

trade and to protect investors and the public interest by consistently utilizing the term "System" throughout new Rule 1099 instead of the terms "Phlx XL" or "system." The Exchange also proposes to remove the term "Phlx" and replace it with the word "Exchange." The Exchange believes that this proposal is consistent with the Act because the Exchange is conforming terms within the new Rule for consistency and relocating these order protection rules within new Rule 1099 to make them easier to locate and also shorten the length of Rule 1080 for ease of reading.

The Exchange also proposes to make certain formatting changes within the Rule to conform the text throughout its Rulebook.

#### *B. Self-Regulatory Organization's Statement on Burden on Competition*

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. The Exchange's proposal does not impose an undue burden on competition because the amendments conform the rule text to text throughout the Rulebook and the proposal relocates the order protection rules to a new Rule 1099 for ease of reference.

#### *C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others*

No written comments were either solicited or received.

### **III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action**

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A)(iii) of the Act<sup>7</sup> and subparagraph (f)(6) of Rule 19b-4 thereunder.<sup>8</sup>

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may

temporarily suspend such rule change if it appears to the Commission that such action is: (i) Necessary or appropriate in the public interest; (ii) for the protection of investors; or (iii) otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.
