Project and Draft EIS. Therefore, we encourage you to limit your testimony to the merits of the Project and Draft EIS.

The public meeting will be conducted in an open house style format and will include informational displays and areas where attendees may record and submit written comments. At 5:00 p.m., DEQ and OSMRE staff will explain the EIS public involvement process and provide a brief description of the proposed project. Following this introduction, attendees will have the opportunity to provide oral testimony until 6:15 p.m. Oral testimony will be limited to three minutes per person. A transcriber will record the oral comments for the project record. Interpreters will be available upon request.

If you are a disabled individual who needs reasonable accommodations to attend the public meeting, please contact the person listed under FOR FURTHER INFORMATION CONTACT at least one week before the meeting.

Dated: January 10, 2018.

David Berry, Regional Director, Western Region.

INTERNATIONAL TRADE COMMISSION
[Investigation No. 337–TA–1087]

Certain Batteries and Electrochemical Devices Containing Composite Separators, Components Thereof, and Products Containing Same Commission Determination Not To Review an Initial Determination (Order No. 7) Granting a Motion To Amend the Complaint and Notice of Investigation

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission (the “Commission”) has determined not to review a January 8, 2018, initial determination (Order No. 7) (the “ID”) granting an unopposed motion to amend the complaint and notice of investigation.

The public record for this investigation may be viewed on the Commission’s electronic docket (EDIS) at https://edis.usitc.gov. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission’s TDD terminal at 202–205–1810.

SUPPLEMENTARY INFORMATION: On November 28, 2017, the Commission instituted this investigation under section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337 (“section 337”), based on a complaint filed by LG Chem, Ltd. of South Korea; LG Chem Michigan Inc. of Holland Michigan; LG Chem Power Inc. of Troy, Michigan; and Toray Industries, Inc. of Japan. (collectively, “LG”). 82 FR 56265, 56265–66 (Nov. 28, 2017). The complaint alleges a violation of section 337 by reason of infringement of certain claims of U.S. Patent Nos. 7,662,317; 7,638,241; and 7,709,152. The complaint named as respondents Amperex Technology Limited of Hong Kong; DJI Technology Co., Ltd.; DJI Technology, Inc. of Burbank, CA; Guangdong OPPO Mobile Telecommunications Corp., Ltd. of China; and OPPO Digital, Inc. of Menlo Park, CA. The Office of Unfair Import Investigations is not a party in this investigation.

On January 3, 2018, LG filed an unopposed motion seeking leave to amend the complaint and notice of investigation in this matter to correct the name of respondent DJI Technology Co., Ltd. to SZ DJI Technology Co., Ltd. On January 8, 2018, the administrative law judge issued Order No. 7, the ID, which grants the motion, finding that the motion complies with Commission Rule 210.14(b). No party filed a petition seeking review of the ID.

The Commission has determined not to review the ID. The authority for the Commission’s determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in part 210 of the Commission’s Rules of Practice and Procedure (19 CFR part 210).

By order of the Commission.

Issued: January 26, 2018.

Lisa R. Barton.
Secretary to the Commission.
