**Abstract:** Submission of this information allows the Office of Federal Acknowledgment (OFA), within the Office of the Assistant Secretary-Indian Affairs, to review groups' documented petitions for the Federal acknowledgment as an Indian tribe. The acknowledgment regulations at 25 CFR 83 contain seven criteria that unrecognized groups seeking Federal acknowledgment as Indian tribes must demonstrate that they meet. Information collected from petitioning groups under these regulations provide anthropological, genealogical and historical data used by the AS-IA to establish whether a petitioning group has the characteristics necessary to be acknowledged as a continuously existing Indian tribe. Federal acknowledgment establishes a government-to-government relationship with the United States. Respondents are not required to retain copies of the information submitted to OFA but will probably maintain copies for their own

use; therefore, there is no recordkeeping requirement included in this information collection.

**Title of Collection:** Documented Petitions for Federal Acknowledgment as an Indian Tribe.

**OMB Control Number:** 1076-0104.

**Form Number:** BIA-8304, BIA-8305, and BIA-8306.

**Type of Review:** Extension of a currently approved collection.

**Respondents/Affected Public:** Groups petitioning for Federal acknowledgment as Indian Tribes.

**Total Estimated Number of Annual Respondents:** 10.

**Total Estimated Number of Annual Responses:** 10.

**Estimated Completion Time per Response:** 1,436 hours, on average.

**Total Estimated Number of Annual Burden Hours:** 14,360, on average.

**Respondent's Obligation:** Required to Obtain or Retain a Benefit.

**Frequency of Collection:** Once.

**Total Estimated Annual Nonhour Burden Cost:** \$21,000,000.

An agency may not conduct or sponsor and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number.

The authority for this action is the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*).
