Assessment Rates

Pursuant to section 751(a)(2)(C) Tariff Act of 1930, as amended (the Act), and 19 CFR 351.212(b), the Department has determined, and CBP shall assess, antidumping duties on all appropriate entries of subject merchandise in accordance with the final results of this review. Commerce intends to issue assessment instructions to CBP 15 days after the publication date of the final results of this review. Commerce intends to instruct CBP to liquidate any entries of subject merchandise exported during this POR by Decca and the other three companies noted above which did not qualify for separate rate status, at the China-wide rate.

Additionally, pursuant to Commerce's practice in NME cases, if there are any suspended entries of subject merchandise during the POR under the case numbers of the eight companies that claimed no shipments of subject merchandise, they will be liquidated at the China-wide rate.¹¹

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this administrative review for shipments of subject merchandise from China entered, or withdrawn from warehouse, for consumption on or after the publication date in the **Federal Register** of the final results of this review, as provided by section 751(a)(2)(C) of the Act: (1) For previously investigated or reviewed China and non-China exporters which are not under review in this segment of the proceeding but which received a separate rate in a prior

segment of this proceeding, the cash deposit rate will continue to be the existing exporter-specific rate; (2) for all China exporters of subject merchandise that have not been found to be entitled to a separate rate, the cash deposit rate will be the rate for the China-wide entity, which is 216.01 percent; and (3) for all non-China exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the Chinese exporter that supplied that non-China exporter.

These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Interested Parties

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of the antidumping duties occurred and the subsequent assessment of double antidumping duties.

This notice also serves as a reminder to parties subject to administrative protective orders (APOs) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation that is subject to sanction.

This notice of the final results of this antidumping duty administrative review is issued and published in accordance with sections 751(a)(1) and 777(i) of the Act and 19 CFR 351.213 and 19 CFR 351.221(b)(5).

Certain Pasta From Turkey: Final Results and Rescission of Antidumping Duty Administrative Review; 2015-2016

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) determines that Mutlu Makarnacilik Sanayi ve Ticaret A.S. (Mutlu), an exporter of certain pasta (pasta) from Turkey and the sole respondent subject to this administrative review, had no *bona fide* sales during the period of review (POR) July 1, 2015 through June 30, 2016. Therefore, we are rescinding this administrative review.

DATES: Applicable February 14, 2018.

FOR FURTHER INFORMATION CONTACT: Fred Baker, AD/CVD Operations, Office VI, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-2924.

SUPPLEMENTARY INFORMATION:

Background

On August 7, 2017, Commerce published the *Preliminary Results* of this review in the **Federal Register**.¹ We invited parties to comment on the *Preliminary Results*. On September 6, 2017, we received case briefs from petitioners American Italian Pasta Company, Dakota Growers Pasta Company, and New World Pasta Company (the petitioners) and from the respondent, Mutlu. On September 19, 2017, we received rebuttal briefs from the petitioners and Mutlu. On September 21, 2017, Commerce rejected Mutlu's case brief because it contained new factual information after the deadline for such information.² Mutlu subsequently removed the new factual information from its case brief, and resubmitted the case brief on September 23, 2017.

Commerce exercised its discretion to toll deadlines affected by the closure of the Federal Government from January 20 through 22, 2018. If the new deadline falls on a non-business day, in accordance with Commerce's practice,

¹¹ For a full discussion of this practice, see *Non-Market Economy Antidumping Proceedings: Assessment of Antidumping Duties*, 76 FR 65694 (October 24, 2011).

the deadline will become the next business day. The revised deadline for the final results of this review is now February 6, 2018.³

Commerce conducted this review in accordance with section 751(a)(1) of the Tariff Act of 1930, as amended (the Act).

Scope of the Order

Imports covered by this order are shipments of certain non-egg dry pasta in packages of five pounds four ounces or less, whether or not enriched or fortified or containing milk or other optional ingredients such as chopped vegetables, vegetable purees, milk, gluten, diastases, vitamins, coloring and flavorings, and up to two percent egg white.⁴

Analysis of the Comments Received

All issues raised in the case and rebuttal briefs submitted in this review are addressed in the Issues and Decision Memorandum, which is hereby adopted by this notice. A list of the issues raised is attached as an appendix to this notice. The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <http://access.trade.gov> and it is available to all parties in the Central Records Unit, Room B8024 of the main Department of Commerce building. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly at <http://enforcement.trade.gov/frn/index.html>. The signed Issues and Decision Memorandum and the electronic versions of the Issues and Decision Memorandum are identical in content.

Bona Fides Analysis

For the *Preliminary Results*, the Department analyzed the *bona fides* of Mutlu's single sale and preliminarily found it was not a *bona fide* sale.⁵ Based

All deadlines in this segment of the proceeding have been extended by 3 days.

⁴ A full written description of the scope of the order is contained in the memorandum to Gary Taverman, "Issues and Decision Memorandum for the Final Results of the Antidumping Duty Administrative Review: Certain Pasta from Turkey," (Issues and Decision Memorandum), dated concurrently with this notice and incorporated herein by reference.

Commerce's complete analysis of all the information and comments on the record of this review, Commerce continues to find that Mutlu's sale is not a *bona fide* sale. Commerce reached this conclusion based on its consideration of the totality of circumstances, including: (a) The atypical nature of both the sales price and quantity; (b) reason to question the arm's-length nature of the transaction; and (c) the atypical sales terms. In addition to the above factors, which Commerce determined are a sufficient basis to find Mutlu's sale to be non-*bona fide*, it determined that additional factors—*i.e.*, the lack of record information normally considered in making a *bona fides* determination due to the importer's failure to respond to the importer questionnaire (*e.g.*, whether a profit was realized on the resale of the subject merchandise, whether there were any unusual expenses), and the limited history from which to infer the respondent's future selling practices due to there being only one sale during the POR—constituted additional support for its non-*bona fides* finding. Because much of the factual information used in our analysis of Mutlu's sale involves business proprietary information, a full discussion of the basis for our final determination is set forth in the *Bona Fides* Analysis Memorandum.⁶

Because we have determined that Mutlu had no *bona fide* sales during the POR, we are rescinding this administrative review.

Assessment

As Commerce is rescinding this administrative review, we have not calculated a company-specific dumping margin for Mutlu. Mutlu's entries will be liquidated at the "all-others" rate applicable to Turkish exporters who do not have their own company-specific rate. That rate is 51.49 percent.⁷

Cash Deposit Requirements

Because we did not calculate a dumping margin for Mutlu, Mutlu continues to be subject to the "all-others" rate. The all-others cash deposit rate is 51.49 percent.⁸ These cash

Administrative Protective Order

This notice also serves as a reminder to parties subject to Administrative Protective Order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in these segments of the proceeding. Timely written notification of the return or destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Administrative Protective Orders

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(h) and 351.221(b)(5).

Submission for OMB Review; Comment Request

The Department of Commerce will submit to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

Agency: National Oceanic and Atmospheric Administration (NOAA).

Title: West Coast Region U.S. Pacific Highly Migratory Species Hook and Line Logbook.

OMB Control Number: 0648–0223.

Form Number(s): NOAA 88–197.

Type of Request: Regular (extension of a currently approved information collection).

Number of Respondents: 850.

Average Hours per Response: One hour.

Burden Hours: 3,400.

Needs and Uses: This request is for extension of a currently approved collection.

Under the Fishery Management Plan for United States (U.S.) West Coast Fisheries for Highly Migratory Species (HMS FMP) U.S. fishermen, participating in the Pacific Hook and Line fishery (also known as the albacore troll and pole-and-line fishery), are required to obtain a Highly Migratory Species (HMS) permit. Permit holders are required to complete and submit logbooks documenting their daily fishing activities, including catch and effort for each fishing trip. Logbook forms must be completed within 24 hours of the completion of each fishing day and submitted to the Southwest Fisheries Science Center (SWFSC) within 30 days of the end of each trip. These data and associated analyses help the SWFSC provide fisheries information to researchers and the needed management advice to the U.S.

in its negotiations with foreign fishing nations exploiting HMS.

Affected Public: Business or other for-profit organizations.

Frequency: For each fishing trip.

Respondent’s Obligation: Mandatory.

This information collection request may be viewed at reginfo.gov. Follow the instructions to view Department of Commerce collections currently under review by OMB.

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to OIRA_Submission@omb.eop.gov or fax to (202) 395–5806.

Dated: February 8, 2018.

The Hydrographic Services Review Panel (HSRP) is a Federal Advisory Committee established to advise the Under Secretary of Commerce for Oceans and Atmosphere, the NOAA Administrator, on matters related to the responsibilities and authorities set forth in section 303 of the Hydrographic Services Improvement Act of 1998, as amended, and such other appropriate matters that the Under Secretary refers to the Panel for review and advice. The charter and other information are located online at: <https://www.nauticalcharts.noaa.gov/hsrp/CharterBylawsHSIAStatute.htm>. Past HSRP public meeting summary reports, agendas, presentations, transcripts, webinars, and other information is available online at: <https://www.nauticalcharts.noaa.gov/hsrp/meetings.htm>.

Matters to be considered: The panel is convening to hear federal, state, regional and local partners and stakeholders on issues relevant to NOAA’s navigation services, focusing on Florida and the U.S. Caribbean region as well as national issues. Navigation services include the data, products, and services provided by the NOAA programs and activities that undertake geodetic observations, gravity modeling, shoreline mapping, bathymetric mapping, hydrographic surveying, nautical charting, tide and water level observations, current observations, and marine modeling. This suite of NOAA products and services support safe and efficient navigation, resilient coasts and communities, and the nationwide positioning information infrastructure to support America’s commerce. The Panel will hear from state and federal agencies, non-federal organizations, and partners about their missions and use of NOAA’s navigation services, the value these services bring, and what improvements could be made. Other administrative matters may be
