

102 of the Ethics in Government Act, 5 U.S.C. app. sec. 102, as amended by the Stop Trading on Congressional Knowledge Act of 2012 (Pub. L. 112–105) (STOCK Act) and OGE's implementing financial disclosure regulations at 5 CFR part 2634.

In 2013, OGE sought and received approval for the OGE Form 278e, an electronic version of the Form 278, implemented pursuant to the e-filing system mandated under section 11(b) of the STOCK Act. The OGE Form 278e collects the same information as the OGE Form 278. In 2014, OGE sought and received approval to incorporate the OGE Form 278e into its new *Integrity* e-filing application. *Integrity* has been in use since January 1, 2015, and OGE now requires filers to use a version of the OGE Form 278e rather than the old OGE Form 278. The version of the Form 278e that is produced by *Integrity* is a streamlined output report format that presents only the filer's inputs in given categories and does not report other categories not selected by the filer.

On October 5, 2016, OGE published a proposed rule for amending 5 CFR part 2634. See 81 FR 69204–69238 (October 5, 2016). The proposed modifications to the OGE Form 278e revise the instructions to reflect the changes to the financial disclosure regulation, if adopted as final. Specifically, OGE proposes to: Revise the reporting period for termination reports to include the entire preceding calendar year if a required annual report has not been filed; revise the income disclosure requirement to include only received income; revise the “widely diversified” criterion for purposes of determining whether a fund qualifies as an “excepted investment fund;” add a new feature (checkbox) for purposes of managing early termination report filing on the *Integrity* version of the Form 278e; clarify the Definition section of Part 2; clarify when a source of compensation need not be disclosed and the method for disclosing the existence of such sources; and eliminate the disclosure of transactions that occurred before the reporting individual became subject to the public financial disclosure requirements.

OGE is also proposing to update the Privacy Act statement in accordance with changes to the applicable system of records and to make certain minor formatting changes and corrections to the instructions and one of the data entry fields.

Request for Comments: Agency and public comment is invited specifically on the need for and practical utility of this information collection, the accuracy of OGE's burden estimate, the

enhancement of quality, utility and clarity of the information collected, and the minimization of burden (including the use of information technology). Comments received in response to this notice will be summarized for, and may be included with, the OGE request for extension of OMB paperwork approval. The comments will also become a matter of public record.

Approved: July 3, 2018.

Acting Director and General Counsel, Office of Government Ethics.

Abstract: The OGE Form 450 collects information from covered department and agency employees as required under OGE's executive branch wide regulatory provisions in subpart I of 5 CFR part 2634. The basis for the OGE reporting regulation is section 201(d) of Executive Order 12674 of April 12, 1989 (as modified by Executive Order 12731 of October 17, 1990) and section 107(a) of the Ethics in Government Act, 5 U.S.C. app. sec. 107(a). OGE proposes several modifications to the form.

The proposed modifications to the OGE Form 450 revise the instructions to reflect the changes to the financial disclosure regulation, if adopted as final. Specifically, OGE proposes to: Change the reporting periods for each part completed by new entrants; change the income disclosure threshold to \$1,000 of received income; eliminate the disclosure of diversified funds held within an employee benefit plan; clarify that the disclosure requirement for agreements and arrangements includes those with a current employer; eliminate the disclosure of continued participation in a defined contribution plan to which an employer is no longer making contributions; and combine gifts and travel reimbursement into a single

category for purposes of applying the disclosure thresholds.

OGE is also proposing to update the Privacy Act Statement in accordance with changes to the applicable system of records, update the examples provided on the last page of the form, and make other minor technical changes.

Request for Comments: OGE is publishing this first round notice of its intent to request paperwork clearance for a proposed modified OGE Form 450. Comments received in response to this notice will be summarized for, and may be included with, the OGE request for extension of OMB paperwork approval. The comments will also become a matter of public record.
