§ 407.8 Fees charged to locate, review, or copy records.

(a) ABMC will charge no fees for search time or for any other time expended by ABMC to review a record. However, ABMC may charge fees where you request that a copy be made of a record to which you have been granted access. Where a copy of the record must be made in order to provide access to the record (e.g., computer printout where no screen reading is available), the copy will be made available to you without cost.

(b) Copies of records made by photocopy or similar process will be charged to you at the rate of $0.15 per page. Where records are not susceptible to photocopying (e.g., punch cards, magnetic tapes, or oversize materials), you will be charged actual cost as determined on a case-by-case basis. Copying fees will not be charged if the cost of collecting a fee would be equal to or greater than the fee itself. Copying fees for contemporaneous requests by the same individual shall be aggregated to determine the total fee.

(c) Special and additional services provided at your request, such as certification or authentication, postal insurance, and special mailing arrangement costs, will be charged to you at the rates set forth in § 407.7(e) of this chapter.

(d) You may request that a copying fee not be charged or, alternatively, be reduced, by submitting a written petition to ABMC’s General Counsel (see § 407.3) asserting that you are indigent. If the General Counsel determines, based on the petition, that you are indigent and that ABMC’s resources permit a waiver of all or part of the fee, the General Counsel may, in his or her discretion, waive or reduce the copying fee.

(e) All fees shall be paid before any copying request is undertaken. Payments shall be made by check or money order payable to “American Battle Monuments Commission.”

§ 407.9 Procedures for maintaining accounts of disclosures made by ABMC from its systems of records.

(a) The Office of the General Counsel shall maintain a log containing the date, nature, and purpose of each disclosure of a record to any person or to another agency. Such accounting also shall contain the name and address of the person or agency to whom each disclosure was made. This log need not include disclosures made to ABMC employees in the course of their official duties, or pursuant to the provisions of the Freedom of Information Act (5 U.S.C. 552).

(b) ABMC will retain the accounting of each disclosure for at least five years after the disclosure for which the accounting is made or for the life of the record that was disclosed, whichever is longer.

(c) ABMC will make the accounting of disclosures of a record pertaining to you available to you at your request. Such a request should be made in accordance with the procedures set forth in § 407.4. This paragraph (c) does not apply to disclosures made for law enforcement purposes under 5 U.S.C. 552a(b)(7).

Records Management

AGENCY: National Archives and Records Administration (NARA).

ACTION: Direct final rule.

SUMMARY: NARA is revising these regulations to make administrative changes, such as updating office names and organizational codes, updating URLs, and updating links to NARA’s records management web pages, to reflect organizational and contact changes, and revising the incorporation by reference language to make it consistent with newer regulations and to reflect contact changes.

DATES: This rule is effective on April 30, 2018 without further notice, unless we receive adverse written comment that warrants revision by April 19, 2018. If we receive such comments, we will publish a timely withdrawal of the direct final rule in the Federal Register.

ADDRESSES: You may submit comments, identified by RIN 3095–AB95, by email at regulation_comments@nara.gov, or by mail to the External Policy Program Manager; Strategy Division (MP), Suite 4100; National Archives and Records Administration; 8601 Adelphi Road; College Park, MD 20740–6001.

FOR FURTHER INFORMATION CONTACT: Kimberly Keravuori, by email at regulation_comments@nara.gov, or by telephone at 301–837–3151.

SUPPLEMENTARY INFORMATION:

Regulatory Review Information

This rule is not a significant regulatory action for the purposes of E.O. 12866 and a significance determination was requested from the Office of Management and Budget (OMB). It is also not a major rule as defined in 5 U.S.C. Chapter 8, Congressional Review of Agency Rulemaking. As a result, this rule is also not subject to deregulatory requirements contained in E.O. 13771. As required by the Regulatory Flexibility Act, we certify that this rule will not have a significant impact on a substantial number of small entities; it simply updates contact, office, and agency online site information to reflect organizational changes. This rule also
does not have any Federalism implications.

This rule is effective upon publication for good cause as permitted by the Administrative Procedure Act (5 U.S.C. 553(d)(3)). NARA believes that a public comment period is unnecessary as this rule merely makes minor administrative updates to reflect NARA organizational changes.
