Summaries for each FAR rule follow.  
For the actual revisions and/or  
amendments made by these rules, refer  
to the specific item numbers and  
subjects set forth in the documents  
following these item summaries. FAC  
2005–98 amends the FAR as follows:

**Item I—Task- and Delivery-Order  
Protests (FAR Case 2017–007)**

This final rule amends the FAR to  
implement section 835 of the National  
Defense Authorization Act (NDAA) for  
Fiscal Year (FY) 2017 (Pub. L. 114–328).  
Section 835 amends 10 U.S.C.  
2304c(e)(1)(B) to raise the threshold for  
task- and delivery-order protests from  
\$10 million to \$25 million (applicable to  
DoD, NASA, and the Coast Guard). The  
section also amends 41 U.S.C. 4106(f) to  
repeal the sunset date, which was also  
previously repealed by the GAO  
Civilian Task and Delivery Order Protest  
Authority Act of 2016 (Pub. L. 114–260).  
There will be an unquantifiable impact  
on offerors (including small businesses)  
that lose the right to protest awards of  
task or delivery orders valued between  
\$10 million and \$25 million, but the  
impact is expected to be de minimis,  
because there are very few protests of  
procurements in that dollar range.

**Item II—Duties of Office of Small and  
Disadvantaged Business Utilization  
(FAR Case 2017–008)**

This final rule amends the FAR to  
reflect additional duties for agencies’  
Office of Small and Disadvantaged  
Business Utilization, or for DoD’s Office  
of Small Business Programs, which were  
added to section 15(k) of the Small  
Business Act by the NDAA for FY 2017.  
This rule only provides information  
regarding the internal operating  
procedures of the Government.

**Item III—Liquidated Damages Rate  
Adjustment (FAR Case 2017–004)**

This final rule amends the FAR to  
adjust for inflation the rate of liquidated  
damages assessed or enforced by  
Department of Labor (DOL) regulations  
for violations of the overtime provisions  
of the Contract Work Hours and Safety  
Standards Act. The FAR rule  
implements DOL’s interim final rule  
published in the **Federal Register** at 81  
FR 43430 on July 1, 2016, DOL’s final  
rule published in the **Federal Register** at 82  
FR 5373 on January 18, 2017, and  
subsequent adjustments for inflation  
pursuant to the Federal Civil Penalties  
Inflation Adjustment Act of 1990, as  
amended by the Federal Civil Penalties  
Inflation Adjustment Act Improvements  
Act of 2015 (section 701 of Pub. L. 114–  
74)(28 U.S.C. 2461 Note). There is no  
significant impact on small entities  
imposed by the FAR rule.

**Item IV—Audit of Settlement Proposals  
(FAR Case 2015–039)**

This final rule amends the FAR to  
raise the dollar threshold requirement  
for the audit of prime contract  
settlement proposals and subcontract  
settlements from \$100,000 to \$750,000  
to align with the threshold in FAR  
15.403–4(a)(1) for obtaining certified  
cost or pricing data.

The requirements in the rule will not  
have a significant economic impact on  
a substantial number of small entities.  
Since the rule raises the audit threshold,  
even fewer small businesses will be  
subject to audits of their termination  
settlement proposals resulting in a  
reduction of time spent to complete  
termination settlements.

#### Federal Acquisition Regulation: Task- and Delivery-Order Protests

**AGENCY:** Department of Defense (DoD), General Services Administration (GSA), and National Aeronautics and Space Administration (NASA).

**ACTION:** Final rule.

**SUMMARY:** DoD, GSA, and NASA are issuing a final rule amending the Federal Acquisition Regulation (FAR) to implement a section of the National Defense Authorization Act for Fiscal Year 2017 to raise the threshold for task- and delivery-order protests from \$10 million to \$25 million (applicable to DoD, NASA, and the Coast Guard) and to repeal the sunset date for the authority to protest the placement of an order (for the other civilian agencies), which was also previously repealed by the GAO Civilian Task and Delivery Order Protest Authority Act of 2016.

**DATES:** *Effective:* May 31, 2018.

**FOR FURTHER INFORMATION CONTACT:** Mr. Charles Gray, Procurement Analyst, at 703-795-6328, for clarification of content. For information pertaining to status or publication schedules, contact the Regulatory Secretariat Division at 202-501-4755. Please cite FAC 2005-98, FAR Case 2017-007.

**SUPPLEMENTARY INFORMATION:**

### I. Background

Section 835 of the National Defense Authorization Act for Fiscal Year 2017 (Pub. L. 114-328) was enacted December 23, 2016. Section 835(a) amended 10 U.S.C. 2304c(e)(1)(B) to raise the threshold for task- and delivery-order protests from \$10 million to \$25 million (applicable to DoD, NASA, and the Coast Guard). Section 835(b) amended 41 U.S.C. 4106(f) to repeal the sunset date of September 30, 2016, of the authority to protest the placement of an order (for the other civilian agencies). The sunset date was already repealed on December 14, 2016, by the GAO Civilian Task and Delivery Order Protest Authority Act of 2016 (Pub. L. 114-260).

### II. Discussion and Analysis

This final rule amends FAR 16.505(a)(10) to raise the threshold for DoD, NASA, and the Coast Guard from \$10 million to \$25 million and remove the sunset date for the other civilian agencies.

### III. Expected Cost Savings

The rule is administrative in nature—it follows the statute exactly, raising a threshold and removing a sunset date.

Currently, FAR 16.505(a)(10)(i) prohibits any protest in connection with the issuance or proposed issuance of an order under a task-order contract or delivery-order contract, except for a protest on the grounds that the order increases the scope, period, or maximum value of the contract; or the order is valued in excess of \$10 million. This FAR change implements section 835 of the National Defense Authorization Act for Fiscal Year 2017 to—

- Raise the threshold at which a protest may be filed at the Government Accountability Office (GAO) for task or delivery orders from \$10 million to \$25 million, applicable only to DoD, NASA, and the Coast Guard; and
- Remove the sunset date (September 30, 2016) for the authority to protest the placement of an order for agencies other than DoD, NASA, and the Coast Guard. Although, according to GAO, there are fewer than 10 protests per year of procurements between \$10 million and \$25 million, the higher threshold for protests of task or delivery orders for DoD, NASA, and the Coast Guard will result in savings for GAO and the affected Executive branch agencies, because there will no longer be protests of orders valued between \$10 million and \$25 million based on dollar value. While it is difficult to quantify, the lost benefit to interested parties who will

lose the right to protest as a result of this rule is likely de minimis, given the historical data from GAO indicating a small number of protests in the affected dollar range. Further, there are some benefits to offerors or contractors who win awards and will no longer need to expend resources defending challenges to the award. Therefore, the net burden of this rule is estimated as less than zero, though the FAR Council is not able to monetize cost savings.

### IV. Applicability to Contracts at or Below the Simplified Acquisition Threshold and for Commercial Items, Including Commercially Available Off-the-Shelf Items

This rule does not add any new solicitation provisions or clauses, or impact any existing provisions or clauses.

### V. Publication of This Final Rule for Public Comment Is Not Required by Statute

The statute that applies to the publication of the Federal Acquisition Regulation (FAR) is the Office of Federal Procurement Policy statute (codified at Title 41 of the United States Code). Specifically, 41 U.S.C. 1707(a)(1) requires that a procurement policy, regulation, procedure, or form (including an amendment or modification thereof) must be published for public comment if it relates to the expenditure of appropriated funds, and has either a significant effect beyond the internal operating procedures of the agency issuing the policy, regulation, procedure, or form, or has a significant cost or administrative impact on contractors or offerors. This final rule is not required to be published for public comment, because it follows the statute exactly, raising a threshold and removing a sunset date.

### VI. Executive Orders 12866 and 13563

Executive Orders (E.O.s) 12866 and 13563 direct agencies to assess all costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits (including potential economic, environmental, public health and safety effects, distributive impacts, and equity). E.O. 13563 emphasizes the importance of quantifying both costs and benefits, of reducing costs, of harmonizing rules, and of promoting flexibility. This is not a significant regulatory action and, therefore, was not subject to review under section 6(b) of E.O. 12866, Regulatory Planning and Review, dated September 30, 1993. This
