The purpose of the public symposium is to discuss scientific topics related to the regulation of biologics and highlight scientific research conducted at CBER by showcasing how scientific research informs regulatory decision making and to provide a forum for developing collaborations within FDA and with external organizations.

III. Participating in the Public Symposium

Registration: To register for the public symposium, please visit the following website: https://www.eventbrite.com/e/2018-center-for-biologics-evaluation-and-research-cher-science-symposium-tickets-39525851887. Please provide complete contact information for each attendee, including name, title, affiliation, address, email, and telephone.

Registration is free and based on space availability, with priority given to early registrants. Persons interested in attending this public symposium (either in person or by webinar) must register online by June 18, 2018, midnight Eastern Time. Early registration is recommended because seating is limited. There will be no onsite registration; therefore, FDA may limit the number of participants from each organization. Registrants will receive confirmation when they have been accepted.

If you need special accommodations, due to a disability, please contact Sherri Revell or Lori Warren Henderson no later than June 11, 2018.

Streaming Webcast of the Public Symposium: This public symposium will also be webcast. A link to the live webcast of this symposium will be provided upon registration at https://www.eventbrite.com/e/2018-center-for-biologics-evaluation-and-research-cher-science-symposium-tickets-39525851887. Persons interested in viewing the live webcast must register online by June 18, 2018. Early registration is recommended because webcast connections are limited. A video record of the public symposium will be available at https://www.fda.gov/BiologicsBloodVaccines/NewsEvents/WorkshopsMeetingsConferences/default.htm for 1 year.
