The Corporation for National and Community Service (CNCS) proposes changes to existing regulations under the Domestic Volunteer Service Act of 1973, as amended, for the following Senior Corps programs: Foster Grandparent Program (FGP), Senior Companion Program (SCP), and the Retired Senior Volunteer Program (RSVP). These amendments will increase flexibility in program administration while maintaining accountability at the local level, correct grammatical errors, update language that is currently used by CNCS, and streamline requirements for more effective administration of projects in local communities.

I. Background

The National Senior Service Corps known today as Senior Corps is comprised of three separate programs: the Senior Companion Program (SCP), the Foster Grandparent Program (FGP) and the Retired and Senior Volunteer Program (RSVP).

The SCP engages low-income older adults to help their more frail peers remain independent in their homes. Senior Companions provide companionship and support to older adults in need of extra assistance to remain at home or in the community for as long as possible as well as provide respite for caregivers. Senior Companions receive a small stipend enabling them to participate without cost to themselves.

The FGP engages low-income older adults in opportunities to provide one-to-one mentoring, nurturing, and support to children with special or exceptional needs, or who are in academic, social, or financial disadvantage. Foster Grandparents receive a small stipend enabling them to participate without cost to themselves. RSVP promotes the engagement of older persons as community resources in planning for community improvement and in delivery of volunteer services. RSVP matches the skills of older adults, who are willing to help with local organizations, with the identified needs of the community.

The Older Americans Act of 1965 initiated the pilot demonstration programs for the Foster Grandparent and Senior Companion programs, and in 1969 an amendment to the Older Americans Act created the RSVP. In 1971, all three of the Senior Corps programs were transferred from the Administration on Aging to the former Federal agency, ACTION (the Federal Domestic Volunteer Agency). In 1973, Congress enacted the Domestic Volunteer Service Act of 1973 (DVSA), Senior Corps’ enabling legislation. Senior Corps continues to retain its purpose, as stated in the DVSA, “to provide opportunities for senior service to meet unmet local, State, and national needs in the areas of education, public safety, emergency and disaster preparedness, relief, and recovery, health and human needs, and the environment.”

In 1994, the Corporation for National and Community Service (CNCS) was established pursuant to the National and Community Service Trust Act of 1993; at this time, the operations of all service programs previously administered by ACTION, including Senior Corps, began to be administered by CNCS. Since 1994, Senior Corps continues to be primarily operated and administered under the DVSA.

In 2009, Congress enacted the Edward M. Kennedy Serve America Act of 2009 (Serve America Act), which contained certain amendments to both the DVSA and the NCSA. With regard to Senior Corps, the Serve America Act amendments largely related to initiating competition for the RSVP, decreasing the age limit for volunteers from 60 to 55 and modifying the income eligibility requirements for SCP and FGP volunteers.

II. Scope of Proposed Rule

The proposed amendments include modifications to current program requirements and technical updates in the three Senior Corps programs, SCP, FGP and RSVP. For the SCP, changes are applicable to: Subpart A, General, which includes technical updates to definitions and the addition or subtraction of certain definitions, subpart B, Eligibility and Responsibility of a Sponsor, which includes modifications to specific administrative responsibilities and technical updates, subpart C, Suspension Termination and Denial of Refunding, which includes technical updates and clarifying language, subpart D, Senior Companion Eligibility, Status and Cost Reimbursements, which include technical updates, updating the income exclusion list to specify public benefits and disability benefits, removing the requirement for annual physicals and clarification of language to demonstrate which cost reimbursements are optional and which are required, subpart E, Senior Companion Terms of Service, which includes reducing the minimum hour requirement and establishing annual minimum and maximum hour requirements, and making technical updates, subpart F, Responsibilities of a Volunteer Station, which includes technical updates, subpart G, Senior Companion Placement and Assignments, which includes the addition of a new section that consolidates all regulations regarding Senior Companion Leaders, and technical updates, subpart H, Application and Fiscal Requirements, which includes technical updates, clarification of how applications are made to CNCS, and the removal of regulations for the direct benefit ration, or “80/20 rule,” subpart J, Non-Stipend Senior Companions, which includes consolidation of regulations and technical updates, subpart K, Non-Corporation Funded SCP Projects, which includes technical updates, and subpart L, Restrictions and Legal Representation, which includes technical updates.

III. Effective Date

CNCS intends to make any final rule based on this proposal effective no sooner than 90 days after the final rule is published in the Federal Register.

IV. Regulatory Procedures

Executive Order 12866

CNCS has determined that the proposed rule is not an “economically significant” rule within the meaning of E.O. 12866 because it is not likely to result in: (1) An annual effect on the economy of $100 million or more, or an adverse and material effect on a sector of the economy, productivity, competition, jobs, the environment, public health or safety, or State, local, or tribal government or communities; (2) the creation of a serious inconsistency or interference with an action taken or planned by another agency; (3) a material alteration in the budgetary impact of entitlements, grants, user fees, or loan programs or the rights and obligations of recipients thereof; or (4) the raising of novel legal or policy issues arising out of legal mandates, the President’s priorities, or the principles set forth in E.O. 12866.

Regulatory Flexibility Act

As required by the Regulatory Flexibility Act of 1980 (5 U.S.C. 605 (b)), CNCS certifies that this rule, if adopted, will not have a significant economic impact on a substantial number of small entities. This regulatory action will not result in (1) an annual effect on the economy of $100 million or more; (2) a major increase in costs or prices for consumers, individual industries, Federal, State, or local government agencies, or geographic regions; or (3) significant adverse effects on competition, employment, investment, productivity, innovation, or on the ability of United States-based enterprises to compete with foreign-based enterprises in domestic and export markets. Therefore, CNCS has not performed the initial regulatory flexibility analysis that is required under the Regulatory Flexibility Act (5 U.S.C. 601 et seq.) for major rules that are expected to have such results.

Unfunded Mandates

For purposes of Title II of the Unfunded Mandates Reform Act of 1995, 2 U.S.C. 1531–1538, as well as Executive Order 12875, this regulatory action does not contain any Federal mandate that may result in increased expenditures in either Federal, State, local, or tribal governments in the aggregate, or impose an annual burden exceeding $100 million on the private sector.

Paperwork Reduction Act

This proposed rule addresses the requirement that entities that wish to apply to be Senior Corps SCP, FGP, or RSVP sponsors complete an application. Consistent with this requirement are two documents: The FGP/SCP Grant Application and the RSVP Grant Application (http://www.national.service.gov/documents/senior-corps/2015/2016-fgpscp-grant-application-instructions; http://www.national.service.gov/documents/senior-corps/2015/rsvp-grant-application-instructions). This requirement constitutes one set of information under the Paperwork Reduction Act (PRA), 44 U.S.C. 507 et seq. OMB, in accordance with the Paperwork Reduction Act, has previously approved these information collections for use. The OMB Control Number for both the FGP/SCP Grant Application and the RSVP Grant Application is 3045–0035.

Under the PRA, an agency may not conduct or sponsor a collection of information unless the collections of information displays valid control numbers. This proposed rule’s collections of information are contained in 45 CFR part 2551, subparts B, D, F, G, and I, part 2552, subpart B, D, F, G, and I, and part 2553, subparts B, D, F, G, and I for the FGP/SCP Grant Application and the RSVP Grant Application, respectively.

This information is necessary to ensure that only eligible and qualified entities serve as Senior Corps sponsors. This information is also necessary to ensure that only eligible and suitable individuals are approved by the Senior Corps SCP, FGP, or RSVP programs to serve as volunteers in the SCP, FGP, or RSVP programs.

The likely respondents to these collections of information are entities local, or tribal governments in the aggregate, or impose an annual burden exceeding $100 million on the private sector.
Executive Order 13132, Federalism

Executive Order 13132, Federalism, prohibits an agency from publishing any rule that has Federalism implications if the rule imposes substantial direct compliance costs on State and local governments and is not required by statute, or the rule preempts State law, unless the agency meets the consultation and funding requirements of section 6 of the Executive Order. The proposed rule does not have any Federalism implications, as described above.
