Large Residential Washers From the Republic of Korea: Final Results of Antidumping Duty Administrative Review; 2016–2017

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: On November 8, 2017, the Department of Commerce (Commerce) published the preliminary results of the administrative review of the antidumping duty order on large residential washers from the Republic of Korea (Korea). We invited interested parties to comment but received no comments or requests for a hearing. Therefore, the final results remain unchanged from the preliminary results and we continue to find that LG Electronics, Inc. (LGE) made sales of subject merchandise at prices below normal value during the period of review (POR).

SUPPLEMENTARY INFORMATION:

On November 8, 2017, Commerce published the Preliminary Results.¹ The POR is February 1, 2016, through January 31, 2017. We invited interested parties to comment on the Preliminary Results. We received no comments or requests for a hearing. Commerce has exercised its discretion to toll deadlines for the duration of the closure of the Federal Government from January 20 through 22, 2018. If the new deadline falls on a non-business day, in accordance with Commerce’s practice, the deadline will become the next business day. The revised deadline for the final results of this review is now March 12, 2018.²

¹ See Memorandum for The Record from Christian Marsh, Deputy Assistant Secretary for Enforcement and Compliance, performing the non-exclusive functions and duties of the Assistant Secretary for Enforcement and Compliance, “Deadlines Affected by the Shutdown of the Federal Government” (Tolling Memorandum), dated January 23, 2018. All deadlines in this segment of the proceeding have been extended by 3 days.

² For a full description of the scope of the order, see Preliminary Decision Memorandum.

³ Changes Since the Preliminary Results

As no parties submitted comments on the margin calculation methodology used in the Preliminary Results, the Department made no adjustments to that methodology in the final results of this review.

Final Results of the Review

As a result of this review, the Department determines that the following weighted-average dumping margin exists for entries of subject merchandise that were produced and/or exported by LGE during the POR:

Assessment Rates

Pursuant to section 751(a)(2)(C) of the Act, and 19 CFR 351.222(b), Commerce determined, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries of subject merchandise in accordance with the final results of this review. Commerce intends to issue appropriate assessment instructions directly to CBP 15 days after publication of the final results of this administrative review.

For LGE, which has a weighted-average dumping margin which is not zero or de minimis (i.e., less than 0.5 percent), we calculated importer- (or
